Anthem: The Complete Series Kristina Knight 2018-01-05 This

boxed set contains the complete Anthem Trilogy: Light My Fire, Start Me Up, and Call Me. All three books can stand alone, but read together, you get all the details about life behind the microphone! Light My Fire: Lily MacIntyre's life is offtrack, and she knows exactly how to right it: shed her America's sweetheart image in a big way. Getting down and dirty in a limo with rocker Nate Lansford seems like the perfect solution. Plus, she's had a mad crush on him practically since birth. The only problem? Nate is her brother's best friend ... and he doesn't see her as anything other than a surrogate little sister. Start Me Up: Matchmaker Nina Wright might work in LA but she keeps Hollywood types off her client list. She doesn't need their drama and she doesn't like the way so many of them exchange lovers like last year's accessories. But she needs one happy, high-profile client to get her business off the tabloid pages and back on solid ground. Hollywood hottie Chase MacIntyre wants the gossip surrounding his latest fling to stop and he knows exactly how to do it: show up on his next red carpet with a new woman and once he meets Nina Wright he knows she is the woman to stop the presses. The problem? Once they're under cover, this business-only agreement is definitely too hot to handle ... Call Me: Katrina Phillips is itchy. The job that has always challenged her seems stifling, her friends are all pairing off and she's been without male companionship for

seven long months. Josh Hanna is paying off a debt: fly to LA, play backup for the house band during the season finale of Star Power and then back to his boring - and sober - life in San Francisco. But five years hasn't been long enough to douse the flames between them, and its hard to remember why things went so badly in the first place...

39 Ways Women Drive Men Away John Livingstone 2017-02-17

Your goal is to find Love and Romance, Passion and Playfulness. In the eyes of many men, women make 39 key mistakes that drive men away. You will discover what make a woman attractive from a unique perspective - a male perspective. Many women, especially those with any feminist beliefs, may find this book to have some chauvinistic thinking. In fact, the author believes feminism is best defined as freedom of thought and freedom of action for a woman. This freedom includes being feminine with all the charms and grace that one desires. Single women, and those in relationships that lack love will learn how being a decent, considerate human being towards a man, can lead to that wonderful feeling of loving and being loved. This is not a fanciful, blue-sky and sunshine book with musings about feelings, mindfulness, self-realization, and manipulative techniques, but rather a practical guide to a successful and loving relationship with a man.

*How to Beat A Woman at Her Own Games* Ralph Hemphill

2020-09-01 In today's world, much unlike the world of long ago, before the 1980s--where women probably and seemingly didn't play as many games and didn't scheme as much as the women of today--one can clearly see, witness, and attest to the ever-present and overwhelming amount of game playing and scheming ways of most of the females we know, know of, see, and interact with on a day-to-day basis. Most every man, at one point or some point in his life, has fallen victim to a game or scheme of a female whom he has either tried to get with or hook up with, and many guys get hit with games and schemes even with those that they are married to or in relationships with. Practically no man is exempt. We all at some point will find ourselves faced with a woman whose sole purpose is to either go for what's in our pockets or bank accounts, or to try to get us to do something for them for free or to get us to buy them stuff without them appreciating it and then turning around and buying us stuff too as well. That's a big part of the world we live in as far as men interacting with women, and the sole purpose of this book is to at least get guys to recognize when they are being played and to not fall for the simple games that women play twenty-four hours a day.

He lost his parents at age 15 and was under the guardianship of an uncle who sat Rick up really well financially on his 21st birthday. Rick also took flying lessons his senior year in high school and obtained his pilot's license by the time he graduated. During his college years he studied the stock market and became a successful investor. One of his electives in college was a music appreciation class and he fell in love with classical music. He enjoyed live concerts and stage plays, especially musicals. It was at a classical music concert that he saw Patricia Henderson. Rick and Patricia met in a most unique way. From the time they first met they wanted to see more of each other and began dating. It is interesting how they overcame Patricia's handicap and amazing how they dealt with it. The novel describes their courtship, their ups and downs, and the thrilling sub-plots along the way, leading up to the dramatic climax of the story.

**The Once in a Lifetime** Sharyl Lidzhan 2022-06-12 The Once In A Lifetime tells a non-linear story of two perennially single characters, Alex and Carol, living parallel lives, and looking for love. Set in Singapore, Bangkok, Thailand and Perth, Australia, both characters navigate the arduous dating world, often with hilarious, lewd and downright filthy encounters. Alex is still hurting after being ghosted by the love of his life, a Ukrainian prostitute he met online, Lyna. Lyna whose mum has taken ill in Lviv, goes home to care for her and disappears from his life. Meanwhile Carol, charges through the dreary bleak dating landscape and tries to find him in the most unusual and sometimes, hopeless of places. She ends up attracting strangely controlling characters - office executives with mommy issues, a personal trainer with a micro penis and a gym rat who loses control too easily.
