

I Need You Lady

The Eye of Odin - James Larson 2003-10

Banished from his homeland in Norway for religious beliefs that ultimately resulted in murder, a Viking chieftain and his family must leave their home and travel to a new land. With the Christian king determined to stamp out the old gods, Thorvald Asvaldsson and his son Erik, who will one day be known as Erik the Red, embark on a perilous journey destined to change the world accompanied by the powerful seer Ragnar. Once restricted to sailing near their native shores, the dawn of the longship brings Viking warriors to the unsuspecting coastal areas of Europe. The warriors descend on settlements like a plague, attacking towns at will and displaying a savagery never before seen. At

the height of the Viking expansion into Europe and the spread of the pagan religion, there is an evil in the world awaiting the travelers, and evil from the depths of hell itself. -- back cover.

a house party, and one guest in particular changed her every aspiration. A handsome lord who avoided her at all costs. His bold stare tempted Gemma to discover the depth of their burning attraction. A siren disguised as an innocent debutante who lured him closer with every smile. Then everything he ever believed in changed in the blink of a kiss that knocked him to his knees. gentle caresses heated into a passion out of their control. But when Barrett's secret assignment to recover a stolen coin crossed over into their love affair, it broke their fragile connection. Can Barrett stop the threat from destroying Gemma's love for him? Soul mates meeting for the first time. A temptation that cannot be denied. A love like no other. American Honey - Sarah M. Wells 2021-11-11
Sarah M. Wells had one degree in mind when she went off to college: to secure her Mrs. and become a stay-at-home mom. Ten years later, life does not look the way she expected. Instead of staying home, she's the primary breadwinner while her husband raises their kids. Together, they've weathered miscarriages, job changes, role reversals, community shifts, family vacations, and even youth league recreational soccer. Now, in the midst of their tenth year of marriage, temptations saunter in and threaten to shake everything they've built together to the ground. In *American Honey*, Wells digs in deep to uncover the foundation of what made her and what it is that will help sustain her relationships.

What keeps a marriage together? Could it fall apart? Through intimate details, vulnerability, humor, and love, Wells explores the depths of mercy and faith it's going to take to weather the storms of married life.
