One Heart to Win - Johanna Lindsey

2013-06-11

In her fiftieth novel, New York Times bestselling author Johanna Lindsey takes her readers on a sensual, romantic adventure through the American West. Some young ladies marry for money and social standing, a few lucky ones marry for love—but Tiffany Warren is marrying to end a feud. Honoring her mother's promise, Tiffany reluctantly travels west to meet her estranged father and his enemy's eldest son, rancher Hunter Callahan. Once the Warrens and the Callahans are united by marriage, both clans will stop squabbling over a disputed strip of land. In the chaos of a train robbery Tiffany seizes a golden opportunity: By assuming the identity of her father's new housekeeper she can live with the father she never knew and assess his true character, as well as that of the

neighboring cowboy to whom she is betrothed. But, too late, Tiffany discovers that the rivalry between the Warrens and the Callahans has escalated when the Callahans steal the Warrens' housekeeper as soon as she steps off the train! Now, Tiffany, who is pretending to be Jennifer Fleming, finds herself living in the enemy camp, under the same roof as her fiancé. All too soon she learns her intended is a handsome, sweet talking charmer whom she has to fight off because he can't keep his eyes—or his hands—off Jennifer. After Tiffany's charade is exposed she refuses to marry Hunter to end the feud. As Hunter goes about claiming his rightful bride-to-be, he knows that although he loves two women—proper, elegant Tiffany as well as spunky, passionate Jennifer—he has only one heart to win.

How to Attract Women If You're Not That Attractive - Enrique Voltaire 2017-04-13

What is the Best Way to Approach an Attractive Lady? How do you get her attention? What should you say? How do you ask for her phone number? Some guys are so good-looking that girls naturally flock to them. Other guys, who are not as genetically blessed, have to use courage, humor, intelligence, psychology, and resiliency to attract beautiful women. How to Attract Women if You're Not That Attractive answers everything you need to know about attracting women if you do not look like Prince Charming.

To Win Her Heart - Karen Witemeyer 2011
After completing his sentence for the unintentional crime that derailed his youthful plans for fame and fortune, Levi Grant looks to start over in the town of Spencer, Texas. Spencer needs a blacksmith, a trade Levi

learned at his father's knee, and he needs a place where no one knows his past. Eden Spencer has sworn off men, choosing instead to devote her time to the lending library she runs in the town her father founded. When a mountain-sized stranger walks through her door and asks to borrow a book, she's reluctant to trust him. Yet as the mysteries of the town's new blacksmith unfold, Eden discovers hidden depths in him that tempt her heart. Eden believes she's finally found a man of honor and integrity. But when the truth about Levi's prodigal past comes to light, can this tarnished hero find a way to win back the librarian's affections?

Married Roommates - Talia Wagner

2019-04-19

Are You Married but Living Like Roommates? Do you sleep back-to-back or even separately? Do you feel lonely, bored, and sexually frustrated in your marriage? Have you, in fact, become just roommates? Millions of couples live empty parallel lives and wonder, "Is this all there is?" Talia and Allen Wagner, marriage and family therapists, have illuminated this sadly familiar, silent epidemic of Married Roommates. They give couples a new way to bring back the spark in their marriage with tools and strategies to learn how to talk to and with your spouse, not to mention how to get away from the tit for tats and the constant feeling of walking and talking on eggshells. This book helps you reclaim your

marriage by learning how to: - Communicate effectively without assumptions and misinterpretations - Resolve conflict by avoiding fighting or escalation - Maintain attraction, intimacy, and sex - Prioritize one another and work as a team - Gain the tools to stop the fighting, disrespect, jabs, and low blows - Create new routines and reinvigorate the stale parts of your relationship

Ever wondered what is the first message you should send a woman? How to ask a girl out over text? How to text a girl you haven't talked to in a while? If so, this book is for you! This book is a guide for men in leading them to be quite successful in the way they deal with texting as a platform for reaching out to women. A lot of men struggle with the process of texting a woman and do not convey the right message to the girl for her to be intrigued. The book recognizes the fact that seduction is an art that has got to be learned and takes some practicing. To build confidence and understand the thought patterns of a woman requires some learning and training. This is what informs the idea behind putting this work together. The book is needed by a lot of men who just will not know how to start a conversation with women. If they do start conversations, they do not know how to steer the

course of the conversation in order to come out quite impressive in the girl. This book comes to show that section is something that any man can achieve if a man can just acquire the right mindset and understand how to present their personality to the woman. It could be that some men do not understand how women think and how they react to certain messages. This book helps men peer into the world of being a woman to know how they can be evoked to gain attraction towards a man. You will no longer have to fear about what the girl will say or will react when you say something to her. You already can predict her reaction when you tell her this or that. You will, therefore, be more composed as you will not have a lot of shocks from the girls as before. You have been wondering why you get a lot of rejections. It has gotten frustrating for you as a girl will not respond to your text. Sometimes, you meet a girl and she is excited but she simply quickly seems interested when it comes to the time when you

follow up to the text. It is time you also find the explanation for that. The book discusses the mindset that can make a man successful with socialization. You will learn how to be socially intelligent in order to be perceptive about how a woman wants you to say to her in order to make her tick. The book also discusses the strategies of using small talk. It guides you on how to transition small talk into a deeper engagement and a catching conversation. Here, you will learn how your approach has been making you fail. This is through discussing the direct and indirect approach to text. There is a section dedicated to texting women online which is quite a common phenomenon today. Various texting cases are also discussed and a guide on how to get a woman out on a date is elaborated with text examples. From this book, you have to learn what has been holding you back in terms of how you text girls. You have to learn the way to ensure that you demonstrate perceptiveness. Read the book with an awareness of the

type of woman who is right for him. Because there are so many women in the world today, finding the ideal one is the best way to achieve your goals and objectives. This book discusses how to find the kind of woman you want, what women want in a partner, and what men should do to prepare for relationships with women. It

provides a fundamental road map for becoming a more powerful version of yourself as a man. If you're having trouble winning her heart and making her feel so grateful for you that letting you go would make her feel bad about herself, this book is a hidden gem that you don't want to miss.
