**Half in Love** - Linda Gray Sexton 2011-01-01

After the agony of witnessing her mother's multiple—and ultimately successful—suicide attempts, Linda Gray Sexton, daughter of the acclaimed poet Anne Sexton, struggles with an engulfing undertow of depression. Here, with powerful, unsparing prose, Sexton conveys her urgent need to escape the legacy of suicide that consumed her family—a topic rarely explored, even today, in such poignant depth. Linda Gray Sexton tries multiple times to kill herself—even though as a daughter, sister, wife, and most importantly, a mother, she knows the pain her act would cause. But unlike her mother's story, Linda's is ultimately one of triumph. Through the help of family, therapy, and medicine, she confronts deep-seated issues and curbs the haunting cycle of suicide she once seemed destined to inherit.

**Library Journal** - 2004

Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

**The Mourning Sexton** - Michael Baron 2005-04-19

In this deft, multilayered thriller, a disgraced lawyer trying to revive his tattered career stumbles across a hidden case of cold-blooded murder and discovers that he must pursue justice even though doing so might just cost him what little he has left—possibly even his life. Attorney David Hirsch was the managing partner of one of St. Louis's most prestigious law firms, until he was convicted of embezzlement and sent to the federal penitentiary for seven years. He emerges from prison humbled and genuinely contrite, eager to patch things up with his estranged daughter and to build up a modest legal practice. In forging his life afresh, Hirsch has rediscovered his Judaism and has become part of the daily minyan, the group of ten men necessary to pray together, at the synagogue near his home. When an elderly man in the group asks for his help with a product liability case involving his daughter's death, Hirsch reluctantly takes it on—only to discover that the seemingly straightforward lawsuit conceals a cold-blooded murder. With the help of Dulcie Lorenz, the altruistic, public-spirited attorney the dead woman worked for, Hirsch pursues the liability case while quietly amassing evidence against the highly placed person he suspects of murder. His attempt to bring his powerful adversary to justice draws Hirsch into a fierce, seesawing battle of wits—and ultimately to an act that expresses the true depth of his atonement. A page-turner in the tradition of Scott Turow, *The Mourning Sexton* goes beyond the question of “who done it” to explore the more intriguing questions of why the crime was committed and what it reveals about human nature. Set against the richly textured backdrops of St. Louis's legal establishment and the city's tight-knit Jewish community, and animated by a vivid cast of characters, it marks the debut of an extraordinary new talent.

*The Dan Brown Craze* - Aiping Zhang 2016-05-11

Since the Chinese translation of *The Da Vinci Code* was released in China in 2004, the “Dan Brown Craze” has swept across the country. All of Brown's novels have subsequently been translated into Chinese and sold millions of copies. No living foreign writer has generated so much media coverage and scholarship in China within such a short period of time; not even Toni Morrison or J.K. Rowling. Brown's rendering of dichotomies, such as science and religion, humanity and divinity, good and evil, and

liberty and privacy, resonates well with his Chinese readers because they feel that these issues are no longer irrelevant to them. They see an urgent need for a revision, if not an entire redefinition, of their existing beliefs and values. This book examines the plot, characterization, themes, setting, codes, knowledge, institutions, and techniques in his novels, and delivers a careful textual analysis, a selective dissemination of relevant information on different subjects, and a perceptive comparison between Brown and other Chinese and Western writers. As such, it shows how his thrillers have been appreciated and studied in China, and what kinds of discoveries, challenges, controversies, and insights have surfaced in the Chinese appreciation of Brown's novels. Furthermore, the book explores why the “Dan Brown Craze” has lasted this long and exerted a broad and far-reaching impact upon the reading, writing, studying, translating, publishing, and marketing of fiction in China.

