The Good Girl's Guide to Great Sex - Sheila Wray Gregoire 2012-03-06

Candid and contemporary, this book gives you a Christian place to turn for answers to your most intimate--and embarrassing--questions. Billions of people have had sex. Far fewer have made love. In The Good Girl's Guide to Great Sex,

author Sheila Wray Gregoire helps women see how sexual intimacy was designed to be physically stupendous but also incredibly intimate. Whether you're about to walk down the aisle, newly married, or you've been married for decades, The Good Girl's Guide to Great Sex will lead you on a wonderful journey of discovery toward the amazing sex life God designed you for. With humor, research, and lots of anecdotes, author Sheila Wray Gregoire helps women see how our culture's version of sex, which concentrates on the physical above all else, makes sex shallow. God, on the other hand, intended sex to unite us physically, emotionally, and spiritually. Gregoire walks through these three aspects of sex, showing how to make each amazing, and how to overcome the roadblocks in each area we often encounter. Drawing on survey results from over 2,000 people, she also includes lots of voices from other Good Girls, giving insight into how other women have learned to truly enjoy sex in marriage.

**What Wives Wish their Husbands Knew about Sex** - Richard Rupp 2007-04-01

It's an unfortunate reality that many men grow up in churches that suppress their God-given sexual urges. As a result, many Christian men, single and married, are frustrated with their love lives and their sex lives. The authors of this book claim that Christian men should be the greatest lovers in the world and then work to show men how to do it. They help men: -learn what the Bible says about a healthy sex life -discover how to relate to women as men instead of as boys -

address psychological and spiritual issues that interfere with healthy sexuality -learn specific techniques that create a strong relationship, great foreplay, and passionate sex Solidly based in Scripture and informed by the experiences of the authors, all respected sex therapists, What Wives Wish Their Husbands Knew about Sex dispels the myths that keep good Christian men from experiencing sex as God meant it to be. Perfect for any man, it is also a great book for counselors and pastors who work with men.

**Loveology Bible Study Guide** - John Mark Comer 2014-02-04

In the beginning, God created Adam. Then he made Eve. And ever since we've been picking up the pieces. Loveology is a theology of love from God's point of view. The five sessions start with God's design for marriage and works backward, dealing with sexuality, romance, singleness, and what it means to be male and female. Pastor and writer John Mark Comer shares about what is right in male/female relationships—what God intended in the Garden. And about what is wrong—the fallout in a post-Eden world. The Loveology video-based Bible study (DVD/digital video sold separately) is for anyone who wants to learn what the Scriptures have to say about sexuality and relationships and for people who want to ask the why questions and get intelligent, grace-and-truth answers. As you walk through this five-week study, you will come to better understand what God fully intended back in the garden. By comprehending the brilliance behind God's original plan for love and marriage and sex and romance—if we can redefine that fuzzy, amorphous, confusing word "love" and look at it through the lens of Jesus—your marriages and relationships will be radically altered as a result. This study guide contains video notes, individual or group reflection questions, and between session personal applications to enhance your journey through the video study. Sessions include: Love Marriage Sex Romance Singleness Designed for use with Loveology Video Study 9780310688389 (sold separately).
