How To Make Someone Obsessed With You - Scarlett Kennedy 2017-08-08

You've witnessed the power that obsession has over people. People will do anything for someone they are obsessed with. Fans will travel across the world to see a celebrity they are obsessed with. A person will become a slave to someone they are obsessed with. Many people are immune to subtle signs of manipulation. The only thing people are not immune to, is falling in love, and obsession. A person obsessed with you, is a person under your control. Scarlett Kennedy uncovers the real causes of obsession, how to take advantage of it, the common types of people in the world, and how you can make them obsessed with you. Because not one size fits all. Scarlett also creates personality profiles for her targets and documents what has worked and what hasn't worked. As well as the dangers of holding all the power in your hands.

Loving A Narcissist - Steven K Craig 2014-01-14
Within the throes of a madly passionate romance

is the most ghastly soul rape and mind crime conceivable. The Great American "Psychopathic" Love Story exists in a world where nothing is as real as perceived. Beneath the surface of what seems to be a fairy tale romance is the outline for what may be the perfect murder, and if you are naive enough to think it can't happen to you, you're wrong, ... dead wrong. Loving A Narcissist is the diary of a man being vicimized by a lethal narcissist, from beginning to end as it happens. Be there as he learns about narcissism and as he searches for a way to completely heal from the abuse. Many readers/victims praise this book for helping them heal as well. Steven thought he was writing about the phenomenal love he and Ashley had for each other. He didn't know that he was actually documenting the manipulation and torment experienced by the victim of a highly skilled emotional vampire. An endearing love story that is insanity in the raw, and just when you think it is all over, it begins again before leading to a shocking ending that will not soon be forgotten. Read this before purchasing this book: Many victims of narcissistic abuse buy books on the subject just to make them feel better by reading about what evil monsters the narcissists are. Granted, they have suffered tremendously, but this type of victim wallows in misery and are not able to heal or move beyond the abuse. If you are looking for a book that just repeats what hundreds of others already outline, then this book is not for you. This book is a memoir from the perspective of the victim as the mental and emotional abuse is taking place. It portrays the confusion that comes from abrupt abandonment and ostracization by a loved one. Through the victim's eyes, you will experience what it is to be "Gaslighted" by a narcissist, which is, idealization, discard, and devalue. When a narcissist is victimizing a person, the abused becomes someone they are not, and behave in ways out of the norm. Where some may view the behavior as childish or immature, it is actually a person fighting to hang onto his or her sanity. This is "Loving a Narcissist." "Dynamic person stylized writing. Brilliant! A death to birth with a delivery that is painful as bloody hell." - Becky Joyce Reed (Author of Life in the Aftermath of a Narcissist) "Thank you Steven from the bottom of my heart. I was completely destroyed by my

relationship with a Narcissist. Your book was the turning point for me and saved my life." -Debbie Perez "Congratulations on writing a wonderful and powerful book. Yours is a very important story to tell - because it's from a man's viewpoint (not a perspective we hear from enough)." - Leslie Morgan Steiner (Author of the New York Times best selling memoir "Crazy Love") This book saved my life. - Debby Perez Everyone should read this. These psychopaths are multiplying like crazy and we need to know how to identify them for our own sakes and for the sake of society. This is one story out of too many that can teach us what to look out for. - Linda Freeman Dear Steven, I received your book on a Friday, and could not put it down, yet at times the pain I felt for you was unbearable. I could so relate though to the pain. Steven, I just finished reading your book "Loving a Narcissist" and I wanted to tell you how moved I was by your honesty and revealing your vulnerability. Reading it, I cried for you sometimes. Thank you for telling us your story. It doesn't just happen to women. Be well and blessed ... I think you are now. - Liz Davies

For He Himself has said. "I will never leave you or forsake you." KJV "The book shows an intimacy of Amish life that is rare, a story that made me laugh out loud, shed a tear, and turn page after page.