**You Will Never Find Me** - Robert Wilson 2015-04-07

A father follows his runaway daughter into a world of crime and espionage in this thriller by “one of the more sophisticated writers in his field” (Kirkus Reviews). Amy Boxer, the precocious, frustrated daughter of kidnap consultant Charles Boxer and DI Mercy Danquah, has decided on drastic action: She's leaving home. But Amy can't just walk out. First she goads her parents with a challenge: YOU WILL NEVER FIND ME. Amy's destination: Madrid. Here, in the strobe lights of bars and crowded dance clubs, she's anonymous and untraceable. Except to a volatile, unpredictable leader in the city's drug trade, the man known only as El Osito. Boxer will use his very specific set of skills to retrace Amy's quickly vanishing steps. Meanwhile, Detective Inspector Danquah has her own missing person case in London: the young son of a retired Russian secret service agent who's trying to learn who poisoned his colleague, Alexander Tereshchenko. As the detective begins her search, a body is found in Madrid. And Amy's father may be the next target . . . The Gold Dagger Award-winning author of *A Small Death in Lisbon* “demonstrates, as Graham Greene did long ago, that thrillers are the liveliest, most gripping, most thought-provoking literary enterprises going today” (Los Angeles Times Book Review). “Few writers—in any genre—can match Wilson's depth of character and plot or his evocation of place.” —The Boston Globe

**Black Cat Weekly #86** - K.L. Abrahamson 2023-04-22

*Black Cat Weekly #86* features 3 original stories: a sequel to Edgar Allen Poe's "The Casque of Amontillado" by Phyllis Ann Karr, and mysteries by K.L. Abrahamson and Andrew Welsh-Huggins. Plus series stories from Robert E. Howard (Solomon Kane) and Hal Meredith (Sexton Blake). Plus novels from Zenith Brown (writing as David Frome) and Edgar Rice Burroughs (a "Lost World" tale).. Abrahamson [Michael Bracken Presents short story] "Steering Clear of Trouble" by Hal Charles [Solve-It-Yourself Mystery] "Habits" by Andrew Welsh-Huggins [Michael Bracken Presents short story] "Poker-Work" by Hal Meredith [short story, Sexton Blake series] In At the Death by Zenith Brown [novel] Science Fiction & Fantasy: "The Revenge of Fortunato" by Phyllis Ann Karr [short story] "Earth Needs a Killer," by Bryce Walton [short novel]

"Dark Recess" by George O. Smith [short novel] "Red Shadows" by Robert E. Howard [short novel, Solomon Kane series] The Land of Hidden Men, by Edgar Rice Burroughs [novel]

**Death Comes to Bishops Well: The Shires Mysteries 1** - Anna Legat 2021-08-26

☐☐☐☐ 'Miss Marple meets Midsomer Murders!' ☐☐☐☐ 'I wanted to move to Bishops Wells' ☐☐☐☐ 'A wholly engaging whodunnit . . . fun and entertaining' When Sam Dee moves to the beautiful Wiltshire village of Bishops Well, he expects a quiet life of country walks and pub lunches. OK, so his new neighbour, Maggie Kaye, is a little peculiar, but she's very nice - and his old pal Richard Ruta lives just down the road. But when Richard throws one of his famous parties, things take a sinister turn. Sam, Maggie and the rest of the guests are dumbfounded when Richard falls down dead. A horrible tragedy - or a cunningly planned murder? With a village full of suspects - and plenty of dark secrets - just who exactly would want to bump off their host? Is there a connection to another mysterious death, nearly twenty years before? Armed with her local knowledge, Maggie - with Sam's reluctant but indispensable help - is soon on the case. But when the body count starts to rise, will sleepy Bishops Well ever be the same again? BOOK ONE IN A TWISTY NEW WHODUNNIT SERIES, FOR FANS OF MERRYN ALLINGHAM'S FLORA STEELE MYSTERIES, THE BELINDA PENSHURST NOVELS AND JOY ELLIS. What readers are saying about Anna Legat: 'Brilliant. I didn't want to put it down!' 'It's a rare author who can keep me guessing until the end - and the ending was a shocker' 'Plenty of twists and turns' 'A brilliantly complex spaghetti of unrelated sub-plots to challenge any armchair sleuth' 'I thoroughly enjoyed this book, reading it cover to cover in a weekend' 'I shall look out for more from Ms Legat'

