

Muslims Christians And Jesus Gaining Understanding And Building Relationships

Jesus and the Religions - Bob
Robinson 2012-03-23

How should followers of Christ
live in a multi-religious world?

This book argues that the
example of Jesus has
something fresh and helpful to
say to those who ponder the
question. It takes something
old--the example of Jesus--to
say something new to our
pluralist world. Most of the
book examines the meetings of
Jesus with Gentiles and
Samaritans. These are found in
some of the most poignant and
dramatic encounters and
teaching passages in the
Gospels: a synagogue address
with near-murderous
consequences; the healing of a
pagan centurion's servant; the
setting free of the afflicted
child of a Gentile mother; a

moving encounter at a
Samaritan well; the unlikely
story of a compassionate
Samaritan--and more. This is a
scholarly but accessible
discussion of what it might
mean to "have the same
attitude of mind that Christ
Jesus had" in our contemporary
multi-religious world.

Following Jesus - Blake Ferriss
2019-05-15

Jesus spoke to the people once more and said, "I am the light of the world. If you follow me, you won't have to walk in darkness, because you will have the light that leads to life." John 8:12, NLT

Following Jesus: An Approach to Christian Spirituality provides a basis for understanding how the Lordship of Christ is the essential criterion for determining how Christianity functions as a relational experience with God. With that relational experience, for the believer in Christ, being the product of supernatural experience with the Holy Spirit. The book functions as an organizing tool to be used for a conscientious inquiry into how a Christian worldview operates in four relational categories of experience. With these

relational categories act as a basis for understanding how our choices affect our lives, and our futures, both now and in life, and eternally, and how it is that God loves us and will give our lives the meaning and purpose that we all long for.

Hospitality, Service, Proclamation - Tom Wilson
2019-04-30

In 'Hospitality, Service, Proclamation', Tom Wilson seeks to demystify the interfaith project. Written for ordinands and those preparing to minister in neighbourhoods where interfaith and intercultural dialogue are essential, Wilson argues that rather than a threat to churches, interfaith dialogue is an important tool for discipleship.

Women and Gender in the Qur'an - Celene Ibrahim 2020

Stories related to gendered social relations permeate the Qur'an, and nearly three hundred verses involve specific women or girls. These stories weave together theology and ethics to reinforce central Qur'anic ideas regarding

Muslims Christians And Jesus Gaining Understanding And Building Relationships

submission to God and moral accountability. Women and Gender in the Qur'an outlines how women and girls - old, young, barren, fertile, chaste, profligate, reproachable, and saintly-enter Qur'anic sacred history and advance the Qur'an's overarching didactic aims.

Joyful Witness in the Muslim World (Mission in Global Community) - Evelyne A.

Reisacher 2016-09-20

This up-to-date textbook features global perspectives on current Christian engagement with Islam, equipping readers for mission among Muslims. Evelyne Reisacher, who has worked extensively with Muslims in Europe, helps readers move from fear to joy as they share the gospel with Muslims. Reisacher surveys areas where Muslims and Christians encounter one another in the twenty-first century, highlighting innovative models of Christian witness in everyday life. Drawing on insights from global Christianity, this survey takes account of diverse

conceptions of Muslim-Christian relations. The book may surprise those who believe mission among Muslims is nearly impossible. This is the first book in the Mission in Global Community series, which reframes missiological themes and studies for students around the common theme of mission as partnership with others. Series authors draw upon their own global experience and that of their global colleagues to illumine present realities and chart a course into the future. Series editors are Scott W. Sunquist and Amos Yong. Bridges of Love and Understanding - Rebekah Davis 2020-11-07 Billions of people in the world have not yet heard the good news about Jesus Christ. How can we reach them? Follow the adventures of the author as she journeys into the lives of Muslims, seeking and discovering how to effectively deliver the saving message of Jesus Christ to those who need to hear it. Delve into the culture and faith of Muslims,

Muslims Christians And Jesus Gaining Understanding And Building Relationships

and emerge with a perspective that will reshape the way you reveal the Savior to the world. Bridges of Love and Understanding is an inspiring witness of the unstoppable power of Jesus Christ and his deep love that reaches to the ends of the earth. -Learn the easiest way to share the gospel with anyone-Gain insight and understanding about Muslims-Be thrilled by true stories of Jesus's love that knows no bounds"As a sojourner living in an Islamic culture, Davis often begins conversations with physicians, students, and taxi drivers, by asking: 'What do you love about God?'-a question that many Muslims answer with an enthusiasm and passion that might surprise us. In recounting such fascinating encounters and the relationships that often follow, Davis invites Christian readers to ask: what shall we make of those who are in the 'wrong religion' but have 'the right kind of faith?' "Bold, engaging, discerning, scripturally informed, and eminently practical, her book is candid,

disarming, and a delight to read-and reread. Davis offers us a refreshing alternative to agenda-laden apologetics. She offers us, instead, a guide and testimony revealing how to walk in step with the Spirit Who moves upon all flesh to draw all persons to Christ and to one another." -Skip Horton-Parker, PhD; London School of Theology; St Leo University

developments in the Middle East affect the West · A new chapter answering tough questions about terrorism, Christian converts, and other key topics Medearis shows how common ground is the best foundation for hearts turning to Jesus rather than focusing initially on the differences between Islam and Christianity.

