Romantic Poems for Her Part 2 - 2020-06-27

How to Express your love to her even if she is away from you? Brad was a shy person and couldn't express his love to the girl of his dreams. That resulted in a lot of pain for him during his youth. As a result he was single during his teens and his twenties because lot of girls rejected him thus causing him a lot of pain. Soon he found that expressing his love through romantic poems was an easier way for him. He was able to win the love of his dream girl who is now his wife. Poetry often allows us to put our feelings to a set of words. That makes us feel better, and also helps us to show others how we feel and help them to understand us. Poetry is so important because it helps us understand and appreciate the world around us. Poetry's strength lies in its ability to shed a "sideways" light on the world, so the truth sneaks up on you. No question about it. Poetry teaches us how to live. You would love reading these Poems because: - It eases pressure on your mind - It will help you to express your emotions that are hidden within yourselves. - Poetry means finding peace, relieve yourself from the pain of bottling up your emotions - Show how much you care for her It will also help you if you: - Just had a heartbreak or - Have fallen in love recently In this book you will find Romantic poems for: 1. Your girlfriend 2. Your wife 3. Your fiancée 4. Your Valentine's day 5. Your proposal 6. SMS to her 7. Messages on greeting card 8. Missing Your love who is away from you This book is not

Romantic Love - Yolanda van Ede 2006

Men on Strike - Helen Smith 2014-12-09

American society has become anti-male. Men are sensing the backlash and are consciously and unconsciously going "on strike." They are dropping out of college, leaving the workforce and avoiding marriage and fatherhood at alarming rates. The trend is so pronounced that a number of books have been written about this "man-child" phenomenon, concluding that men have taken a vacation from responsibility simply because they can. But why should men participate in a system that seems to be increasingly stacked against them? As Men on Strike demonstrates, men aren't dropping out because they are stuck in arrested development. They are instead acting rationally in response to the lack of incentives society offers them to be responsible fathers, husbands and providers. In addition, men are going on strike, either consciously or unconsciously, because they do not want to be injured by the myriad of laws, attitudes and hostility against them for the crime of happening to be male in the twenty-first century. Men are starting to fight back against the backlash. Men on Strike explains their battle cry.

Living Like You Mean It - Ronald J. Frederick 2009-03-03

In **LIVING LIKE YOU MEAN IT**, author Ronald J. Frederick, does a brilliant job of describing why people are so afraid of their emotions and how this fear creates a variety of problems in their lives. While the problems are different, the underlying issue is often the same. At the core of their distress is what Dr. Frederick refers to as feelings phobia. Whether it s the experience of love, joy, anger, sadness, or surprise, our inborn ability to be a fully feeling person has been hijacked by fear--and it s fear that s keeping us from a better life. The book begins with a questionnaire-style list that help readers take an honest look at themselves and recognize whether and how they are afraid of their feelings. It then moves on to explore the origins of fear of feeling and introduces a four-part program for overcoming the fear: (1) Become aware of and learn to recognize feelings--anger, sadness, joy, love, fear, guilt/shame, surprise, disgust. (2) Master techniques for taming the fear. (3) Let the feeling work its way all the way through to its resolution. (4) Open up and put those feelings into words and communicate them confidently. With wisdom, humor, and compassion, the book uses stories and examples to help readers see that overcoming feelings phobia is the key to a better life and more fulfilling relationships.

The Transforming Power Of Affect - Diana Fosha 2000-05-05

A groundbreaking examination of the transformational power of affect and a technique for harnessing it in the psychotherapeutic setting The first model of accelerated psychodynamic therapy to make the theoretical why as important as the formula for how, Fosha's original technique for catalyzing change mandates explicit empathy and radical engagement by the therapist to elicit and harness the patient's own healing affects. Its wide-open window on contemporary relational and attachment theory ushers in a safe, emotionally intense, experience-based pathway for processing previously unbearable feelings. This is a rich fusion of intellectual rigor, clinical passion, and practical moment-by-moment interventions.

Love from My Heart (Girls) - Heidi Weimer 2013-12-01

Every girl wants the reassurance from his parents that she is special, loved and an important part of the family. Through fanciful rhyming expressions of love and whimsical illustrations, Love From My Heart captures all the fun and unique ways that parents can describe the important role the child plays as a family member. When a parent and child cuddle up to read the Love From My Heart book together, it becomes a special and memorable bonding moment.

The Five Love Languages - Gary Chapman 2009-12-17

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse

will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

The Art of Loving - Erich Fromm 2013-02-26

The landmark bestseller that changed the way we think about love: "Every line is packed with common sense, compassion, and realism" (Fortune). The Art of Loving is a rich and detailed guide to love—an achievement reached through maturity, practice, concentration, and courage. In the decades since the book's release, its words and lessons continue to resonate. Erich Fromm, a celebrated psychoanalyst and

social psychologist, clearly and sincerely encourages the development of our capacity for and understanding of love in all of its facets. He discusses the familiar yet misunderstood romantic love, the all-encompassing brotherly love, spiritual love, and many more. A challenge to traditional Western notions of love, The Art of Loving is a modern classic about taking care of ourselves through relationships with others by the New York Times–bestselling author of To Have or To Be? and Escape from Freedom. This ebook features an illustrated biography of Erich Fromm including rare images and never-before-seen documents from the author's estate.