**Cause of Death: The Shires Mysteries 3** - Anna Legat 2022-04-14

☐☐☐☐ 'A gripping cosy mystery . . . kept me guessing and on the edge of my seat' ☐☐☐☐ 'Well above most modern cosy crime' ☐☐☐☐ 'Lovely humour and quirky characters' All is not well in the village. The local meadows have been the pride of Bishops Well for hundreds of years, but now they are facing the sharp blades of developers. The landowner is a rich and reclusive author who is happy to see them destroyed, but the villagers - including Sam Dee and Maggie Kaye - are fighting back. Until, that is, someone decides to silence one of their number permanently. As Maggie and Sam soon discover, there is more than a quick buck to be made in the developers' plans. There are age-old secrets and personal vendettas that could have deadly repercussions in Bishops Well today. With Sam's legal expertise and Maggie's... well, Maggie-ness, they delve into the past, determined to unearth the truth. And, as sparks begin to fly, could there finally be something more between this sleuthing duo? BOOK THREE IN A TWISTY NEW WHODUNNIT SERIES, FOR FANS OF MERRYN ALLINGHAM'S FLORA STEELE MYSTERIES, THE BELINDA PENSHURST NOVELS AND JOY ELLIS. What readers are saying about Anna Legat: 'Brilliant. I didn't want to put it down!' 'It's a rare author who can keep me guessing until the end - and the ending was a shocker' 'Plenty of twists and turns' 'A brilliantly complex spaghetti of unrelated sub-plots to challenge any armchair sleuth' 'I thoroughly enjoyed this book, reading it cover to cover in a weekend' 'I shall look out for more from Ms Legat'

*Shades of Silence* - Gloria Marlow 2014-02-14

Sara Jennings yearns for silence from the gift that enables her to feel what those around her are feeling. Drake Sexton longs to end the silence that has overtaken his young daughter Kelsey since the night of her mother's death. In desperation, he seeks Sara out, hoping beyond hope that she can help his daughter. Kelsey Sexton is locked in a world of silence, frightened and alone, until Sara Jennings enters her life. Kelsey's mother, Madeline Sexton, died in what appeared to be a suicide, but Sara realizes quickly that what Kelsey witnessed the night of her mother's death was not suicide, but murder. Determined to help both Kelsey and Drake, Sara embarks on a journey that takes her into the deepest, darkest secrets of Madeline Sexton's life. With every step of the way, she realizes that Madeline's killer is willing to pay any price to keep his secrets silent.

**Bowker's Guide to Characters in Fiction 2007** - 2008-02

**Sexton Blake's Allies** - Mark Hodder 2020-12-08

SPIES, PRIVATE EYES AND DANGEROUS WOMEN Every hero has allies; men and women of great ability and character, drawn into their orbit by circumstance and adventure. This was never truer than for Sexton Blake, Britain's greatest detective From the splendour of the Orient Express to the quiet countryside of the Chilterns and the vast Australian outback, Sexton's allies battled the worst criminals of their

age. James 'Granite' Grant, The King's Spy, steps in to save the Crown Jewels. Ruff Hanson, the dynamic American Gunsmith teams up with Splash Page, ace reporter, to investigate a mysterious Ghostmobile in Buckinghamshire, while the formidable Mademoiselle Yvonne Cartier seeks vengeance Down Under, in a fight not just for justice, but her own future. "Makes Jack Reacher look like a bungling amateur...definitely not be missed." — The Crime Review

