**Comanche Cowboy** - Georgina  
Gentry 2014-05-16

"Georgina Gentry brings the West to life and gives her fans hours of true reading pleasure" (Romantic Times.) Now, she enchants us once again with

the story of a desperate woman who must make the agonizing choice of saving her father—or the man she loves. . .

COMANCHE COWBOY After some lowdown outlaws had holed up at her father's Texas ranch, Cayenne McBride knew that big, fearless half-breed Maverick Durango would be the perfect guide to lead her back home. And when he demanded that she give up her innocence in exchange for his protection, the lovely Lone Star beauty agreed, convinced she could keep her virtue intact. . . until she fell in love with him. Onyx-haired Maverick Durango could've whooped with joy when he discovered that the spirited, sexy gal who had hired him was his old enemy's daughter. First he would seduce Cayenne, then do in her father to complete his revenge.

But Maverick never figured that before they reached their destination he'd become obsessed with the feisty redhead. Now all he craved were Cayenne's lips, Cayenne's laugh. . . and most of all, Cayenne's love. . . "Gentry's best book yet!" —Janelle Taylor on CHEYENNE SONG

The Dating Blueprint - Jason Evert 2019-10-11

Women don't feel comfortable telling a man what they wish he knew about dating. He's expected to know it. Unfortunately, the only time men receive specific guidelines is when they're being told what they're notsupposed to do. As a result, very few know what they are supposed to do! What men want is a clear blueprint. Imagine how much simpler dating would be if women could just speak their minds! Therefore, Jason Evert surveyed more than a thousand women and asked them questions such as: · How would you want a man to ask you out? · How do you not want to be asked on a date? This book reveals their surprising

answers, plus: · How to know if she's the right one · Where women don't want to go on a first date · What word they want a man to say when he asks · When, where, and how he should ask · What she hopes the date will include · How a man can save his marriage before he's married Dating doesn't need to become a relic of the past. It needs to be revived. For this to happen, men need to put down their screens, look a woman in the eye, and ask her on a date. The Dating Blueprint explains how.

*Confessions of a Happily Married Man* - Joshua L. Rogers 2019-12-17

Discover God in the messiness of your marriage, as popular marriage and family columnist Joshua Rogers offers spouses hope with real-life stories from his own marriage and helps you see how God is at work in the ordinary and extraordinary of your relationship.

*Confessions of a Happily Married Man* is a husband's painfully honest account of his first ten years of marriage. It offers a window into the perspective of a man who went from "hello" to "I do" in nine months and then figured out how hard marriage could be. When Joshua Rogers thought back on the marriage books he had read or sermons about

marriage he had heard, it occurred to him that he could only remember one thing about them: the stories. That's why this book is anchored by stories that other couples will relate to and can easily learn from. The stories are cringe-worthy, humorous, inspiring, heart-breaking, and full of wisdom--but the author isn't telling the reader what to do with that wisdom. He's letting the reader learn along with him as he's gradually becoming more self-aware, increasingly grateful for his wife, and surprised to discover what God is doing in the middle of it all.

Navigating Women's Friendships in American Literature and Culture - Kristi Branham 2022-11-10

This volume presents a collection of critical essays that center women's friendship in women's literary and artistic production. Analyzing cultural portrayals of women's friendships in fiction, letters, and film, these essays collectively suggest new models of literary interpretation that do not prioritize heterosexual romance. Instead, this book represents friendships as mature and meaningful relationships that contribute to identity formation and political coalition. Both the supportive and competitive aspects of friendships are shown to be crucial to women's identities as individuals, political citizens, and artists. Addressing the

### **From A Kid To A King -**

Edward L. Butler 2023-03-10

From A Kid To A King:

Learning How To Transition

From Immaturity To Maturity

By: Edward L. Butler About the

Book There comes a time in a

man's life where he has to

grow up. Grow up? Yes, grow

up! All because a man looks

like one doesn't mean that he

is. Most men believe that once

they see certain attributes of

manhood; they are the men

they need to be. See, there is

more to being a man than by

appearance alone. Becoming a

man has little to do with the

outward appearance of age and

looks, but has everything to do

with maturing the inner man.

As men, it is very vital to understand the mindset. It takes guts-a lot of guts to perform certain duties in becoming a man. In this book, you learn to unlearn immature habits, revamp your thinking, capture your identity, and get clarity on what a king's role is and how to act in it. It's an evaluation, which means to rectify your flaws! Once a man understands his flaws, he is able to understand what is needed to discipline himself to be less flawed. The more a man works on himself, the more disciplined he becomes to be wise, and the less he will deal with fools who are unequally yoked with mature wisdom. A self-check of oneself is an up on many men who decline on a self-evaluation. You see things other men can't see, and you understand things that other men misunderstand. Keep this as a mindset... "Feelings aren't serious friends! They lie, procrastinate and are very indecisive." Lean not on your feelings when engaging this book. But put forth the actions needed to transition into a

Married Roommates - Talia

Wagner 2019-04-19

Are You Married but Living

Like Roommates? Do you sleep

back-to-back or even

separately? Do you feel lonely,

bored, and sexually frustrated

in your marriage? Have you, in

fact, become just roommates?

Millions of couples live empty

parallel lives and wonder, "Is

this all there is?" Talia and

Allen Wagner, marriage and

family therapists, have

illuminated this sadly familiar,

silent epidemic of Married

Roommates. They give couples

a new way to bring back the

spark in their marriage with

tools and strategies to learn

how to talk to and with your

spouse, not to mention how to

get away from the tit for tats

and the constant feeling of

walking and talking on

eggshells. This book helps you

reclaim your marriage by

learning how to: -

Communicate effectively

without assumptions and

misinterpretations - Resolve

conflict by avoiding fighting or

escalation - Maintain

attraction, intimacy, and sex -

Prioritize one another and

work as a team - Gain the tools

to stop the fighting, disrespect,

jabs, and low blows - Create

new routines and reinvigorate

the stale parts of your

relationship

If people think that the

meteoric rise of China during

the last 40 years is amazing,

think again. Early in the

twentieth century, a handful of

young people totally changed

the most populous nation on

Earth in as little as 30 years,

and that sweeping

transformation still dominates

of a rare combination of commanding knowledge and piercing observations, Tania in China is an epic saga which unfolds that momentous story from inside out with matching audacity, insight and lucidity. It centres on Tania, the dedicated Russian heroine, whose adventures in love, marriage, family life and female friendship have been intertwined with a torrent of ferocious events in her adopted country for half a century. Following her odyssey into China's tumultuous society, intricate politics, enchanting culture and rich folklore, readers will witness how a radical ideology is turning China completely upside down in the most intimate and incisive fashion that few existing books have been able

to show, fictional or otherwise.
