**Deadly Sins** - Nicholas Coleridge 2009-04-30

Two families plunged into a bitter feud of class, scandal and revenge... Pride. Gazing from his magnificent Chawbury Manor, Miles Straker has it all. A society wife who runs his home like clockwork, four gorgeous children, a smart stucco in West London and, most importantly of all, his multi-national PR business. Greed. Utterly ruthless in both business and pleasure, Miles is a man who gets what he wants in a heartbeat, with a web of power that can bring a company to its knees or get you splashed on every front page. Envy. When self-made millionaire Ross Clegg buys the land adjoining the Straker Chawbury estate, Miles is overcome with jealousy. Not only are Ross and his family

welcomed by the country elite, Ross's booming business means he's hailed as a hero of the people. Wrath. But Miles Straker is a dangerous enemy and he vows to take the Clegg empire apart piece by piece, starting with his obnoxious family... Battle rages from the boardroom to the bedroom as old money takes on the new, and two families are plunged into a bitter feud.

*Southeast Asian Martial Arts: Cambodia, Myanmar, Thailand, Vietnam* - Michael DeMarco  
2017-02-24

What martial arts are associated with Thailand, Vietnam, Cambodia, and Myanmar (Burma)? What makes them unique when compared with other Asian martial systems? This anthology is a convenient collection that focuses on the martial arts of these areas, such as the familiar art of Muay Thai, and lesser-known arts of Than Quyen of Vietnam, Burmese bando, and Cambodian leth wei. In chapter one, the David Allan brings readers inside the Lumpini

Stadium in Bangkok to witness the fighters' kickboxing skills and etiquette through text and photographs. He also records how musicians play and the locals participate in each event, with emotional exuberance of cheering, and betting. Jeremy Skaggs wanted to go to Thailand to train with some of the top Muay Thai fighters. His chapter allows readers to relive his experience through text and superb photography. He reports on his travel to Thailand, daily training routines, daily life there, and a night at the Lumpini Stadium. Chapter three by Jason Tran presents the origin and functions of That Son Than Quyen's "spirit forms" as inspired by real and mythic animals. This is accomplished by contrasting Than Quyen with Chinese imitation styles, tracing the development of Vietnam religion and superstitions, and exploring the impact of geographic and cultural elements. In the next chapter Scott Mallon recounts excursions he made into

Myanmar and Cambodia to learn about their indigenous martial arts firsthand. He reports on the Muay Thai-like systems and their similarities and difference, along with the special cultural atmospheres where these arts are found. Excellent photo coverage highlight the martial artists. Loh Han Loong's chapter goes beyond the common views of Thai boxing by critically examining the way Muay Thai is portrayed in nonacademic sources, such as articles and websites. The manner in which Muay Thai is framed in popular culture is not simply the result of historical facts, but is a way of creating the Thai nation myth and the uniqueness of Thai culture. The lengthy final chapter by Dr. Winborne focuses on the bando system. His chapter explores ancient Burmese fighting traditions and their evolution to modern-day martial arts practices. Bando is a seamless amalgam of striking methods, grappling techniques, weapons approaches, and healing strategies from the Southeast

Asian country currently known as Myanmar. This comprehensive self-defense system is reviewed and analyzed based on documented viewpoints of prominent masters and practitioners. The philosophy and principles that undergird the bando system are discussed as well. This anthology offers a concise overview of the history, cultures, and combative systems associated with the geographic areas of Cambodia, Myanmar, Vietman, and Thailand. Familiar or not with these martial traditions, readers will be find the chapters informative and photography delightful.

Drink, Play, F@#k - Andrew

Gottlieb 2009-02-14

One man's spiritual journey to rediscover how much he hates spiritual journeys. "A dizzyingly fun parody" (Publishers Weekly). In *Drink, Play, F@#k*, Bob Sullivan, a jilted husband, sets off to explore the world, experience a meaningful connection with the divine, and rediscover his passion. His travels lead him from his home in New York City to a drinking bender across Ireland, through the glitz and glamour that is Las Vegas, and to the hedonistic pleasure palaces of Thailand. After a lifetime of playing it safe, Sullivan finally follows his heart and lives out everyone's deepest fantasies. For who among us hasn't dreamed of standing stark naked, head upturned, and mouth agape beneath a cascading torrent of Guinness Stout? What could be more exhilarating than losing every penny you have because Charlie Weis went for a meaningless last-second field goal? And what sensate creature could ever doubt that the greatest pleasure known to

man can be found in a leaky bamboo shack filled with glassy-eyed, bruised Asian hookers? Bob Sullivan has a lot to teach us about life. Let's just pray we have the wisdom to put aside our preconceptions and listen. Because what Sullivan finds isn't at all what he expected. "Two years after invading every bookshelf across the world, something positive has come out of Elizabeth Gilbert's mind-numbingly self-absorbed memoir: Andrew Gottlieb's fictional response." —Monica Weymouth, Metro
