Sexual Decisions - L. Kris Gowen 2017-03-06

When it comes to sex and relationships, it is often difficult to find reliable information. Yet everyone has questions and needs information on these important topics. Young people should have access to facts in order to make their own decisions about their sexuality and sexual health. In this significantly revised edition of *Sexual Decisions: The Ultimate Teen Guide*, L. Kris Gowen discusses the choices teens can make regarding sexual activity—from practicing safe sex to abstaining—and how to decide what is right for each individual. Many factors are at work in the decision-making process, but this book helps readers make a decision based on both logic and practicality. Updated topics covered in this book include an overview of human anatomy abstinence vs. safe sex STDs contraceptives communicating with one's partner intimate partner violence sexual orientation and gender identity social media and sex For teens seeking answers for themselves, this book is a vital resource that includes an additional section for further research. Written without judgment, *Sexual Decisions* empowers teens to take charge of their bodies, their

identities, and their lives.

The Happiness Planner (June-July) - Mo Seetubtim 2016-03-01

Unfriending My Ex - Kim Stolz 2015-01-06

The author presents a humorous look at her obsession with the Internet and her cellular phone, arguing that her dependence is a sign of how social media has made it difficult for her and her peers to have meaningful connections to others.

How to Survive Having a Crush - Lisa Miles 2013-07-15

Every teen girl comes to a point in her life where she begins to develop crushes. And that's the easy part. This quirky, colorful, informative, and fun guide on navigating the sometimes tricky situation of dealing with crushes is a must read for every teen girl. The engaging photos and sparkling humor make this volume stand out among similar guides, covering "what to do when it works out," "what do to when it doesn't," and everything in between. It also includes some first-person quotes from real teenage girls and sidebars that address various situations.

Get the Guy - Matthew Hussey 2013-01-31

Written by the hottest dating coach on the scene, Matthew Hussey, this book offers clear, honest and practical advice for women on how to find their ideal man - and, importantly, how to keep him. Using simple steps, Matthew guides us through the complex maze of dating and shows us just how to find the guy, get the guy and keep the guy. In *Get the Guy*, Matthew shares his dating secrets and provides women with the toolkit they need to approach men, and to create and maintain relationships. Along the way, he explodes some commonly held myths about what it is that guys really want, shares strategies on how women can take control of their dating destinies and empowers them to go out there and find an exhilarating, adventurous love life.

Unprotected - Miriam Grossman 2007-08-28

Our campuses are steeped in political

correctness—that's hardly news to anyone. But no one realizes that radical social agendas have also taken over campus health and counseling centers, with dire consequences. Psychiatrist Miriam Grossman knows this better than anyone. She has treated more than 2,000 students at one of America's most prestigious universities, and she's seen how the anything-goes, women-are-just-like-men, "safer-sex" agenda is actually making our sons and daughters sick. Dr. Grossman takes issue with the experts who suggest that students problems can be solved with free condoms and Zolof. What campus counselors and health providers must do, she argues, is tell uncomfortable, politically incorrect truths, especially to young patients in their most vulnerable and confused moments. Instead of platitudes and misinformation, it's time to offer them real protection.

Diamond - Jessie Keane 2022-02-03

*** THE SUNDAY TIMES TOP TEN

BESTSELLER *** 'A brilliant historical crime read' Bella 'This thrilling and twisty crime novel is perfect for fans of Martina Cole' My Weekly 'A rollercoaster of crime, revenge and murder' The Sun BEHIND EVERY STRONG WOMAN IS AN EPIC STORY... In the early years of the last century, a desperate young girl changes her name and flees the confines of her brutal, dominating gangland family in London. Now calling herself 'Diamond Dupree', she goes to Paris to become an artist's model but the world there is different to what she had supposed it would be and she soon falls on hard times. When she manages to escape at the end of the First World War, she leaves behind her a mystery - and a dead man. Back home in London, she reluctantly re-joins the Soho family 'firm' she'd once been glad to leave behind. Having grown tougher during her time in Paris, she soon becomes a force to be reckoned with, a feared and respected gangland queen. But then she meets Richard Beaumont, the youngest son of a wealthy aristocratic family, and sparks fly. But can she escape the long arm of the law and the hangman's noose, when the crimes of her past finally catch up with her? For fans of Martina Cole and Kimberley Chambers, as well as viewers of Peaky Blinders, this is historical crime fiction at its most compelling. 'No one

dives into the underworld like Keane!' Woman's Weekly 'A gritty and enlightening read' Yours 'Authentically gritty' Crime Monthly *Online Social Networking on Campus* - Ana M. Martínez-Alemán 2008-02

In the era of such online spaces as Facebook, Instant Messenger, Live Journal, Blogger, Web Shots, and campus blogs, college students are using these resources and other online sites as a social medium. Inevitably, this medium presents students with ethical decisions about social propriety, self disclosure and acceptable behaviour. Because online social networking sites have proven problematic for college students and for college administrators, this book aims to offer professional guidance to Higher Education administrators and policy makers. *Online Social Networking on Campus: Understanding what matters in student culture* is a professional guide for Higher Education faculty and Student Affairs administrators, which rigorously examines college students' use of online social networking sites and how they use these to develop relationships both on and off campus. Most importantly, *Online Social Networking on Campus* investigates how college students use online sites to explore and make sense of their identities. Providing information taken from interviews, surveys and focus group data, the book presents an ethnographic view of social networking that will help Student Affairs administrators, Information Technology administrators, and faculty better understand and provide guidance to the "neomillennials" on their campuses.

