Moving Into My Ex's House

Book 1 and 2 - AREYAYSII

2020-09-01

Just when nothing was going her way, Georgina gets a blast from the past. She's homeless, cash-strapped, and helpless when her ex-boyfriend, Dwight, unexpectedly offers to let her live in his house, even after the unpleasant circumstances that once broke them apart. She knows for sure that this should have been a temporary setup, but she suddenly finds herself agreeing to marry Dwight and move into his mother's house a year later. And she realizes that that one moment of weakness has finally brought her a lifetime of happiness with

the man she loves—and misery with a monstrous mother-in-law.

*Breakup Remedy* - Matthew Coast 2020-08-16

If you're tired of feeling sad, angry, or depressed after a breakup... And getting over a breakup is something that you're looking to do as soon as possible... This book is for you. Here's what you'll discover inside of *The Breakup Remedy*... A four step process that will allow you to quickly feel more alive and start enjoying your life again. The biggest factor that prevents you from healing and keeps you stuck in misery, depression and despair (and how to get

away from it). How to instantly make yourself feel better (you can do this anytime, anywhere). 2 keys to building your confidence and self-esteem so that you can recover faster and move on with your life and get over your ex. The number 1 thing you absolutely MUST do if you want to let go of your anger and take control of your emotions (if you don't do this, you could draw out the misery for months or even years). A method to break free from your mind's emotional ties to your ex almost immediately. How to release any sadness, anger, frustration, or other emotions that are keeping you stuck and preventing you from moving on with your life. And much, much more... If you're feeling any of these symptoms, this is for you... You feel powerless, hopefulness, and helpless around dating and relationships. You don't think that you can really have what you want or that a great relationship isn't meant for you. You're depressed because you feel like you're not good enough, either for a man who

really loves and cherishes you or for a healthy relationship filled with excitement, love, and passion. You feel like you're a failure, a mess up, someone who screwed up something good and you may even feel like you're being punished for that. You're bitter and jaded and believe that all (or most) men are the same. You're holding onto resentment or anger towards your ex, men, or relationships in general. You're afraid of getting into a real relationship because you don't want to be hurt again. So you settle for wanting a hookup type of situation with a man because you miss the connection but you're scared of true intimacy again... or you just avoid dating and relationships altogether. Get the book and get through your breakup today!

as innocent bystanders. A renegade North Korean general is behind the violence and, with a political firestorm unleashed on Washington, D.C., Jake Scott is ordered by the president to infiltrate a secret island meeting of the North Korean rulers. Even with his best crew aboard the Reno, Scott is up against a monstrous enemy armed with hair-raising technology: miniaturized nukes stowed on board the Sang-o, or Red Shark -- a sub which handily dodges conventional sonar and satellite detection. The clock is ticking as Scott makes a chilling discovery -- the weapons are poised and ready to bring down Korea's most despised foe: the U.S.A....

Adam Masterson paid a steep price for doing the right thing, but it might be more than worth it if he can get through tough cop Les Stanton—and if they can survive one man's plans for vengeance. All Adam Masterson tried to do was the right thing—stop a psychotic man from hurting anyone else. While he may have succeeded, he also put himself in the crosshairs of the man's wealthy father, and Adam soon finds himself battered, homeless and unemployed. When his mother is also evicted from her home, Adam packs up his car and takes Charlene, his mother, with him as he heads to Texas to plead for help from someone he isn't sure will help. When officer Les Stanton pulls over the beater car with Montana plates, he already knows who is in the vehicle. His friend Josh has been complaining about his partner, Nick, helping out the too-attractive blond from Montana. Les soon finds himself irresistibly drawn to Adam. Even his fear of Charlene can't keep him away. Now, if he can just let go of the

**The Hookup Handbook** - Jessica Rozler 2010-06-15  
Dating is a thing of the past, gone the way of dinosaurs and stirrup pants. It's extinct. Kaput. Over. It's given way to two mighty opponents: In one corner, wearing matching sweats and cuddling up to DVDs every Friday night, we have the Serious Couple. In the other corner, armed with open bar tabs and clad in his-and-hers Seven jeans, the Hookup. By the looks of things, for the millions of people who bravely head out each night in search of this wily conquest, the Hookup is the new heavyweight champion -- and hooking up is here to stay. In *The Hookup Handbook*, Andrea Lavinthal and Jessica Rozler have braved the hookup trenches to bring you the

essential guide to the new, nondating game -- from the players and locations to the long walk of shame home.

**Obsessed With My Ex's Dad** - S.E. Law

Tess: My shotgun marriage was over and done with in the blink of an eye. It's kind of embarrassing, but Rolly and I were never really a \*thing\* even though he put a ring on my finger. Yet the craziest part of this is that I'm still visiting my ex's dad in prison after the divorce ... while putting the "conjugal" in "conjugal visit." Is that bad? But I can't help it because the older man is dark, demanding, and dangerous ... with a massive tool that has me completely obsessed. Roland: Tess is young and innocent, and the other prisoners literally drool when they see the curvy girl arrive for our "family reunifications." But does that stop me? Hell no. I'm a ruthless m\*therf\*cker making the bed springs squeak as I instruct the innocent young girl on the intricacies of being a woman ... and I don't care how wrong it is because I'm already

behind bars! Holy smokes, call the fire department! Actually, call the NYPD, the Coast Guard, and the Air Force too while you're at it because this story is beyond the pale when it comes to taboo. After all, Tess and Roland are pulling out the stops, and they're not going to let something so inconvenient as a prison term get in their way. Let's just hope that the guards are ready for action because our couple is raunchy, inventive, and utterly uncompromising in a deliciously dirty way! This is a follow-up to My Not-So-Innocent Babysitter where the heat is dialed up to SCALDING. However, be forewarned because there are questionable scenes inside, so do not purchase if you're faint of heart.

*The Hook Up Handbook* -

Andrea Lavinthal 2005

Let's face it - dating has

changed. Rare is the romantic and handsome lover waiting to whisk you away for a lifetime of smug coupledness. More likely is that guy you get down with every now and then. It's not a one-night stand and it's not dating - it's a hookup. THE HOOKUP HANDBOOK includes essential tips: how to recognise the players (Mr December, the older man; Oops I Did it Again, the ex-boyfriend); how to deal with the next morning (The Walk of Shame Rears its Uncombed Head); hookup lingo (Beer Google - drunkenly typing his name into every Web search engine). Quizzes: Is he crazy in love or just crazy as hell? Is he hetero, metro, or gay? And advice: 3 Hookups Do Not a Boyfriend Make; When Some Stupid Boy Leaves You Remember That One Day He'll Be Sporting a Comb-over and Nose Hair. There is a chapter on 'Where the Boys Are' - likely hangouts to find hookups - such as invite-only functions (pickup line 'Are you friends with the bride or groom?'); first year at college ('What floor do you live on?'); destination

getaways ('I can show you the stuff they don't print in brochures'). Also great tips on how to ready your flat for a hookup - what to stash away (facial hair bleach, granny panties) and what to proudly display (Sopranos DVDs, a pair of stilettos). Part satire and part field guide, THE HOOKUP HANDBOOK gives readers the lowdown on getting down.
