These Violent Delights - Chloe Gong 2020-11-17

An Instant New York Times Bestseller! A BuzzFeed Best Young Adult Book of 2020 Perfect for fans of *The Last Magician* and *Serpent & Dove*, this heart-stopping debut is an imaginative *Romeo and Juliet* retelling set in 1920s Shanghai, with rival gangs and a monster in the depths of the Huangpu River. The year is 1926, and Shanghai hums to the tune of debauchery. A blood feud between two gangs runs the streets red, leaving the city helpless in the grip of chaos. At the heart of it all is eighteen-year-old Juliette Cai, a former flapper who has returned to assume her role as the proud heir of the Scarlet Gang—a network of criminals far above the law. Their only rivals in power are the White Flowers, who have fought the Scarlets for generations. And behind every move is their heir, Roma Montagov, Juliette's first love...and first betrayal. But when gangsters on both sides show signs of instability culminating in clawing their own throats out, the people start to whisper. Of a contagion, a madness. Of a monster in the shadows. As the deaths stack up, Juliette and Roma must set their guns—and grudges—aside and work together, for if they can't stop this mayhem, then there will be no city left for either to rule.

Secrets of Seduction: The Powerful Influence of Behavioral Psychology Applied to Seduction and Persuasion - Paulo Roberto de Sá Araújo 2021-10-02

Recent surveys reveal that about 84% of men feel insecure in flirting situations: whether due to lack of courage, fear of judgment, feeling intimidated by the beauty of women, not knowing what to say or even because of an ingrained shyness. This is because these men do not understand the psychological aspects and mental triggers that are behind any human interaction. In my teens, I was very shy and embarrassed to talk to women who piqued my interest, until I discovered that seduction and conquest skills could be learned and I could really become a skilled seducer if I learned the right techniques. After studying

human behavior a lot and even graduating from courses on influence and persuasion, I became an expert in communication and finally understood how some men conquer women so easily, as if they were true magnets and attracted them to themselves with very little effort. Thinking about helping other men to overcome these difficulties I wrote the book "Secrets of Seduction", where I teach all the powerful techniques of influence, persuasion, NLP and seduction that really changed my life. I literally reveal all the secrets you've never been told about relating to women. In it, I teach practical strategies from basic to advanced to overcome any mental block, gain self-confidence, interpret signals of interest and, just by looking, know exactly who are the women who are interested in you. I also approach the best communication techniques with an almost hypnotic power to create connections, which helped me not only in the seduction aspect but also in several areas of my life. I hope this book adds the same value to you as it did to me.

Exposing these global profiteers, Naomi Klein discovered information and connections that shocked even her about how comprehensively the shock doctors' beliefs now dominate our world - and how this domination has been achieved. Raking in billions out of the tsunami, plundering Russia, exploiting Iraq - this is the chilling tale of how a few are making a killing while more are getting killed. 'Packed with thinking dynamite ... a book to be read everywhere' John Berger 'If you only read one non-fiction book this year, make it this one' Metro Books of the Year 'There are a few books that really help us understand the present. The Shock Doctrine is one of those books' John Gray, Guardian 'A brilliant book written with a perfectly distilled anger, channelled through hard fact. She has indeed surpassed No Logo' Independent
