Elite Dating Secrets - Jon Anthony 2019-02-24

Dear Friend, This book will teach you the hidden secrets, that the top 1% of men use to effortlessly attract women. Learn how you can meet, attract, and date the type of woman you've always wanted to have. Learn how to get your girlfriend back. Turn your "friend" into your "girlfriend," and get out of the friend zone for good. How to make women chase you, rather than the other way around. "Elite Dating Secrets" covers everything you need to know about understanding women. It

explains how they think, what they want, and how to attract them. This book will teach you powerful attraction secrets, techniques, and strategies, that only the top 1% of men know... secrets that once fully understood, will completely transform your life as a whole. Why should you buy this book? Because, it's one of the most inexpensive dating books on the market, even though it's filled with more secrets than all of the other ones combined. It offers more strategies, techniques, and secrets than any other book on dating advice you will find. In fact, unlike most other books that just teach you surface level gimmicks, "Elite Dating Secrets" will go deeper, and create a permanent, long-lasting, underlying change in who you are as a man. And the best part? You don't have to change who you are, or become some sort of "try hard" douchebag. In fact, unleashing your "Inner Alpha Male," and becoming one of the "Dating Elite" is about leveraging your natural personality, and

unlocking the truly personality that you have hidden deep within you, without even realizing it. What makes me qualified to help you? Well, when I was younger, I had very little success with women. I tried, and tried, and tried, but for whatever reason, I could never attract a woman. Even when I did manage to get a date or two, they would always end up flaking on me, or would flat out ignore my calls and texts after our first date. I remember feeling frustrated and confused, and eventually, stumbled upon the secrets hidden within this book... and they changed my life forever. Over the past 5 years, I've coached countless men, and helped them achieve their true potential in the dating world. Many of my clients are shocked at how rapidly their lives transform, once they use the secrets hidden within this book. One of my clients went from being a virgin, to having his "Perfect 10" girlfriend, in just a few weeks. While stories like this may seem unbelievable, the fact of the

matter is that when you understand these secrets, anything is possible. Even if you are not tall, rich, or handsome, you can still use the secrets within this book. In fact, that's why I wrote it! I wanted to give average men such as ourselves a chance at competing in the top 1%. I want you to experience the thrill of dating playboy bunnies, models, actresses, and just plain gorgeous women. I could have packaged the contents of this book into a video course, and charged hundreds of dollars for it, but I'm choosing to give it away for just a few bucks... think about it. How much do you spend on coffee each week? Or eating out? Do you think being able to date the girl of your dreams, and live happily ever after, is worth a few bucks? I certainly do. In a weird way, I feel like I know you... and in a sense, I do. Maybe I don't know your name, but I know what you're going through, and I know where you came from. I was in your shoes just a short few years ago, and I remember feeling desperate

to finally get this "girlfriend" thing handled once and for all. If you feel like you've exhausted all your options, and just can't seem to figure out why women don't want you, then trust me... you need this book more than anyone. I hope you choose to embark on this adventure, my friend. I know it can be scary, and it's hard to know who to trust... but mark my words, when you download this book, and start applying its advice to your life, everything will change forever. To Your Success, -Jon Anthony

own boss have finally come true. With his two best friends, he owns Roca Springs Fitness, the luxury gym his clients love. But the success isn't bringing him happiness. He's lonely. [The Guyde](#) - Howie Reith

2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve

your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what

it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Flirting Tips for Guys - Kevin Love 2015-03-17

The art of flirting is all about letting a person you fancy know that you are interested in her, without saying it openly. When done right, it is a choreographed dance where each person lets the other one know just how interested he is in getting to know the other, under the safety of it all being a game. If one person is interested but the other one is not, nobody is hurt because there never was a real proposition; it was all just a game. Flirting is a playground where a man and a woman can express their desire to pursue the acquaintance in hopes that it develops into a relationship or back down and leave things

as they are. Flirting is a ritual based on communication, above all. But communication can take many forms, and flirting is, believe it or not, mostly a non-verbal form of communication. Most men get nervous when it comes to talking to a woman they have just met, they don't know what to say to her. But the funny thing is, you could spend a whole night flirting with a woman without ever having to say a word to her. Ninety percent of human communication is body language and the same applies for flirting. The most vital means with which to flirt are your eyes, and they are the ones that will always tell you whether a flirt is serious or just a game. So if you want to learn more how to seduce and charm any women then let "Flirting Tips for Guys: How to Charm, Conquer and Seduce the Woman of Your Dreams" teach you about: Secrets on How to Flirt Tips for Flirting with Nice Girls How Far Should Flirting Go?
