[The Loner Girl in London](#) - J. Guzmán 2023-06-10

The Loner Girl in London is volume 4 of the series On Being, a self-referential, metaphysical case history where the author J. Guzmán psychoanalyzes her own consciousness throughout Time, uses tools like astrology to facilitate the investigation, and documents the entire process. On Being is a life-long, narrative, archival data set of her life in the form of diaries, whose purpose is to assist astrologers and other researchers in the detailed demonstration of how their respective theories, methods, techniques, and practices function in a real life. In volume 4, the protagonist Ana, who is the author J., travels to London to study abroad and travels solo around Europe for three months after she finishes school. Her experiences could be categorized archetypally into the energy of Neptune squaring her natal Mars, a transit lasting for the entirety of her travels. Her struggles involve persistent and intense anxiety and lethargy, a lack of appropriate boundaries regarding sex, a self-sabotaging overindulgence in alcohol and sugar, an emphasis on stream of consciousness poetry, and an overwhelming confusion and lack of clarity regarding her ambitions and the point of her life.

[Sid Doesn't Feel Like a Boy Or a Girl!](#) - Dylan Greenberg 2015-03-12

When young Sid decides they don't feel like they're a boy or a girl, the people around them are slow to understand. When they go to school the next day, it doesn't get much better when the teacher decides to separate the class into boys and girls. Despite the hardship they face, Sid discovers that love will always prevail and that being different is not a bad thing. The simple illustrations and fun rhyming story are fun and catchy for any age! The book also includes an activity section where kids can write about or draw their own experiences with having fun, dealing with unfairness, and remembering those that care about them. Children will fall in love with "'Sid Doesn't Feel like a Boy or a Girl!" This book is the perfect educational resource for: - Children questioning or exploring their gender - Children who have friends that are questioning or exploring their gender, or just want to learn - Parents who's children are questioning or exploring their gender - Teachers who's students are questioning or exploring their gender - Parents or teachers who are misinformed or curious about gender exploration in children Through this book, the author, a 17 year old transgender girl, hopes to reduce the stigma that is directed at transgender and non-binary children. As there are hardly any children's books about being transgender, and even fewer about being non-binary, she hopes this book will be a positive contribution.

[Pitch Like a Girl](#) - Ronna Lichtenberg 2004-12-09

Pitch Like a Girl offers proven techniques to maximize a woman's instinctive strengths and effectiveness in the workplace. Despite steady advancement, part of the reason women still struggle to succeed in business is the discomfort they feel doing anything that feels like self-promotion. That's why Ronna Lichtenberg, corporate veteran turned highly sought-after management consultant, developed a program for women that works with their unique advantages. Starting with recent developments in brain sex research and moving through social stereotypes, Lichtenberg takes a fresh look at how women relate to work and shows them how to use their gifts to get what they want. The book includes easy-to-use tools, tips on managing communication styles, and exercises that have been honed in Lichtenberg's many workshops. Whether giving women pragmatic advice on what to do about that infuriating boss, how to know how much money they should be making (and how to get it), or how to follow up without feeling like a beggar or a stalker, Lichtenberg is real, and really funny at the same time. Her advice ushers in a new world of possibilities for women who are ready for a success that feels right.

[How To Understand the Mystery of Suffering, Feel Joy While Suffering, Make a Difference Wherever, Forever](#) to You, My Love - Mary Burns 2008-07

My book does answer the questions on the cover about how to understand the mystery of suffering, how to feel joy while suffering, and how to make a difference wherever, forever. My spiritual director told me to write a journal. That journal has become, over several years, this book. In this book, I spread my life out to you and the world and say things about myself that I have not told even my best friends. My friend of forty-three years does not know some of what is in here.

[Why Men Fall Out of Love](#) - Michael French 2007

The groundbreaking book that breaks the silence of the male code. Why do men fall out of love? It's rarely a simple issue of attraction, sex, or money trouble. In this provocative no-holds-barred guide, Michael French brings unparalleled insight into the male psyche and reveals why so many men feel trapped, unhappy, or unfulfilled, and what women can do about it. Based on interviews with men from all ages and walks of life this grippingly honest book illustrates why, when it comes to relationships, so many men feel "outgunned and outmatched" by women. Discover: \* The 4 relationship busters that lead couples to flounder and sink—the loss of intimacy / the quest for validation / the perfection impulse / the fading of attraction—and strategies for dealing with them head-on \* Six key reasons why men fall out of love—from issues of identity, power, and fear to stereotypes about who they really are and what they want \* The truth about men and (mis)communication—and ways for them to open up \* Three questions a woman needs to ask a man before she becomes emotionally involved \* The Relationship Audit—how couples can figure out what is driving them

apart and find ways to mend their relationship By finally bringing men's true feelings to the surface, Michael French offers a dramatic new approach to understanding men and their hidden emotions. This guide illuminates the deeper reasons why men fall out of love and, more important, shows how relationships can be healed. "An impressive, insightful, and completely accessible view deep into the heart's of men and their struggle with love." -Joel D. Block, Ph.D., author of *Naked Intimacy* "Read this brilliant book and untie the knot of life- why does love fade?" -Susan Braudy, former editor of Ms. Magazine