*Alive* - Sharon Bolton 2018-03-01

For fans of Val McDermid, Elly Griffiths and Peter May, prepare to delve into the dark world of The Craftsman with *Alive*, the ghostly short story thriller by Sunday Times bestseller Sharon Bolton. A dark moon is rising. A perfect black circle, barely visible in the night sky, the dark moon casts its void over the wind-scorched moor, over the soaring mass of a great limestone hill, and over the town that cowers in its shadow. The dark moon is the absence of moon before the slender silver crescent of the new moon appears again and people can breath a little easier. The month is March and the night is clear and cold, black as pitch. The full moon in March is known as the Worm Moon, welcome despite its ominous name, marking as it does the end of winter and the emergence of earthworms from the thawing ground. Dark moons have never been named, although they are sometimes called the dead moons. The dark moons reign over nights when people stoke up their fires, draw their curtains tighter and try to think happy thoughts. In the town of Sabden at the foot of Pendle Hill in Lancashire they usually fail. In Sabden's soot-blackened terraced houses, the sleepers' dreams darken when the moon leaves the sky. Infants wake up cold, mothers tremble with elusive fears for their children and old folks slip a little closer to death. Only the Craftsman welcomes the dark moon. Alone in the town, he is awake, and ready to start work. *Alive* is a nail-biting, heart-racing, page-turning thriller that will have you up all night and includes an extract of Sharon's upcoming novel The Craftsman. *Alive* is the perfect appetiser to wet your appetite for Sharon's crime-fiction reads - a gripping tale that will leave you terrified to turn the lights off!

**Face Value** - Michael A. Kahn 2014-06-06

"Rachel's fans will enjoy her latest case, which highlights the consequences of greed as well as the abilities of the disabled." —Booklist As St. Louis attorney Rachel Gold knows firsthand, the demands of the profession can take a toll on young lawyers. Some turn to drugs, some give up the job and occasionally one gives up altogether. According to the medical examiner, Sari Bashir belongs in the latter category. After she fell from the eighth floor of the downtown garage, the police rule her death a suicide and move on. However, Stanley Plotkin, the law firm's eccentric mailroom clerk, is sure that Sari was murdered. Stanley, a genius afflicted with Asperger's Syndrome, cannot read emotions from other's facial expressions. To compensate, he studies the voluminous facial action coding system to help him navigate social situations. His mastery of that system has convinced him that Sari was not suicidal. Armed with evidence that only he can see, he turns to Rachel for help. While Sari was her friend, she's reluctant to investigate before an impassioned plea from Sari's grieving father convinces her. With the help of some unlikely allies, Rachel begins uncovering a vast criminal enterprise rife with collateral damage—and Sari's death is only the beginning...

*Who Killed My Mother?* - Lexi SEXTON 2018-06-29

Beautiful. Intelligent. Deadly. She started life in Russia, the daughter of a KGB Agent forced to flee for her life when she was twelve. Many countries, many names later she arrived in America to avenge the murder of her Mother. She'd narrowly escaping death herself. Now all Mia Smits as she called herself, wanted to do was find out who killed her mother and avenge Marta's death. She didn't plan to be distracted by her handsome neighbor, or let anybody know the details of her former life. That could prove fatal. She got distracted anyway, not only by Guy, the neighbor, but by blackmail and another murder. If you like mysteries with strong, clever women, you will love WHO KILLED MY MOTHER by Lexi Sexton. Get it now and enjoy a great read!

*Fallen for You* - Carlie Sexton 2016-04-14

For the last three years, twenty-four-year-old Kate Simmons has blamed herself for her fiancée's death... She's been unable to face the risks of a new relationship. But when Kate moves into a San Diego apartment with her best friend, Charlie, she's ready for a new lease on life. What she doesn't see coming is the onslaught of male attention headed her way. Before Kate knows it, she has her pick of guys... Roger Wilkins, the apartment building manager, is a really nice guy, and there's no denying his attraction to Kate, despite the fact that he already has a girlfriend. Appearances can be deceiving, though—and Kate wonders if something

dark lurks beneath the surface. Then there's Mark Baxter, Kate's super attractive classmate. But he's got a gaggle of girls after him, and Kate has no interest in becoming just another groupie. Finally, there's Neil Statton, Kate's thirty-year-old alumni mentor. He hasn't been in a relationship since his wife passed away, but he certainly knows how to attract the ladies. Plus, he always gets what he wants. Kate's blooming romances are tricky to juggle... Kate has to choose, and it isn't going to be easy. She doesn't want to give Neil the time of day, while Mark pursues her relentlessly. When Roger informs her his girlfriend has been murdered, something feels off, and Kate becomes suspicious. What could Roger be hiding? Kate is ready to live her life again, and romance is knocking. But she must choose."

