Never Marry a Woman with Big Feet - Mineke Schipper 2003-01-01

In this study the author analyses similarities, differences and contradictions in the cultural norms about gender expressed in proverbs she has found in oral and written sources from over 150 countries. Grouping the proverbs into categories as the female body, love, sex, childbirth and the female power, the author examines shared patterns in ideas about women and how men see them.

13 Ways of Looking at a Fat Girl - Mona Awad 2016-02-23

"Stunning . . . As you watch Lizzie navigate fraught relationships—with food, men, girlfriends, her parents and even with herself—you'll want to grab a friend and say: 'Whoa. This. Exactly.'" —Washington Post A "hilarious, heartbreaking book" (People) from the author of Bunny

Named one of the best books of the year by NPR, The Atlantic, Time Out New York, and The Globe and Mail Growing up in the suburban hell of Misery Saga (a.k.a. Mississauga), Lizzie has never liked the way she looks—even though her best friend Mel says she’s the pretty one. She starts dating guys online, but she’s afraid to send pictures, even when her skinny friend China does her makeup: she knows no one would want her if they could really see her. So she starts to lose. With punishing drive, she counts almonds consumed, miles logged, pounds dropped. She fights her way into coveted dresses. She grows up and gets thin, navigating double-edged validation from her mother, her friends, her husband, her reflection in the mirror. But no matter how much she loses, will she ever see herself as anything other than a fat girl? In her brilliant, hilarious, and at times shocking debut, Mona Awad simultaneously skewers the body image-obsessed culture that tells women they have no value outside their physical appearance, and delivers a tender and moving depiction of a lovably difficult young woman whose life is hijacked by her struggle to conform. As caustically funny as it is heartbreaking, *13 Ways of Looking at a Fat Girl* introduces a vital new voice in fiction. WINNER OF THE AMAZON CANADA FIRST NOVEL AWARD FINALIST FOR THE SCOTIABANK GILLER PRIZE FINALIST FOR THE COLORADO BOOK AWARD FOR LITERARY FICTION LONGLISTED FOR THE DUBLIN LITERARY AWARD ARAB AMERICAN BOOK AWARD HONORABLE MENTION FOR FICTION NAMED ONE OF THE MOST ANTICIPATED BOOKS OF 2016 BY ELLE, BUSTLE, AND THE GLOBE AND MAIL NAMED ONE OF THE BEST BOOKS OF THE MONTH BY THE HUFFINGTON POST, BUSTLE AND BOOKRIOT

The Weather Girl - Amy Vastine 2014

"Summer Raines knows when it's going to rain. She can feel it. That's why the local weather girl's so good at her job. Too bad she couldn't have foreseen the tumultuous arrival of Travis Lockwood, everybody's favorite star NFL quarterback. Make that former star NFL quarterback. Sidelined back to Texas after an injury, the golden boy is trying to steal her precious on-air time. Summer is reduced to reporting from ... football games. It's enough to make her quit and become a storm-chaser like her parents. She's stuck with a career that's going nowhere and a man who delights in her refusal to be charmed. Falling in love isn't nearly as easy as predicting the weather"--

Big Girl - Danielle Steel 2010-03-18

'Watch out, world. Here I come!' For Victoria Dawson, growing up isn't a happy experience. Born to picture-perfect parents, she never feels pretty enough. But when her parents have a second child, Victoria is thrilled - she can't help but adore her new baby sister Gracie. And her parents finally have the perfect daughter they always wanted. Meanwhile Victoria still never seems to get it quite right - she battles with her weight, she's told she'll never find a man if she's too clever, and the one career she feels passionate about her parents don't approve of. And so Victoria decides to move to New York to fulfil her dreams and escape her family. Though her new life is exciting, the old temptations remain, and she continues to wage war with the scales. Can Victoria find a life far from the hurt and neglect of her childhood, embrace the courage to find freedom, and become who she really is at last? An inspiring and uplifting novel from the incomparable storyteller Danielle Steel

