The Book of Night Women - Marlon James 2014-10-02

By the Man Booker-winning author Marlon James, this is the powerful story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the Night Women - a clandestine council of fierce slaves plotting an island-wide revolt - recognize a dark force in her that they treat with both reverence and fear. But as Lilith comes of age and begins to understand her own feelings and identity, she dares to push at the edges of what is imaginable for the life of a slave woman. And as rebellions simmer and unspoken jealousies intensify, Lilith's powers and sense of purpose threaten not just her own destiny, but the destinies of all the slave women in Jamaica.

How to Love a Jamaican - Alexia Arthurs 2018-08-14

"In these kaleidoscopic stories of Jamaica and its diaspora we hear many voices at once: some cultivated, some simple, some wickedly funny, some deeply melancholic. All of them shine." Zadie Smith There is a way to be cruel that seems Jamaican to me.' Tenderness and cruelty, loyalty and betrayal, ambition and regret - Alexia Arthurs navigates these tensions to extraordinary effect in her debut collection of short stories, How to Love a Jamaican, about Jamaican immigrants and their families back home. Sweeping from close-knit island communities to the streets of New York City and Midwestern university towns, these eleven stories form a portrait of a nation, a people, and a way of life. In 'Light Skinned Girls and Kelly Rowlands', an NYU student befriends a fellow Jamaican whose privileged West Coast upbringing has blinded her to the hard realities of race. In 'Mash Up Love', a twin's chance sighting of his estranged brother - the prodigal son of the family - stirs up unresolved feelings of resentment. In 'Bad Behavior', a mother and father leave their wild teenage daughter with her grandmother in Jamaica, hoping the old ways will straighten her out. In 'Mermaid River', a Jamaican teenage boy is reunited with his mother in New York after eight years apart. In 'The Ghost of Jia Yi', a recently murdered international student haunts a despairing Jamaican athlete recruited to an Iowa college. And in 'Shirley from a Small Place', a world-famous pop star retreats to her mother's big new house in Jamaica, which still holds the power to restore something vital. The winner of the Paris Review's Plimpton Prize for 'Bad Behavior',

Alexia Arthurs emerges in this vibrant, lyrical, intimate collection as one of fiction's most dynamic and essential young authors. PRAISE FOR HOW TO LOVE A JAMAICAN "This dazzling debut marks the emergence of a knockout new voice." O: The Oprah Magazine "In vibrant, evocative prose, Arthurs brings these characters, and their varied experiences of a shared home, to life." BuzzFeed "Arthurs's collection of short stories tackles the immigrant experience, exploring it through the prism of family. One particular story that's sure to attract buzz: 'Shirley from a Small Place,' in which a world-famous pop star-based on Rihanna-retreats to her mother's new house in her birthplace of Jamaica." Entertainment Weekly "Arthurs's debut is vivid and exciting, and every story rings beautifully true." Marie Claire "The stories hum with tension and nuance, creating characters desperate to be understood but wary of being defined simply by their race or origins." Associated Press

Clarks in Jamaica - Al Fingers 2021-06

In Jamaica, Clarks are loved like no other brand. They are the island's ruling name in footwear -- the "champion shoes" -- and it has been that way for as long as anybody can remember. This book celebrates the rich history of Clarks in Jamaica, with a focus on the Jamaican reggae and dancehall musicians who have worn and sung about Clarks shoes through the years. Documenting the origins of the Clarks brand in 1825 through to the introduction of their shoes into Jamaica in the 1920s and the impact of styles such as the Desert Boot, Wallabee and Desert Trek on the island, Clarks in Jamaica explores how footwear made by a Quaker firm in the quiet English village of Street, Somerset became the "baddest" shoes in Jamaica and an essential part of the island's culture. Building on the success of the first release in 2011, this updated second edition includes new interviews, previously unseen photographs, insights into Jamaica's favourite styles of Clarks from former company employees, and an expanded chapter on Jamaican fashion detailing the histories of island fashion staples such as the mesh marina (string vest), Arrow shirt, knits ganzie and beaver hat. Beautifully presented and thoroughly researched, Clarks in Jamaica is a wonderful document of Clarks' deep roots in Jamaican culture, a fitting tribute to the rich cultural exchange that has taken place between Jamaica and the UK that will appeal as much to Jamaicaphiles and lovers of Clarks shoes as to musicologists, fashion stylists and cultural historians.

