The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend - Maddy Court 2021-05-18

This illustrated book of advice on love, dating, and friendship—written by and for queer women and people of marginalized genders—is the new go-to queer relationship handbook. Fix yourself a cup of non-caffeinated herbal tea and prepare to laugh, cry, reminisce, and feel your feelings as you read through these quintessentially queer dating dilemmas. In *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend*, advice columnist Maddy Court (a.k.a. Xena Worrier Princess) answers anonymous queries from lesbian, bisexual, and queer women and people of marginalized genders. Illustrated by comics artist Kelsey Wroten and based on Court's viral zine of the same name, this book features never-before-published letters and responses about first loves, heartbreak, coming out, and queer friendship—all answered with the warmth and honesty of the gay big sister you wish you had. • **BY QUEERS, FOR QUEERS:** This book was written by and for queer women and people of marginalized genders. The questions reflect real experiences that aren't often represented in the media, and the answers offer an important reminder that loving ourselves takes patience, effort, and the support of our friends and communities. • **EXCITING DEBUT AUTHOR:** In 2018, Maddy Court made the leap from creating niche lesbian memes on Instagram to writing and distributing a series of zines. Never preachy or dismissive, Court offers

advice that is sympathetic and straightforward—it's equal parts refreshing vulnerability and remarkable wisdom. • **GORGEOUS ILLUSTRATION:** Kelsey Wroten's art brings the letters to life, immersing the reader in all the joys and disappointments of the contributors who wrote in from all over the world. In addition to the traditional illustrations, each chapter features a paneled mini-comic that speaks to the different themes. • **AMAZING GUEST EXPERTS:** Because one queer cannot possibly hold all the answers, *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend* also includes advice from an incredible roster of guest experts. Author and comedian Samantha Irby; musicians JD Samson and Ellen Kempner; and writers and activists Tyler Ford, Kalyn Heffernan, Lola Pellegrino, and Mey Rude all tackle questions on long-distance breakups, jealousy, love triangles, making friends, and more. Perfect for: • Lesbian, bisexual, and queer women and people of marginalized genders with questions about dating, friendship, and life • Fans of the *Ex-Girlfriend* zine series and followers of @Xenaworrierprincess • Fans of Kelsey Wroten's graphic novels and art *William Wallace and All That* - Allan Burnett 2016 *William Wallace and All That* is a real-life adventure packed with historical facts about Scotland's legendary hero. Growl with anger as you find out what nasty things Edward's vile henchmen did to Wallace's girlfriend and best pal. Get splattered with blood and gore as Wallace makes haggis of his enemies. Gasp with terror as you learn about the giant 'hedgehogs' that helped Wallace win battles. Groan with agony as you feel what it's like to be hanged, drawn and quartered. Discover how Wallace's grisly death made his legend grow.

Practical Experience - Jane Tankard 2012-05-23

The year out, or internship, in a professional practice can be the most rewarding experience in an architectural student's education. It can also be a shock to the system to find that architectural working practices are very different to architectural study. This book provides a beginner's guide to professional practice and a step-by-step guide on how to find the placement that best suits your goals. It is the fourth title in the successful 'Seriously Useful Guides...' series. In order to give you a real insight into professional experience, this guide includes real life case studies from students who have been through the experience and from

practices that have taken them on. It guides you through the steps of finding a placement, outlines the norms and expectations for internship in different countries, and discusses codes of office behavior and professional ethics. Contemporary architectural practices are becoming increasingly diverse and this guide outlines some Practical Experience/Internship choices, providing cases studies of award winning firms that offer practical experience. These case studies range from conventional practices based on the art of building, to practices based on digital media or contemporary urbanism. Finally, the term 'critical practice' is becoming increasingly important, and the book provides some definitions and examples of critically based architectural practices. Also in the Seriously Useful Guides Series: * The Crit * The Portfolio * The Dissertation

Electric Santería - Aisha M. Beliso-De Jesús 2015-09-08

Santería is an African-inspired, Cuban diaspora religion long stigmatized as witchcraft and often dismissed as superstition, yet its spirit- and possession-based practices are rapidly winning adherents across the world. Aisha M. Beliso-De Jesús introduces the term "copresence" to capture the current transnational experience of Santería, in which racialized and gendered spirits, deities, priests, and religious travelers remake local, national, and political boundaries and reconfigure notions of technology and transnationalism. Drawing on eight years of ethnographic research in Havana and Matanzas, Cuba, and in New York City, Miami, Los Angeles, and the San Francisco Bay area, Beliso-De Jesús traces the phenomenon of copresence in the lives of Santería practitioners, mapping its emergence in transnational places and historical moments and its ritual negotiation of race, imperialism, gender, sexuality, and religious travel. Santería's spirits, deities, and practitioners allow digital technologies to be used in new ways, inciting unique encounters through video and other media. Doing away with traditional perceptions of Santería as a static, localized practice or as part of a mythologized "past," this book emphasizes the religion's dynamic circulations and calls for nontranscendental understandings of religious transnationalisms.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want