Women Don't Owe You Pretty - Florence Given 2020-06-11

'THE BEAUTY MYTH' FOR THE INSTAGRAM GENERATION Women Don't Owe You Pretty is the ultimate book for anyone who wants to challenge the out-dated narratives supplied to us by the patriarchy. Through Florence's story you will learn how to protect your energy, discover that you are the love of your own life, and realise that today is a wonderful day to dump them. Florence Given is here to remind you that you owe men nothing, least of all pretty. WARNING: CONTAINS EXPLICIT CONTENT (AND A LOAD OF UNCOMFORTABLE TRUTHS). THE FEMINIST BOOK EVERYONE IS TALKING ABOUT. 'An incredible mouthpiece for modern intersectional feminism.' - Glamour 'A fearless book.' - Cosmopolitan 'A hugely influential young woman.' - Woman's Hour 'Rallying, radical and pitched perfectly for her generation.' - Evening Standard

Things No One Will Tell Fat Girls - Jes Baker 2015-11-17

Things No One Will Tell Fat Girls is a manifesto and call to arms for women of all sizes and ages. With smart and spirited eloquence, veteran blogger Jes Baker calls on women to be proud of their bodies, fight against fat-shaming, and embrace a body-positive worldview to change public perceptions and help women maintain mental health. With the same straightforward tone that catapulted her to national attention when she wrote a public letter addressing the sexist comments of Abercrombie & Fitch's CEO, Jes shares personal experiences along with in-depth research in a way that is approachable, digestible, and empowering. Featuring notable guest authors, Things No One Will Tell Fat Girls is an invitation for all women to reject fat prejudice, learn to love their bodies, and join the most progressive, and life-changing revolution there is: the movement to change the world by loving their bodies.

What to Write - Melody Ross 2004

Making scrapbook albums can be fun & rewarding but finding the right words is usually the most difficult, yet important, part of scrapbooking. Find simple as well as elaborate tips for diving deep into your heart in

order to put the perfect words and stories onto your scrapbook pages. Learn how to bring your pages to life and ensure your stories live on long after you are gone.

Fat Girl Walking - Brittany Gibbons 2015-05-19

Told through a series of larger-than-life snapshots, a hilarious memoir in essays about love, sex, marriage, motherhood, bikinis, and loving your body, no matter what size you are from the acclaimed blogger and body image advocate. Brittany Gibbons has been a plus size her whole life. But instead of hiding herself in the shadows of thinner women, Brittany became a wildly popular blogger and national spokesmodel—known for stripping on stage at TedX and standing in Times Square in a bikini on national television, and making skinny people everywhere uncomfortable. Talking honestly about size and body image on her popular blog, brittanyherself.com, she has ignited a national conversation. Now in her first book, she shares hilarious and painfully true stories about her life as a weird overweight girl growing up in rural Ohio, struggling with dating and relationships, giving the middle finger to dieting, finding love with a man smaller than her, accidentally having three kids, and figuring out the secret to loving her curves and becoming a nationally recognized

body image advocate. And there's sex, lots of it! Fat Girl Walking isn't a diet book. It isn't one of those former fat people memoirs about how someone battled, and won, in the fight against fat. Brittany doesn't lose all the weight and reveal the happy, skinny girl that's been hiding inside her. Instead, she reminds us that being chubby doesn't mean you'll end up alone, unhappy, or the subject of a cable medical show. What's important is learning to love your shape. With her infectious humor and soul-baring honesty, Fat Girl Walking reveals a life full of the same heartbreak, joy, oddity, awkwardness, and wonder as anyone else's. Just with better snacks.

Summary of Kelsey Miller's Big Girl - Everest Media,
2022-05-24T22:59:00Z

Please note: This is a companion version & not the original book. Sample Book Insights: #1 I was done with dieting, and I was done with being the fat girl. I was finally happy and healthy, except for the fact that I was still fat. I wanted this issue resolved so I could move on and live my life. #2 I knew that asking for help wasn't my favorite thing, but I knew from experience that it worked. I decided to find a food shrink of sorts, an intuitive eating coach. I would be accountable to someone else. #3 I decided to find a trainer and a columnist. I wanted to chronicle the journey publicly, and not just because I knew there would be others who could relate to being trapped in their own bodies, waiting for life to begin thirty pounds from now. #4 I was a writer and a show-off, and I knew that I was not perfect. But I also knew that I was not alone, and that I could be honest with and accountable to others.