The Real Taste of Jamaica - Enid Donaldson 2001-07-30

The Real Taste of Jamaica takes food lovers and cooks the world over into Jamaican homes, kitchen and restaurants to sample the full range of native cuisine prepared by local housewives, cooks, restaurateurs and roadside 'jerkies'. Enid Donaldson presents her dishes with flair and imagination, delicately spiced and flavoured with curry, scotch bonnet peppers, jerk sauce, pimento, nutmeg, rum and a dash of typical Jamaican humour. 'Stamp and Go', 'Dip and Fall Back', 'Mannish Water' and 'Matrimony' conjure up images that do not disappoint when tasted. Traditional recipes are included for those who would like to recapture childhood memories. The section, 'Ole Time Someting', contributed by noted journalist and talk-show host Barbara Gloudon, captures the memories and magic of Jamaica kitchens and homes of yesteryear. 'Out of Many, One Pot' aptly describes Jamaica's culinary motto, capturing the rich and exciting blend of Native Indian, Spanish, British, African, East Indian, Chinese, Jewish and Lebanese cuisines.

The Dead Yard - Ian Thomson 2009-05-07

Jamaica used to be the source of much of Britain's wealth, an island where slaves grew sugar and the money flowed in vast quantities. It was a tropical paradise for the planters, a Babylonian exile for the Africans shipped to the Caribbean. It became independent in 1962. Jamaica is now a country in despair. It has become a cockpit of gang warfare, drug crime and poverty. Haunted by the legacy of imperialism, its social and racial divisions seem entrenched. Its extraordinary musical tradition and physical beauty are shadowed by casual murder, police brutality and political corruption. Ian Thomson shows a side of Jamaica that tourists rarely see in their gated enclaves. He travelled country roads in buses and met ordinary Jamaicans in their homes and workplaces; and his encounters with the white elite, who still own most of Jamaica's businesses and newspapers, are unforgettable. Thomson brings alive the country's unique racial and ethnic mix; the all-pervading influence of the USA; and the increasing disillusionment felt by its people, who can't rely on the state for their most basic security. At the heart of the book is Jamaica's tense, uneasy relationship with Britain, to whom it remains politically and culturally bound.

Love on the Wire - O'Brien Dennis 2014-01-29

Born and raised on an island paradise, Akime knows that no amount of sun and sand can hide the hypocrisy, hatred, and danger that fill his days. As a gay man in Jamaica, he's skilled at hiding the truth from others. When he meets Nathan, an Adjunct Professor at the University of the West Indies in Kingston, he dares to believe that he has found the one person from whom he has nothing to hide. For one glorious year, Akime and Nathan live the dream together, even though they must keep their love hidden. They spend weekends on Jamaica's lush and more open north-eastern coast, but Nathan has dangerous secrets of his own—including an intensifying relationship with Nicole, an American woman. Without warning, Nathan leaves the island, and Akime, behind to start a new life with her in New York City. Devastated, Akime decides to follow Nathan to New York, where the former lovers are touched by tragedy. In a desperate moment, one lays dying of a gunshot, and the other must act upon his own mortality. Meanwhile, Nicole has questions of her own about Nathan's history with Akime. Now only time will tell if the man left behind has any hope of happiness—or whether the tortured ghosts of his past will haunt him forever.

How to Love a Jamaican - Alexia Arthurs 2018-08-09

'In this thrilling debut collection Alexia Arthurs is all too easy to love.' - Zadie Smith Tenderness and cruelty, loyalty and betrayal, ambition and regret - these are the tensions at the heart of Alexia Arthurs' debut book about Jamaican immigrants and their families back home. Some stories ask big questions about the things that define a person, others explode small moments of deep significance and lasting effect. Sweeping from close-knit island communities to the streets of New York City, *How to Love a Jamaican* offers a portrait of a nation, a people, and a way of life. Vibrant, lyrical and intimate, this collection of eleven short stories shows Alexia Arthurs to be one of the most dynamic and exciting young authors writing today. It includes the story 'Bad Behavior', for which she won the Paris Review's Plimpton Prize.