He Texted - Carrie Henderson-McDermott 2014-04-10

A modern, practical and entertaining dating guide for the digital world we live in. You're a busy, intelligent, modern woman. You stay on top of work e-mail. You "like" all the baby photos your sister posts on Facebook. You found your dream job through LinkedIn. But when your crush texts you "How's it going?" every few days, yet never asks you out, what the hell does that mean? These days, dating is more confusing than ever. Friending? Following? Liking? Poking? Linking? LOLing? WTF? In an era when FaceTime is no longer the same as face-to-face, it's no wonder you can't tell if he's into you or just really into his iPhone. This hilarious and

Man vs Maths - Timothy Revell 2016-09-15
Could we solve queuing with an equation? How do algorithms control our news? What is the secret behind encryption codes? Mathematics is inescapable. Wherever you go, whatever you do, however you live your life, mathematics plays a role. From controlling a city's traffic to finding love, spending money online to building a skyscraper, the mathematics at play in our world is fascinating. Yet despite its ubiquity, for many of us, how the maths of today really works remains complex. Timothy Revell distils these complexities in this essential guide to modern-day mathematics. Along the way we discover how social media trends work, why the universe has a favourite number and what this means for you. Man vs Maths shows you how understanding a little more mathematics can

help improve your life.

Boyology - Sarah O'Leary Burningham
2012-01-20

A crash course in understanding boys, Boyology delves into the many mysteries of teen guys, dissecting flirting tactics, offering dating suggestions, and providing tips on forming solid friendships. It's an up-close-and-personal look at boys in their natural habitats, with analyses by teen girls—and insight from the boys.

Tell Me Again How A Crush Should Feel - Sara Farizan 2014-10-07

With the heart of Judy Blume and wit of Alison Bechdel, Sara Farizan brings the authenticity and humour that distinguished her debut novel, *If You Could Be Mine*, to her second work of fiction for teens. Leila has made it most of the way through high school without having a crush on anyone, which comes as something of a relief. Her Persian heritage makes her different enough; if word got out that Leila liked girls, life would be twice as hard. And what would her parents think? It's bad enough she's not even going to become a doctor. But when a sophisticated, beautiful new girl, Saskia, shows up, Leila starts to take risks she never dreamed of, especially when it looks as if the attraction between them is mutual. Struggling to sort out her growing feelings and Saskia's confusing signals, Leila confides in her old friend, Lisa, and grows closer to Tomas, whose comments about his own sexuality are frank, funny, wise and sometimes painful. Gradually, Leila begins to see that almost all of her classmates are more complicated than they first appear to be, and many are keeping fascinating secrets of their own.

Android Apps for the Drunk - Harold N. Malt
2012-08-10

As alcohol connoisseurs and Android aficionados both, we felt the world was long overdue for a book targeted at what we know to be a large and growing market: people with smartphones who like to get blitzed. The collection of apps we've compiled is a testament to drunken debauchery in the age of smartphones and tablet computers, for despite the introduction of these world-changing devices into our lives, the requisites of the boozers among us have changed little. Song, sport, and passionate expression have long been keystones of the mind of the drunken reveler, and we're confident that our ebook contains apps that would excite Dionysians of the past just as much as it will delight today's intoxicated Android users. This book contains real stories, real jokes, and real profanity - so don't buy it if you can't handle it.

We Should Get Together - Kat Velloso
2020-01-04

We Should Get Together is the handbook for anyone who's ready for better friendships, now.

Have you recently moved to a new city and are struggling to make friends? Do you find yourself constantly making plans with friends that fall through? Are you more likely to see your friends' social media posts than their faces? You aren't alone. Millions of adults struggle with an uncomfortable and persistent ache: platonic longing, which is the unfulfilled wish for authentic, resilient, close friendships. But it doesn't have to be this way. Making and maintaining friendships during adulthood can be hard--or, with a bit of intention and creativity, joyful. Author Kat Velloso, experience designer and founder of Better Than Small Talk, tackles the four most common challenges of adult friendship: constant relocation, full schedules, the demands of partnership and family, and our culture's declining capacity for compassion and intimacy in the age of social media. Combining expert research and personal stories pulled from conversations with hundreds of adults, *We Should Get Together* is the modern handbook for making and maintaining stronger friendships. With this book you will learn to: Make and maintain friendships when you (or your friends) keep moving Have deeper and more meaningful conversations Triumph over awkwardness in social situations Become less dependent on your phone Identify and prioritize quality connections Find time for friendship despite your busy calendar Create closer, more durable friendships Full of relatable stories, practical tips, 60 charming illustrations, 55 suggested activities, a book club discussion guide, and 300+ conversation starters, *We Should Get Together* is the perfect book for anyone who wants to have dedicated, life-enriching friends, and who wants to be that kind of friend, too.
