Black Woman Redefined - Sophia Nelson 2012-11-20

It's time for a REDEFINITION among black women in America. In its 2011 hardcover release, *Black Woman Redefined* was a top-selling book and took home a 2011 Best Non-Fiction Book of the Year Award from the African American Literary Awards. Author Sophia A. Nelson won the 2012 Champions of Diversity Award, given each year by diversity business executives in Fortune 100 companies. *Black Woman Redefined* was inspired in part by what Nelson calls "open season on accomplished black women": from Don Imus's name-calling of black female basketball players in 2007 and a 2009 Yale University study titled "Marriage Eludes High-Achieving Black Women," to the more recent revelation that First Lady Michelle Obama is concerned about being painted as an "angry, black woman." In *Black Woman Redefined*, Nelson sets out to change this cultural perception, taking readers on a no-holds-barred journey into the hearts and minds of accomplished black women to reveal truths, tribulations, and insights like never before. This groundbreaking book provides black women of a new generation with essential career and life-coaching advice. Based on never-before-done research on college-educated, career-driven black women, Nelson offers her fellow "sisters"—and those who know, love, and work with them—a feel-good volume for personal and professional success that empowers them without tearing others down.

After a Good Man Cheats: - Dr. Caroline Madden MFT 2015-02-17

This book is a practical action plan that will walk you through the first stages after your wife has discovered your infidelity. You'll learn the things your wife is going to feel, say, and do, giving you the following:* Insight into what she is thinking and why this is so hard for her to get over* Practical advice so you know exactly what to do at this important stage* Actual scripts so you know what to say in response to very specific situations* Clear explanations as to why certain words and actions you think will be helpful might be making this worse* Two self-administered quizzes to help you determine why you cheated so that you can get a better understanding of what triggered your affair. Included at the appropriate points are scripts of what to say and why you need to say those words at that time. Do not just memorize these words and parrot them back to your wife. You have already lost her trust; if you start using words you don't normally use, you'll sound like you're faking it. You will want to translate the scripts into your own natural wording, using the meaning of each script as a launching pad for productive, healing dialogue with your wife. Also, other these other questions are answered:* She doesn't know. I feel guilty. Should I tell her the truth?* We aren't married yet? How does that impact recovering from the affair?* I didn't have a physical relationship with my Affair Partner, why is my wife so upset?* What is an Emotional Affair?

I Cheated On My Boyfriend - Iris Kohler 2015-06-22

From your boyfriend to your friends, family, religious peers, and co-workers there are a lot of people in the world who just won't always understand cheating. Mainstream media and "good old fashioned advice" generally end up blaming the cheater for his/her own character flaws without giving it any real thought and advise cheaters to stop cheating because clearly it's your own fault anyway. The ICOMB website (and book) is based on the idea that while cheating might be a mistake for someone, it doesn't define them as a person, it doesn't limit or change them into some form of monster. You stay human, however society has deemed you no longer have a place and need to undergo a miraculous self-discovery change before you are acceptable again. For us, we give you guidance, acceptance and a healthy dose of realistic expectations on how to move forward, make the right decisions for YOURSELF, and become the best person for yourself. This book is designed to be your understanding friend in a tough situation who will guide you to realize why you cheated, how to prevent it and also the steps forward you could make depending on your own goals.

A Life Worth Saving - Corrine James 2023-08-04

This is a story of one who was lost but now has been found. A story of redemption, new life in Christ, and a heavenly Father that was ever present and ever pursuing His wayward daughter. A Father that would never leave nor forsake her. This is a story of everlasting love, forgiveness, and grace. The Lord began calling me to write my story, my testimony, about fifteen years ago. I remember questioning, "Lord, why me?" The Lord began to show me pieces of my life, pieces that were hidden deep within. There was a testimony inside that He wanted me to share, that I needed to share. Out of that calling, *A Life Worth Saving* was birthed. It's about redeeming love, restored relationships, and freedom that only comes through Christ. It's about my journey toward Christ, one that has taken me from sadness to joy, hopelessness to redeemed, confusion to truth, and fear to faith. He has taken me from fatherless to becoming a daughter of the King Most High God. Through this story, you will see a God that has walked beside me, never leaving, carrying me through to everlasting life. I have been healed, redeemed, and chosen. I now walk in hope of the One who knew me before time began, the One who created me and formed my inmost being. I have hope in the One who calls me by name. I am His daughter, and He is my Abba, my Father. We all have a story; we all have a testimony. I pray this one brings you to a deeper understanding of who Christ is and His everlasting love for you. He who dwells in the shelter of the Most High will rest in the shadow of the Almighty." I will say to the Lord, "He is my refuge and my fortress, my God, in whom I trust." (Psalms 91:1-2)

Out of the Doghouse - Robert Weiss 2017-01-03

DATING, RELATIONSHIPS, LIVING TOGETHER & MARRIAGE.

Typically, men are good at creating rifts in relationships but terrible at mending them, especially after they've repeatedly betrayed their partner through sexual infidelity. For the most part, cheating men are both intimacy-challenged and empathy-challenged, and, as such, they lack the skills needed to overcome the damage wrought by their infidelity. Robert Weiss has spent over twenty years in the treatment of sex and intimacy issues, helping both cheating men and their betrayed spouses. In *Out of the Doghouse* he shares his expertise, illuminating the ways in which men can move beyond their usual feeble efforts to smooth things over. Sure, saying "I'm sorry" and trying to "buy forgiveness" with flowers and jewelry may temporarily calm the stormy seas, but these actions do nothing to re-establish trust, which is what a distraught woman needs if she hopes to feel better about her relationship over the long-term.