2006 Novel & Short Story Writer's Market - 2005

**The Mourning Sexton** - Michael Baron 2006-02

In this deft, multilayered thriller, a disgraced lawyer trying to revive his tattered career discovers that exacting justice in a complicated murder case demands something far more personal than a well-honed display of legal expertise in the courtroom.

**Stay Of Execution** - Michael Gilbert 2012-09-30

Michael Gilbert was never afraid to attack unnecessary bureaucracy, and did not cover up the seedier side of the law, or fail to show justice does not always prevail. The general themes can be found in this volume.

'Back on the Shelf', in which less than scrupulous lawyers get away with it, is regarded as a classic.

*Beholden to You* - Carlie Sexton 2013-12

On the heels of tragic loss, the stunning and innocent Natalie Mason, meets handsome business mogul Mac Carter. As Natalie attempts to pick up the pieces of her shattered life, circumstances beyond her control draw her and Mac into a situation she wants kept secret. The two are a matched set having both experienced immense loss in their lives.

Uncertain of what she should do, she decides to give fate a chance, opening her heart to Mac, who just wants to love her. But the past, who often times takes no prisoners, rears its ugly head in a double dose.

Mac's ex-girlfriend cannot accept that their love affair is over and takes

drastic measures through deception and blackmail to ensure that Mac will be hers. Natalie, on the other hand, has to face the one responsible for her sister's death. As her journey begins to bring justice and closure, the past transports to her feet an unexpected surprise—a long lost love desiring to possess her as his once again. Will Mac and Natalie's newly blossoming love be able to endure what the past has delivered or will the victors of their hearts be the old flames who are staking their claim?

**Capitol Threat** - William Bernhardt 2007

When Oklahoma attorney Ben Kincaid came to Washington, D.C., to defend a senator caught in a red-hot sex scandal turned murder case, he never dreamed he'd end up trading the courtroom for the senate chamber. And after his not-so-distinguished client stepped down, Ben found himself appointed to complete the sullied senator's term. Now, having barely gotten his political sea legs, he must rise to yet another challenge: advising the president's next Supreme Court nominee during the sometimes thorny confirmation process. Luckily, Judge Thaddeus Roush's popularity on both sides of the aisle looks to make him a shoo-in. Until he decides to out himself on national television—igniting a Beltway uproar and setting the stage for a bare-knuckle partisan brawl. Forced to scramble for spin control, Ben hastily calls a press conference for the now controversial candidate. But the photo op becomes a tabloid nightmare when, on live TV, a brutally murdered woman is discovered in the judge's backyard. For the political forces out to torpedo the nomination of a gay Supreme Court Justice, the shocking turn of events is pure gold. With the secret backing of the president and a made-to-order new candidate waiting in the wings, the cagey senate majority leader and his most ruthless allies mount a smear campaign that would put Joe McCarthy to shame. But Team Kincaid isn't about to let the best man for the job get derailed. While Ben uses his best courtroom strategies to wage a war of words, his crack private eye, Loving, hits the capital streets to fight a much more hands-on battle—with hustlers, hit men, and homicidal hoods—as he digs for dirt in places even Deep Throat would avoid. It's soon clear that this game is anything but politics as usual. In *Capitol Threat*, William Bernhardt serves up a resounding one-two punch of political intrigue and legal suspense peppered with a volley of his trademark plot twists, sly wit, and persistent thrills.