to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you. **Don't Stick Your Dick in a Blender** - Jonathan Roseland 2020-09-21 Women are dangerous. Good, yet naive, men routinely wreck their lives because they "stick their dick in a blender" — having sex with the wrong kinds of women. STDs, unplanned pregnancies, false accusations, mental health headcases, and divorce make chasing skirts a dangerous game. While lesser men retreat from the pursuit of women into the pixel-

powered pleasure world, you have faith that your hunt for a virtuous woman will be fruitful. You can't take a time-machine back to a more decent age to find a marriageable woman. You're not ready to give up on your genetic purpose and start banging sex robots, but you're tired of the transient, meaningless flings with mediocre women. You're likely underestimating just how risky sex, a relationship, or marriage is with the modern woman. But you're also underestimating just how rewarding it is to win the commitment of "a nice girl" — a truly feminine woman, not at war with the natural order — and intertwine your essence with hers. "Don't Stick Your Dick in a Blender" is an irreverent, politically incorrect exposition of the state of dating in the current year. And a playbook of counter-intuitive approaches, advanced social dynamics lifehacks, along with filtering strategies for avoiding the time-wasters and inglorious skanks. How to meet a nice girl... Meeting a wife-material woman - Yes, it's still possible! Dating post-COVID-19 - The global pandemic/plandemic has changed the game, you must adapt. The truth about marrying an exotic foreign woman - Is it for you? Online dating - Navigating the digital minefield of fakers, flakes, liars, and scams. Mindset demystified - Deprogramming the mainstream (and counter-culture) mindsets that cost you love. Dating abroad - How to do it without getting royally screwed. Avoiding the friend zone - Advanced persuasion and sexual signaling methods. Seducing a virgin - Why this really matters and how to do it... Eliciting yielding Yin energy - Inspiring a woman to adopt your values. Cultivating her devotion - Get laid like a "lover" and get respect like a patriarchal provider. Tantric "sex hacks" - Up your bedroom skills with an arsenal of holistic biohacks (both ancient and cutting-edge) for life-changing sex. Losing your virginity - Perhaps you're a frustrated virgin or "Incel" disappointed with all the crappy advice about how to lose your virginity. 33 steps are broken down for meaningfully losing your virginity. And in these pages, you'll get the "red pills" on dating, sex, and the fairer sex without the hopelessness and cynicism. You'll learn about the four red flags of a "blender" — deal-breakers that should make you back away slowly from a woman. You'll learn what qualifies as a virtuous woman who you might have a future

with. And, why there's a lot of reasons to be optimistic about finding love and even getting married one day. This book is also a story of hope and redemption, the memoir of a reformed pickup artist who "enjoyed the decline" all the way from America and Colombia to Ukraine and found edifying joy and meaning between the voluptuous thighs of a beautiful Bulgarian woman on the edge of Europe.

The Next Billion Users - Payal Arora 2019-02-25

Creative Writing Essentials - L. Stewart Hearl 2018-04-29

[International English Teacher 101](#) - HowExpert 2019-07-04

Teaching English as a Foreign Language (TEFL) or to Speakers of Other Languages (TESOL) is a hot career choice these days. The desire to see the world is common. Travel is one way, but people are finding it hard to take vacations these days. What if you could combine seeing the world and working? It is not easy to find jobs overseas unless you have very specialized skills and advanced foreign language fluency. For native speakers of English, TEFL/TESOL seems like a great solution. There are as many ways to teach English overseas as there are people willing to teach overseas. Indeed, your motivation for doing so should be your main influence when selecting where and how to teach. Here are just a few of the ways to teach English overseas: • Here are many chains such as English First and Wall Street that operate language centers in countries around the world • On several continents, and in Asia especially, there are also small, individual language centers, such as the hagwons in South Korea • You can teach in a public schools at pre/primary, middle and high school levels. • You can also teach at private schools. Many countries have an American school or a Canadian school, or and International School offering an IB program • You can teach at public universities. Teaching hours are very few, but class size is very high, so if

you're teaching composition, for example, you'll have a lot of correcting to do • You can teach at one of the many private colleges popping up all over- some with associations with US or Australian universities • You can teach as a volunteer at a village school or in an orphanage • You can teach as a missionary or with one of the many religious service organizations that are non-proselytizing • You can teach executives as a consultant with one firm (inhouse) or with a service that has many corporate clients • You can teach with a government program such as EPIC in Korea or JET in Japan. This means you will have many peers teaching in country with you, though perhaps not in your town • You can teach with one of your own government's programs- as a Peace Corps volunteer. • You can teach with a multinational organization - as a United Nations volunteer, or with an NGO teaching refugees for example. • You can teach as a private tutor or join the growing ranks of people teaching English online There is bound to be a TESOL/TEFL job that's the right fit for you. How to find that right fit is what this book is all about.