Muslims, Christians, and Jesus Participant's Guide - Carl Medearis 2013-06-05

Beyond Our Walls - Anita Rahma 2022-11-15
Finding True Worth in the

Muslims Christians And Jesus Gaining Understanding And Building Relationships

Slums With over one billion people living in urban slums today, these communities are arguably one of the largest unreached demographics in the world. The challenge is great, as are the sacrifices of living there, yet the Lord can do much with a willing follower. So, what if choosing to live in a slum is a way to become closer to Jesus? *Beyond Our Walls* provides a unique window into what ministry in an urban slum setting can look like. The author shares the amazing story of God's faithfulness in her life, as she follows Jesus into the slums of Jakarta, Indonesia, and still lives there twelve years later with her husband and two young sons. Not only have her Muslim neighbors had an opportunity to get to know a follower of Jesus, but the author herself has been forever changed by her experiences. Readers will be moved and challenged by this book. It provides an intriguing testimony that will appeal to those interested in Muslim/Christian relations. And women already on the

mission field will find it especially encouraging as the author reflects on the difficult aspects of mothering on the field and the faithfulness of Jesus through the hard years of parenting small children. While life in the slums is often hard, the joys are many as well. *THE GUIDE TO ANSWERING ISLAM* - Daniel Janosik 2019-01-26 The average Christian knows somewhat how dangerous radical Islam is because of the regular media coverage of beheadings of Christians, Jews, and even young little children, not to mention Muslims with which they disagree. However, the average Christian does not know their true beliefs, just how many there are, to the extent they will go to carry out these beliefs. Daily we find Islamic commentators on the TV and radio, offering up misleading information, quoting certain portions of the Quran while leaving other parts out. When considering Islamic beliefs, other Islamic writings must be considered, like the Hadith or Sunnah, and

Muslims Christians And Jesus Gaining Understanding And Building Relationships

the Shariah, or canon law. While Islam, in general, does not support radical Islam, the vast majority do support radical beliefs. For example, beheadings, stoning for adultery or homosexuality, suicide bombings, turning the world into an Islamic state, and far too many other heinous things. THE GUIDE TO ANSWERING ISLAM provides Christians with an overview of Islamic terminology. The reader will learn about Muhammad's calling, the history of the Quran, how Islam expanded, the death of Muhammad and the splinter groups that followed. In addition, the three sources of their teaching, six pillars of belief, five pillars of Islam, the twelfth Imam, and much more will be discussed. While there are several books on Islam and radical Islam, this will be the first that will prepare its readers to communicate effectively with Muslims in an effort toward sharing biblical truths. THE GUIDE TO ISLAM will be an effective evangelism tool. In addition, each chapter

will end with review questions, helping the reader recall the main points of the chapter. Therefore, it can be studied alone or in a church Bible study setting. THE GUIDE TO ANSWERING ISLAM has the contents constructed in a way that will greatly serve the Christian Church. There are many recent books written by Christians about Islam, and there are many books written recently about radical Islam. However, none of these recent books attempts to do what has been done, which is to give an adequate portrayal of Islam, critiqued by history and Christian doctrine, and then culminating in an extensive evaluation of the rise of Radical Islam from a Christian's perspective.

Islamophobia and Psychiatry -

H. Steven Moffic 2018-12-17

The book begins by covering the general and clinical challenges that are unique to Muslims, drawing from an internationally, ethnically, and intergenerationally diverse pool of experts. The text covers not only how psychiatrists and

Muslims Christians And Jesus Gaining Understanding And Building Relationships

other clinicians can intervene successfully with patients, but how we as clinicians can have a role in addressing other societally connected mental health challenges arising from Islamophobia. The text addresses three related but distinct areas of interest: Islamophobia as a destructive force, Islam as a religion that is threatened by stigma and misinformation, and the novel intersection of these forces with the field of psychiatry. Islamophobia and Psychiatry is a vital resource for all clinicians and clinicians in training who may encounter patients struggling with these issues, including adult and child psychiatrists, psychologists, primary care physicians, counselors, social workers, and others.

Glocal - Rick Love 2017-07-14
Three far-reaching global trends—terrorism, pluralism, and globalization—have irrevocably altered how we live, think, and communicate in the twenty-first century. We now live in a “glocal” world: what happens globally impacts

us locally, and what happens locally impacts things globally. These changes have profound implications for followers of Jesus. Rick Love offers biblical wisdom and practical insights on how to navigate the complexities of communication in this interconnected world. He also invites you to an inward journey that helps you better discern how the things of the heart relate to the work of the ministry. *Glocal: Following Jesus in the 21st Century* is a call to be a faithful follower of and a winsome witness for Jesus. Love will help you better embody and communicate a core message worth dying for, an integrated identity worthy living for, and a global dream worth suffering for.

