you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's SignMates. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of

unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship. *The View Was Exhausting* - Mikaella Clements

**Leo's hands** - Andrea Lepri 2018-10-02

Leo is a police dog, a mongrel with a passion for Looney Tunes. He always wanted to have hands in order to manage the remote control of the TV and the refrigerator, but when his boss Steve is killed in an ambush, his desire becomes a real thing because his hands are the only means that will allow him to unveil the killer and obtain justice. From then on he will be involved in a spiral of adventures during which he will "borrow" the hands of other characters met along a tortuous journey that will bring him from time to time closer to the killer, to the finale "face to face". Leo is an atypical police dog, a mongrel with a passion for cartoons. Since he was a puppy, he always wished having hands; he believes that these will make his life easier and more enjoyable. His life flows smoothly until his partner Steve, an agent of the Task Force, is killed in an ambush by a corrupt colleague in an

abandoned shed. During the ambush, the recorder Steve had brought to unveil the killer falls into a crack in the floor. Leo knows that that object is very important, but he is unable to retrieve it because he has no hands. During Steve's funeral, Leo recognizes the killer and attacks him to kill him. The Commander of the Police Headquarters believes the dog is mad with anger and sorrow, so he sends it to the veterinarian so that he can put him down. The veterinarian, however, instead of doing his duty, sells him to a laboratory where are doing animal experimentations. There, Leo befriends with Giotto, a chimpanzee who loves to paint and knows how to gesture. The two are aware that at the end of the experiments, the laboratory director will "get rid" of all the tests. So they design and implement the escape. Leo now has the hands of his new friend to retrieve the recorder, though to win his reticence he has to tell him a little lie. After the daring escape, a good dinner and a little "binge" during which

they trust each other, the two go to the crime scene. Soon after they enter the courtyard, however, the killer also comes in the company of an accomplice: they are also looking for the recorder. The killer wounds Leo and retrieves the precious object, Giotto scares frightened. Leo manages to escape and is picked up by Italo, a lousy private investigator; while escaping by car the killer sees them and writes down the license plate number. Italo takes care of Leo, who during the convalescence attempts to blossom the love between him and Stefania, his next door neighbor, and to befriends with Barbie, her dog. Barbie first ignores him, but when Leo saves her from a Dobermann, she falls in love. Meanwhile, Leo has also to deal with Puffi, a very cunning and mischievous Persian cat. Just in the middle of a romantic dinner, a phone call makes Italo go away for a job interview and Leo goes with him. But in reality this is a trap organized by the assassin, who has messed with Italo's car brakes. The two go off a

This new situation frightens him, but after he has recovered, he immediately finds the positive side: now that he is a man, he can finally give a good lesson to Puffi, and especially he can try to unveil his enemy. But being men is not easy and Leo encounters several issues, such as the relationship with Stefania, who now finds him strange, and that with Barbie, who has recognized him and accuses him of treason. He also has to learn how to talk and wash, dress and go shopping, get money and do all that other men do. Resigned to stay forever in that situation, Leo is pondering on what to do when suddenly the ghost of Italo appears claiming his body. Leo tells him how things are and tells him about the corrupt policeman, the ambush to Steve and all the rest. Italo tells Leo that for a mistake he has ended up in the paradise of dogs in his place and describes PUBLISHER:

The young idealist Dmitry Andreich Olenin leaves Moscow, hoping to start out a replacement life within the Caucasus. Within the stanitsa, he slowly becomes enamored by the environment and despises his previous existence. He befriends the old Cossack Eroshka, who goes hunting with him and finds him an honest fellow due to his propensity to drinking. During this point, young Cossack Luka kills a Chechen who is trying to return across the river towards the village to scout the Cossacks and during this way gains much

respect. Olenin falls crazy with the maid Maryanka, who is to be wed to Luka later within the story. He tries to prevent this emotion and eventually convinces himself that he loves both Luka and Maryanka for his or her simplicity and decides that happiness can only come to a person who constantly gives to others with no thought of self-gratification. He first gives an additional horse to Luka, who accepts this yet doesn't trust Olenin on his motives. As time goes on, however, though he gains the respect of the local villagers, another Russian named Beletsky, who remains attached to the ways of Moscow, comes and partially corrupts Olenin's ideals and convinces him through his actions to aim to win Maryanka's love. Olenin approaches her several times and Luka hears about this from a Cossack, and thus doesn't invite Olenin to the betrothal party. Olenin spends the night with Eroshka but soon decides that he won't hand over on the girl and attempts to win her heart again. He eventually, during a moment of passion, asks her

to marry him, which she says she is going to answer soon. Luka, however, is severely wounded when he and a gaggle of Cossacks attend confront a gaggle of Chechens who try to attack the village, including the brother of the person he killed earlier. Though the Chechens lose after the Cossacks take a cart to dam their bullets, the brother of the slain Chechen manages to shoot Luka within the belly when he's accessible. As Luka seems to be dying and is being cared for by village people, Olenin approaches Maryanka to ask her to marry him; she angrily refuses. He realizes that "his first impression of this woman's inaccessibility had been perfectly correct." He asks his company commander to go away and join the staff. He says goodbye to Eroshka, who is that the only villager who sees him off. Eroshka is emotional towards Olenin but after Olenin flies and appears back, he sees that Eroshka has apparently already forgotten about him and has gotten back to normal life.
