What guy would give up all his dating advantages by spilling the goods? Steve Santagati would. A self-confessed serial dater and Bad Boy, Steve is telling all for the benefit of womankind. Every guy is at least part Bad Boy, and in *The Manual*, this prime specimen reveals what every woman needs to know to counter Bad Boy tactics, both amateur and professional. Steve is never condescending or callous, but honest, perceptive, and street-smart. His guidance is straightforward and his insights are dead-on, giving women tools they can immediately put to work. Discover what you may not want to know but need to know about: •The Heart of the Bad Boy (i.e., the nature of the beast) •The Male Mind: how he sees you and how you can make this work to your advantage •Guys on the Hunt: the male modus operandi, from the grocery store to Home Depot •When Boy Meets Girl: how to handle dating, from flirting to "sext" messaging to learning his weaknesses •Mating: so you've got him . . . should you keep him? Why learn from a Bad Boy instead of, say, a psychologist? Because there's no replacement for "in the field" experience. You'll benefit from (and laugh at) stories of real things Steve has done in relationships with women as well as of women turning the tables on him when he least expected it. The book also includes a question-and-answer section, in which Steve explores some of the toughest dating issues. To understand Steve is to understand the Bad Boy, and that will take you a long way in understanding all men. Find out how much more fun dating can be when you get the upper hand on Bad Boys . . . for good.

How to Get a Girlfriend Dating Online - Robert Belland 2011-02-01
The goal of this book is simple: to guide ANY guy through the process of picking out the BEST women to chat with, exactly what to say to them, and how to inspire these women to feel enough attraction and comfort to meet in person. What can YOU do slightly differently than the last 50 guys who tried emailing her that same day? Be different (in a fun way) without seeming desperate, needy, or creepy. This book explains and explores the common mistakes men are making dating online AND explains, step-by-step, EXACTLY what to say in order to stand out and get dates. This book outlines the FOUR FOUNDATIONS of successful (online) dating: Attraction, Rapport, Leading, and Escalation.-
ATTRACTION is about tension and her emotional response to you.-
RAPPORT is about intimacy and her emotional connection with you.-
LEADING is about challenging your fears and taking action while communicating sincerity through your actions.-
ESCALATION is about consistently increasing the intensity of your relationship via attraction and rapport so that it goes where ever you want it to go.
WHAT YOU'LL DISCOVER IN THIS BOOK: - Exactly to say in your first email so that she's MOST likely to respond to you.- 8 tragic but typical mistakes you should NEVER make when first chatting with her online.- 5 ways she's indicating she's "ready" to meet you (but you might be missing).- 10 things you SHOULD be doing to make or break your online profile.- 10 detailed examples of men's profiles, and what's good and bad about them.- Learn which types of photos make women click your profile, and which make her run for the hills!- MANY examples of the types of emails other men will be sending her so that YOU can learn how to avoid sounding like "just another creep."- How to be DIRECT in such a way that will invite her to desire you more.- 7 amazing openers that you can use anytime that I've tested and used to meet many amazing women online, and why they work so well.- Etc, etc, etc... Getting the girl online isn't rocket science. It's not black magic. It's not surprising or wierd. BUT it's almost universally misunderstood. What makes a girl reject the last 99 guys but respond to you? It's simple. Being different, being playful, and being attractive. The core teachings of my books. As a matter of fact it's EASIER to be different than the last 99 guys simply because the last 99 guys are all saying the exact same things and all making the exact same mistakes. I wrote this book to help the average guy, like you and me, stand out from the online dating crowd in order to catch the girl we REALLY want, and ultimately deserve. She WANTS you to find her and attract her... now read this book and learn the fastest path to your first date!

The Gift of Misfortune - Joseph P. Policape 2009-07-07

Summary T HE GIFT OF MISFORTUNE CHRONICLES THE STORY OF A YOUNG HAITIAN IMMIGRANT TORN BETWEEN HIS NATIVE LAND, WHICH HE LOVES UNCONDITIONALLY, AND AN ADOPTED COUNTRY THAT HE FALLS IN LOVE WITH AT FIRST SIGHT. However, once he reluctantly arrives in his new country, in spite of himself, he loves it, but three major obstacles surface that alter his attitudes and eventually his life: his natural kinship with the Christian notion of poverty and wealth; his encounter with his adopted father/friend, Thomas, who is very critical of America; and the most important, the obstacle that makes him change his attitude about American culture and democracyhis malevolent and greedy wife, Monica. Politics, religion, fear, deception, greed, courage, and revelation all come to play in the journey of Armand, who brings a willing sister to the United States while his heart and soul is still in Haiti. During Haitis most turbulent recent times, Armand and sister, Deborah, become concerned about the chaos that is claiming the streets of Port-au-Prince. The fear, violence, murder, and hopelessness were affecting not only the poor and desperate but the wealthy and desperate as well. Deborah wants to go, and so one morning, she wakes up in her comfortable house. After hearing another story of one of her friends put to death because they will not join the military of Baby Doc (Jean-Claude Duvalier), she wants to go out of Haiti as both patriot and citizen. Deborah cannot go anywhere without her brother, Armand, and though he too is frightened, he feels that he cant leave Haiti. They are not involved in politics, but are religious: Armand, fundamentalist Protestant; and Deborah, traditional Catholic. They are still thrust into the politics of the country. They attend the finest school in Haiti, and they attend this school with the countrys elite who are pro-Duvalier. With warring factions, violence spurting all around them, certain friends disappearing overnight, never to return, and some friends demanding them to choose between their neutral political life, and the need for them to get involved in the Duvalier government, and concerns for Deborahs freedom since an important Duvalier official might want Deborah for his son, they hatch a plan to escape to the United States of America. In the beginning, it is Deborah, and not Armand, who wanted to abandon Haiti, but Armand has to go to protect his sister and make sure she got there safely. After making a careful trip to Baintet to get money from their very wealthy parents, they leave for the United States of America. Armand leaves with a heavy heart because, unlike Deborah, he wanted to stay in Haiti to do religious work, which would end up looking like political work since Armand has a close connection and passion for the poor. But because of family and tradition, Deborah becomes the major priority. Armand starts a whole new journey when he gets on that plane to the United States and lands in New York City, where his relatives and friends are awaiting him and Deborah. In New York City, he is immediately thrown into a quandary. Though he misses Haiti, he excitingly falls in love with the United States and New York City. On his beginning U.S. journey, he is introduced to the two most important people in his life and the two most important characters in the novel. Also, he is introduced to two of the most important persons he met in his life in the United States: Thomas, a radical Christian socialist who constantly places the United States into the glaring light of expectation and reality and compels Armand to go beyond his strict religious beliefs to uncover deeper truth about a society that worships the material greed; and the other person is Monica, a young woman of questionable reputation, but has sterling charm, a charm that, in spite of all of the warning of Armands family and church friends, got Armand to marry her. The novel unfolds with these two polar, opposite ch