Insider Movements - Jeff Morton 2012-05-18

In 1938 the Reverend Henry H. Riggs wrote "Shall We Try Unbeaten Paths in Working for Moslems?" He encouraged the church to help Muslim converts remain inside Islam so that they might not lose their cultural identity. These ideas

Muslims Christians And Jesus Gaining Understanding And Building Relationships

were soundly denounced by leading missionary scholars of the time: Samuel Zwemer, J. Christy Wilson, and Hendrik Kraemer. In the 1980s Riggs's suggestions bubbled up to the surface with new life in Bangladesh, but the proponents of these views-- known as the insider movements (IM)--maintained a low profile. The church did not know what was taking place in Bangladesh until the 1990s when anonymous authors published papers with made-up locations reporting hundreds of thousands of new believers. Today, proponents of IM support their observations of what God is doing among Muslims with eight biblical passages. If the biblical support is real, it behooves you to support missionaries who advocate for IM; but if the biblical evidence is absent, you will have a difficult decision to make. The purpose of this book is help clarify the insider movements' claims and paradigm by simply examining the Scriptures.

How Big is Your Tent? -

Peter DeHaan 2018-01-24
Who's welcome in your spiritual tent? Who's not? In matters of faith, who's in? Who's out? Do your answers please God? In *How Big Is Your Tent?* Bible scholar and church-reform advocate Peter DeHaan, PhD, reveals the shocking truth about Christian unity, tolerance, and love that too many people get wrong. Some isolate themselves and shut their tent up tight. While others blow open the sides and claim that any path is good. What's the middle ground look like for the ideal tent? In this concise, easy-to-read book, you'll discover: - The last thing Jesus prayed in his final prayer and why it matters so much - The key element of our faith foundation - What the Bible doesn't say about salvation and what many people get wrong - The essential requirement that we must all do - Who we should welcome into our tent and how to treat them Learn why making up your own religion won't work—even though that's exactly what most people try to do today. We can't make God in

Muslims Christians And Jesus Gaining Understanding And Building Relationships

our image and expect that approach to work. The Bible gives us the answers, but most people miss them. And too many clergy spout manmade ideas that miss the mark. It's time to uncover the truth from a biblical perspective. Answer the call for Christian unity, tolerance, and love. And that will make for a most glorious tent. Get your copy of *How Big is Your Tent?* today and embrace faith just as Jesus prayed you would.

Jesus Centered Youth Ministry - Rick Lawrence
2014-03-07

"If all I did for the next 10 years was pass along this book to hungry youth leaders, I would have a fruitful decade."
—Dave Rahn, Senior Vice President and Chief Ministry Officer for Youth For Christ "In this book, Rick calls us to run arm-in-arm with teenagers—to the epicenter of that mystery, that person, that incarnate child, that troublemaker, that up-ender, that ultimate rescuer." —Mark Oestreicher, Partner, The Youth Cartel
There's a surging hunger

among teenagers for Jesus.

New research shows that they want a clearer understanding of what Jesus really said and did, and how faith matters in their lives. In fact, that desire is so deep, it's #1 on their "wish list" for what they'd like to talk about at church. But are we doing that? Even though we assume that everything we do in youth ministry is about Jesus, the evidence is clear: That's not what our students say they're experiencing. So what would a youth ministry look like if it shifted toward a passionate, persistent, and permeating focus on drawing students into a closer orbit around Jesus? Inside the pages of *Jesus-Centered Youth Ministry*, you'll discover the foundation for a ministry that is Jesus-centered, along with the bricks for building it. You'll discover that not only is it possible to create this kind of ministry, it's also essential that you pursue this path. Eight years after his book was first published, introducing the language and structure of a new way of doing youth

Muslims Christians And Jesus Gaining Understanding And Building Relationships

ministry, author and longtime Group Magazine editor Rick Lawrence has completely rewritten and revised Jesus-Centered Youth Ministry. It's packed with new insight, new research, and dozens of field-tested ideas for planting and nurturing a ministry environment that is Jesus-magnetic. Help satisfy teenagers' hunger for Jesus in richly nourishing and sustaining ways by shifting the orbit of your ministry.

Narratives in Conflict -
Matthew Aaron Bennett
2019-11-18

Did Jesus die on the cross for our sins as the Gospels describe? Or, as Muslims often contend, was Jesus rescued to heaven in order to avoid the shameful crucifixion that would be unbecoming of a messenger of God? This debate has raged for generations and has caused no shortage of frustration among those seeking to explain the central teaching of the Christian faith to those influenced by the Qur'an. What this book aims to do is uncover four barriers to understanding

the biblical teaching on atonement that likely exist in the minds of our Muslim friends prior to asking about the historical reality of the Christ event. What we will discover is that the Qur'an diverges from the biblical teaching on atonement at the lexical, ritual, narrative, and worldview levels. Each of these points of divergence presents a barrier to communication. Therefore, before arguing with our Muslim friends that Jesus died on the cross, we must provide an answer to the prior question, why would it matter? This book argues that the Letter to the Hebrews provides a particularly helpful biblical starting point for overcoming all four barriers.
