[Dating Tips from a Woman's Point of View](#) - Elizabeth

Meadows 2014-09-24

If you are looking for how to

get laid on the first date, that's easy, take her to a bar, get her drinking, but not to the point of throwing up. After she's pretty intoxicated, giggling at everything you say, try a few advances, touching her arm, or shoulder, and see if she responds. Dance with her, and do a little grinding, and see if she grinds back. If the answers to these are yes, then offer her, since she can't drive, to come back to your place. Once she's at your place, continue with just a little more alcohol for the nerves. Don't mix alcohol. If she was doing shots at the bar, don't give her beer or wine coolers at your place, or she'll be spending the night with your toilet, not you. Give her just a few more shots, and then do the final move with a kiss. The kiss will tell it all. If she pushes you away, and doesn't

take your advances, don't get discouraged, you still have a chance. Offer her to put a movie on, get a pillow and a blanket, if you have a pull out couch, great, or one big enough for you two to snuggle on. If not, let her lay back to watch the movie. Let her put her feet on your lap. I don't know many woman who would turn down a foot massage. Massaging is a great way to lead to sex. After both feet, work your way up to her calves. Hint: use lotion. It makes her feel more like it's a massage, not you just trying to grope her up. If when you get to her calves, and she's still allowing you to massage, continue on, and then get the thighs. I'm pretty sure you know where to go from there.

In this complicated age of hooking up and uncertain expectations, campus minister Mindy Meier provides Christian insight into the realities of sex and dating. She looks at over thirty key questions about today's relational issues and offers a wealth of real-life stories and practical examples. Enough already with confusing relationships. **Be Honest--You're Not That Into Him Either** - Ian Kerner 2009-10-13

Avoid the booty call blues and get the love -- and sex -- you deserve! Come on. Admit it. He may not be that into you, but were you ever really that into him? He was never "the one," but you lowered your standards and dated him in the meantime. Why? For any number of reasons: you were lonely, you were horny, you thought dating him was better than being alone, all your

friends are getting married -- you name it. And before you knew it, you got hung up on the jerk. Go figure. The world is full of sensational women, but in today's market there are too few good men to go around (or so it appears). Now Dr. Ian Kerner, clinical sexologist and author of the smash hit *She Comes First*, explores the battlefield of sex, hook ups, go-nowhere relationships, and the dismal dating treadmill, simultaneously arming women with a sharper set of insights and the tools for change. With humor and sincerity, Kerner shows women how to break the cycle of dating defeat and use the power of sex to find love, "with a great guy who is into you." So raise your standards -- and reach for the love you deserve!

[Sexless in the City](#) - Kat Harris  
2021-04-20

Discover a renewed biblical vision for sex, singleness, and relationships, and transform into an empowered woman of faith equipped to navigate today's dating culture with vision, clarity, and freedom. Let's face it: being single in today's culture as a woman of faith can be a STRUGGLE FEST. But it doesn't have to be. With real talk and straight wisdom, speaker, podcaster, and founder of The Refined Woman Kat Harris says it's time for a new conversation about singleness, sex, and desire. Growing up at the

height of the purity movement, Kat knew this much: good Christians don't have sex until marriage. But approaching 30 and thrust into the New York City dating scene, she found a set of rules was not a compelling enough reason to keep her clothes on. Caught between purity culture's rules and popular culture's do what feels good, Kat began a multi-year journey searching for answers to the biggest questions about sexuality and faith: What does the Bible really say about sex? Why does almost everyone deal with some sort of sexual shame? But really--what's a single girl to do with her sexual desire? What if we never get married . . . then what? It turns out Kat was asking questions that countless women were dying to ask but didn't know they had the permission to do so. Hungry for clarity, she researched, wrestled, and discovered a God who wasn't afraid or ashamed of sex and desire as she thought He might be. In actuality, God created sex and desire within humanity and

called it very good. Now she believes God desires to restore a generation disillusioned with purity culture and Christian dating, discouraged about their singleness, ashamed of their sexual desire, and uncertain how to practically walk this season out well. Join Kat on her messy, sometimes painful, and always honest journey to discovering God's heart for sexuality, desire, singleness, and our purpose within it all.
