The Unreal and the Real Ursula K. Le Guin 2016-10-18 Originally published in two editions in 2012 by Small Beers Press.

An Interpretive Guide to Operatic Arias Martial Singher 1983 A premier singer and master teacher here tells other singers how to get the most from 151 famous arias selected for their popularity or their greatness from 66 operas, ranging in time and style from Christopher Gluck to Carlisle Floyd, from Mozart to Menotti. "The most memorable thrills in an opera singer's life," according to the author's Introduction, "may easily derive from

the great arias in his or her repertoire." This book continues the work Martial Singher has done, in performances, in concerts, and in master classes and lessons, by drawing attention "not only to precise features of text, notes, and markings but also to psychological motivations and emotional impulses, to laughter and tears, to technical skills, to strokes of genius, and even here and there to variations from the original works that have proved to be fortunate." For each aria, the author gives the dramatic and musical context, advice about interpretation, and the lyric--with the original language (if it is not English) and an idiomatic American English translation, in parallel columns. The major operatic traditions--French, German, Italian, Russian, and American--are represented, as are the major voice types--soprano, mezzo-soprano, tenor, baritone, bass-baritone, and bass. The dramatic context is not a mere summary of the plot but is a penetrating and often witty personality sketch of an operatic character in the midst of a situation. The musical context is presented with the dramatic situation in a cleverly integrated way. Suggestions about interpretation, often illustrated with musical notation and phonetic symbols, are interspersed among the author's explication of the music and the action. An overview of Martial Singher's approach--based on fifty years of experience on stage in a hundred roles and in class at four leading conservatories--is presented in his Introduction. As the reader approaches each opera discussed in this book, he or she experiences the feeling of participation in a rehearsal on stage under an urbane though demanding coach and director. The Interpretive Guide will be of value to professional singers as a source of reference or renewed inspiration and a memory refresher, to coaches for checking and broadening personal impressions, to young singers and students for learning, to teachers who have enjoyed less than a half century of experience, and to opera broadcast listeners and telecast viewers who want to understand what goes into the sounds and sights that delight them.

Be Safe I Love You Cara Hoffman 2014-04-01 This widely acclaimed novel about a female soldier who returns from Iraq haunted by a tragic mistake is "beautifully written...suspenseful and smart and tender in unexpected moments" (Miami Herald) and was named one of the 5 Best in Modern War Fiction by The Sunday Telegraph. Before she enlisted, classically-trained singer Lauren Clay had been accepted to a prestigious music conservatory, but her family's financial demands—worsened by her parents' divorce and her father's declining mental health—pushed her in another direction. Joining the army allowed Lauren to provide for her family—especially her younger brother Danny, whose quirky, heartfelt letters to her overseas are signed, be safe, I love you. When she arrives home unexpectedly, it's clear to her friends and family that something is profoundly wrong with Lauren. But her father is so happy to have her home that he ignores her odd behavior, as well as the repeated phone calls from an army psychologist. Things seem better when Lauren offers to take Danny on a trip to visit their mother upstate, but instead, she guides them into the glacial woods of Canada on a quest to visit the Jeanne d'Arc Basin, the site of an oil field that has become her strange obsession. What happens there will change Sergeant Lauren Clay's family forever, as she must finally face what she saw, and did, in Iraq. *Be Safe I Love You* is "a rare, illuminating glimpse into the distinctive experience and psyche of a female vet" (Boston Globe); "a riveting suspense story and a frank portrayal of war's psychic damage" (Ms. Magazine); and "a painful exploration of the devastation wrought by combat even when the person returns from war without a scratch...this book is a reminder that art and love are all that can keep us from despair" (The New York Times Book Review).

Voice Of The Heart Parisa Shahramiri 2012-09-13 I was born and grown up in Iran. After the war between Iraq and Iran, we got back to our small city, Abadan. I finished my guidance & high school there and continue my studies at university and got MA. Furthermore, I like to continue my studies and get Doctorate degree. I started writing poetry when I was a teenager and studying at university. It was in that time that I became interested in English poems and wanted to write to release my soul and bring whatever was in my heart on the paper. Actually I am satisfied by

writing English poems. Then I decided to publish my first book in 2002, after that I published my second poetry book (Dream of love) in 2006. I have translated English story books into Persian and published teaching books and articles. Also, I'm fond of painting and like to do landscape and want to follow it to the professional level. This book reflects my thoughts and feelings on many different things and expresses my feelings as the young girl. Voice of the heart is a collection that includes 54 English poems that are my own work. Actually it was published first in 2002 and included 80 poems but in this collection I excluded some of them. Poetry is the expression of our soul and a reflection of our deepest emotions. My poems are inspired by my thoughts on life. Some of the poems really reflect my inner feelings. Some express realities and the grief of people around me. I dedicate my book to my parents. I hope the readers like this book.

Joplin's Ghost Tananarive Due 2005-09-20 The life of Phoenix Smalls spins horrifically out of control as a long-dead music legend chooses her to continue his legacy, in this historical novel—part love story, part ghost story—from acclaimed horror novelist Tananarive Due. When Phoenix Smalls was ten, she nearly died at her parents' jazz club when she was crushed by a turn-of-the-century piano. Now twenty-four, Phoenix is launching a career as an R&B singer. She's living out her dreams and seems destined for fame and fortune. But a chance visit to a historical site in St. Louis ignites a series of bizarre, erotic encounters with a spirit who may be the King of Ragtime, Scott Joplin. The sound of Scott Joplin is strange enough to the ears of the hip-hop generation. But the idea that these antique sounds are being channeled through Phoenix? Her life is suddenly hanging in the balance. How will she find her true voice and calling? Can the power of her own inner song give Phoenix the strength to fight to live out her own future? Or will she be forever trapped in Scott Joplin's doomed, tragic past? Stunningly original, *Joplin's Ghost* is a novel filled with art and intrigue—and is sure to bring music to readers' ears.

The Romantic World of Puccini Iris J. Arnesen 2009-10-21 Giacomo Puccini, composer of some of the world's most popular operas, including *La Bohème*, *Tosca*, and *Madama Butterfly*, was also a highly literary person who based his librettos on existing works of literature. This work explores that literary inheritance in an effort to enhance the listener's appreciation of the operatic experience. The author argues that the majority of Puccini's operas compose a grand cycle that finds its roots in the romance genre of 12th century France, serving to celebrate the strong, independent heroine. Via a close examination of the source works, the librettos, and the scores, this book offers fresh perspective on Puccini's legacy.

Cogewea, the Half Blood Mourning Dove 1981-01-01 One of the first known novels by a Native American woman, *Cogewea* (1927) is the story of a half-blood girl caught between the worlds of Anglo ranchers and full-blood reservation Indians; between the craven and false-hearted easterner Alfred Densmore and James LaGrinder, a half-blood cowboy and the best rider on the Flathead; between book learning and the folk wisdom of her full-blood grandmother. The book combines authentic Indian lore with the circumstance and dialogue of a popular romance; in its language, it shows a self-taught writer attempting to come to terms with the rift between formal written style and the comfort-able rhythms and slang of familiar speech.