**How to Pick Up Women** - Matthew Manson 2019-08-21

Discover the art of instant attraction and become the type of man girls beg for! One rejection after another...Trust me, I know the feeling. Most of my teenage years I've been the weird guy who always chocked and felt anxious when he tried to approach a girl. Even worse, most of the advice I got was from some jocks who told me to basically treat women like dirt. This only led to the girl feeling grossed out by me and well... me feeling grossed out by myself... Luckily, I'm not the type who admits defeat. So, I started doing some proper research and took advice from men who oozed charisma and attracted women instantly and ethically wherever they went. I'll admit...it took a couple of years for me to master everything. But that's because I had to go through trial and error and trim out all the nonsense. Luckily for you, this book allows you to skip that. No BS, just the essentials without overcomplicating anything. If you join me on this journey you will discover: - How to pick up women in an ethical way which leaves you BOTH happy and satisfied. - The things you NEED to improve about yourself in order to attract women instantly for the rest of your life. - A specially designed book structure containing clear lists, step by step guidelines and scenarios which you can easily remember and apply in your own life. - The biggest barriers you need to overcome in order to stop feeling anxious when approaching any woman. - How to make killer first impressions that will make women obsessed with you. - How to master the art of texting and never feel nervous or embarrassed after sending her a text. - How to keep a conversation going in a natural and enjoyable way. - How to create a flirty vibe and sexual tension which will lead to some real action. - How to have a proper one-night stand which will make you stand out and make her come back for more. I'm going to warn you from the beginning. It's not going to be easy and the magic won't happen overnight. It'll require you to step outside your comfort zone...a lot. However, if you dedicate yourself to this, no matter how old you are, you will learn how to get women to become obsessed with you. I was the shyest kid in my school and now I can confidently approach any woman I want. If I could learn it, anyone can. If you want to break the cycle of getting rejected by beautiful women once and for all, then scroll up and Order Now!

*Tagpi* - Crey Bonifacio 2021-11-20

For 24 years that I have been here in this world, marami na akong napagdaanan. Marami na rin akong aral na nakuha mula sa karanasan na 'yun. Hindi ko naman sinabi na lahat ng karanasan ko ay may makukuha kang aral. Maaaring yung iba, pero hindi lahat. I have bipolar disorder, a lifetime psychological illness. Pero I never treated it like an illness, I treated it like my friend. I even use it to my advantage. Yung tipo na kapag alam ko na manic ako, I use it to write books or be productive ngunit hindi pa rin maiiwasan ang pagkakaroon ng downsides. I will not dig in any further. Tulad ng isang damit na butas-butis, pwede pa 'yan maayos sa pamamagitan ng tagpi. Minsan kahit mukha ng gula-gulanit, magiging maganda pa 'yan. Parang tayo, kahit broken and damaged, may mga tagpi tayo na pwede gamitin bilang aral para maging maayos ang takbo ng buhay natin. Ang libro na 'to ay tungkol sa mga bagay na maaaring makatulong sa iyo, naglalaman ito ng kwento tungkol sa buhay, sex, emotion, religion, and marami pang shit. Hindi ko sukat akalain na makakapag sulat ako ng libro, dahil na nga rin siguro sa Bipolar ko, lahat ng tumatakbo sa isip ko ay inilalagay ko sa papel. Hanggang sa unti-unti na akong nakakabuo ng mga pahina. I've never even imagined na makakagawa ako ng isang self-help book kung mismong sarili ko nga ay hindi ko matulungan, pero malay mo lahat ng sinabi ko rito eh may sense sa'yo. Tangina, sa libro na 'to horror na lang kulang. May love, may drama, may inis, may galit, at may excitement. Sana ma-enjoy n'yo, kasi ako na-enjoy ko habang sinusulat ko 'to. 'Pag hindi, edi 'wag.

*How to Become The Girl That Men Adore* - Lisa Ryder 2022-03-09

If you asked most women today what type of girl men adore and couldn't live without they would answer that she would have to be an Angelina Jolie lookalike or at the very least be blond, blue-eyed and have killer legs. While this type of woman would definitely attract a lot of attention, she actually isn't the type of woman that men adore. Now girls, that's really good news for most of us! You see, while men are visual creatures and that first attraction is sparked from looks, you would be surprised to find out how much more men actually want from women. For example, a team of sociologists conducted a study, trying to understand if there was a common denominator that men found attractive in women; that one thing that would get any guy to want to go over and talk to a girl. You would never guess what the result was. No, it wasn't her breasts, her legs or her bum. In fact, it wasn't any body part below her chin and it wasn't her features, either. It was her smile. The majority of men stated that they found nothing as attractive as a woman's smile. The point of this revelation is that you have to put your preconceived notions and the rules society has beaten into you all to one side. You need to understand that fundamentally, men and women are different and it's alright to be a woman. There's nothing wrong with giving up control to your partner once in a while, especially since it will make you feel better as well....

[Boy by the Plate](#) - Julia Vellucci 2021-06-29

With low grades that make him look like nothing compared to his sisters, mediocre baseball skills and not acting like his true self at school. Only acting like himself in front of his best friend, Macy Fergensen, who had feelings for him since they were kids that he fails to see, does Zayn truly feel alone. It isn't until the popular girl, Michelle Aprils, takes notice of him after his first home run, that he finally feels seen. Nothing in life, especially high school is ever that easy as something happens at a party at Michelle's that changes how Zayn views Macy. But also changes her perception of him due to how he treats her and a huge secret that finally comes out. When Zayn truly evaluates his relationship with Michelle and decides to go for Macy, she distances herself from him and gets close with his cousin, the sweet and charming J. P Trent. Will Zayn and Macy find their way back to each other, or just like Zayn's home run, will the unexpected happen?