Ethics As Foreign Policy - Dan Bulley 2009-05-07

Ethical foreign policy has often been considered utopian, unrealistic and potentially very dangerous. Dan Bulley argues for a reconceptualisation of ethics as foreign policy, as both look to how we can, and ought to, relate to others. Inspired by the deconstructive thought of Jacques Derrida, Bulley studies the ethical claims of British (1997-2007) and EU (1999-2004) foreign policy. These claims are read against themselves to illustrate their deep ambiguity. A textual analysis of speeches, statements and interviews given by foreign policy makers shows that a responsibility to save 'Africa', to protect Iraqis, and to hospitably welcome the Balkans into the EU are also irresponsible, inhospitable and unethical. The author contends that foreign policies making a claim to morality are ethical and unethical, in their own terms, suggesting that

while a truly ethical foreign policy remains ultimately unachievable, it does not justify abandoning a responsible relation to others. Rather, a negotiation of ethics as foreign policy suggests potential individual, context-bound decisions which remain open to contestation and permanent critique. Bulley argues that the goal of ethical foreign policy must be maintained as a productive hope of what is neither completely impossible, nor entirely possible.

[I Still Want Fireworks](#) - Judith Hill 2017-11-29

On the one year anniversary of her divorce, former romance author Judith Hill signs up on a well-known online dating site. Now an international flight attendant (with a penchant for dating young, dark, long-haired and exotic), the multi-published fiction writer decides to hedge her innate skepticism with a purposeful plan. She will chronicle her experiences into a humor/how-to memoir geared to other women similarly starting over. There are two problems with her plan . . . technology and the reality of virtual reality dating. When last she dated, a "web site" was where a spider named Charlotte did her thing in a barn for a rat! But worse (for a self avowed techno-idiot) is the world she discovers. Like Alice tumbling down the rabbit-hole, she lands in a foreign and strange place called "Online Dating." Anonymity and superficiality rule, and normal patterns of human behavior and traditional social mores seem not to apply. Before realizing it, she, too, falls victim to the mindset, abandoning her common sense, sexual boundaries - and even her own compassion. Initially jamada (as she is now known by her user ID) is determined to keep to type, ala her last relationship: a 38-year-old Turkish restaurant owner who took her for a midnight swim in a Swiss lake for their first date. Indeed, her first internet experience, with a widowed Italian engineer in his late 40s, appears to perfectly fit her bill - until phone conversations reveal an extreme religious leaning. Undeterred, she moves on to a gorgeous 42-year-old Israeli lawyer who after a month disappears. Suddenly, the online store of long and dark-haired exotic men in the greater Philadelphia area runs out of stock, and jamada is reduced to boring, boorish, gross and old (as in claiming 60, but looking 70). Clearly the 37-

year-old Tunisian concierge who asked her out in a Munich hotel lobby does NOT have a slightly older brother or cousin in Philly on Match.com! Then, on the night of her dreaded 60th birthday, as she's sitting on the patio of a local Irish bar sneaking a cigarette, the cosmos delivers a birthday present she does not expect. A broad-shouldered, blond (!), short-haired (!) mechanic enters and sparks fly . . . Written as a weekly journal in an intimate girlfriend to girlfriend style, with chapter titles such as "The Penis Does the Picking," "Goldilocks vs. the Pea Princess" and "Talk Dirty to Me," I STILL WANT FIREWORKS is an hysterical and honest look at life, love and online dating from the perspective of a woman who knows she is old enough to know better. From discourses about wisdom and wrinkles, celibacy vs. settling and "want" as opposed to "need," to forays with texting and sexting strangers, to speed dating, blind dates and bar hook ups, Judith Hill holds nothing back. Fans of her humor blog, [singleat60sucks.com](#), are well acquainted with Judith's unique mix of sex and sass wrapped in wit, humor and bona fide research. While her followers call her "raw, down to earth and amazingly funny," she prefers "irreverent, relavent and bold." I STILL WANT FIREWORKS delivers on all accounts. A candid story of self discovery that will resonate with all women, but particularly with those over 40, this is a must read for any woman curious about online dating. With practical topics such as romance frauds and scams, profile hacking and the social paradoxes and ramifications of online dating, interwoven with real life encounters that are comical, provocative and even frightening, I STILL WANT FIREWORKS is the ultimate girlfriend's guide. Witty, sophisticated and sexy, here is a side of online dating the TV ads don't tell - written by a woman who will dispel every notion and preconception held about a single-at-60-year-old.
