2020-06-03

Is he for real or Too Good to Be True? Since Stacy's marriage failed, she hasn't had much luck with dating. However, she has a great job, wonderful friends, and a huge stack of romance novels to get lost in. What more does she really need? When she's asked to train her boss's nephew, she expects him to be no different from her other trainees. She certainly didn't expect him to be a hot, younger man like the hero in her current book club pick... Nick moved from Florida to Michigan to take a temporary job working for his aunt. He doesn't intend on staying, and he certainly didn't intend to fall for the older woman who was assigned to train him. If only she'd stop fighting their attraction and give him a chance... Stacy desperately tries to

convince herself that Nick isn't the guy for her. Besides being her boss's nephew and several years younger than her, he's only in Michigan temporarily. What good would it do to get involved with him? Never mind that he's sweet, sexy, and smart, and he makes her toes curl. Just like the heroes in her romance novels, he must be...Too Good to Be True. Too Good to Be True, an older woman younger man romance, is book one of the Kiss & Tell Book Club series.

examining past experiences, understanding family dynamics, and exploring the place of spiritual connection in the dating world, Dr. Sherman illuminates the path to self-awareness - the path that leads to the kind of real love you have been searching for. Finding your dating style and the set of beliefs you hold about your self-worth liberates you from just spinning your wheels and repeating mistakes. Dr. Sherman shows how we can become the partner we wish to attract, and asserts that anyone can learn how to truly let go of their past, embrace the present, and use the Law of Attraction to draw in a partner who is perfect for who you are -- without pretending to be someone you're not.

Post Graduate Work - Claudine M. Neumann
2009

Mainstream films have been known to attend to romantic relationships from many different angles, offering the notion that even the most disparate relationship can achieve happily ever after. Employing a theory developed by Walter

Fisher, the Narrative Paradigm (Fisher, 1984) and utilizing a feminist criticism framework, this study examines the representation of the Older Woman/Younger Man romantic relationship in film today. This study examines two US mainstream films: *Prime* and *How Stella Got Her Groove Back*, to show how films of older women, younger men age disparate relationships are typically unaccepted in society based on the rhetorical construction and underlying portrayal of heteronormative patriarchy. Examining the narratives in these films, it is apparent that Western culture continues to utilize hegemonic patriarchal beliefs and values as the acceptable mainstream ideology. An examination of how these films contribute to this notion will be discussed, prior research examined, and future implications explored.

ABOUT THE BOOK "Older women, are beautiful lovers." So goes the song made famous by country crooner Ronnie McDowell in 1981. And he was right. For years, younger men of a certain type have always enjoyed the company of older women. The mystery, the worldliness, the experience - it's all something young men crave, and something many young women lack. The phenomenon of younger men having relationships with older women is nothing new. Silver screen legend Mae West, who coined the phrase, "Why don't you come up and see me some time?" kept a harem of young men well into her 60s. Catherine the Great, the sexually independent Russian ruler, had a string of younger lovers, and the last one was 40 years her junior. Celebrity couples with an older women in recent years have included Courtney Cox and David Arquette (7-year difference), Vivica Fox and rapper 50 Cent (11-year difference), Cher and Rob Camilletti (18-year difference), and Madonna and Brahim Zaibat

(29-year difference). And, of course, there's Demi Moore who is 16 years older than her now-estranged husband, Ashton Kutcher. EXCERPT FROM THE BOOK To get a man, any man, you have to put yourself out there. To get a younger man requires a little more work because some might overlook you automatically. This isn't because you're not attractive, it's simply because most men are hardwired to look for women their own age or younger. To find him, you must seek him. Join an online dating site, whether it's one designed specifically for cougar-cub romances or one that caters to mainstream romances. Whichever site you choose, be specific in your age limits. How old is too old? And how young is too young? Use an attractive recent photo, preferably a headshot where you're smiling or otherwise look appealing. Keep it classy, though. You want him to be curious to know more about you, not about how fast he can bed you. Pick up a hobby that interests you, but one which also attracts young men. Do you enjoy skiing? Join a

singles club that welcomes all ages for skiers. Any outdoor activity such as hiking, bicycling and boating often have young, male devotees. Don't start heading to NASCAR races if you really don't enjoy it, but don't skip out on something simply because it might not attract younger men. Cooking classes are often filled with young men. You'd be surprised at how many 20-something men are picking up sewing! Don't worry if the object of your desire isn't single. Strike up a conversation with him anyway. He probably has plenty of single friends!... Buy a copy to keep reading! about May/December relationships. So many times in life people make judgments about one another based solely upon the traditions of the sect of society in which they were raised. More times than not their judgments are wrong, simply because they've chosen to base them on incomplete information. Once they have all the pertinent information concerning that subject their perception changes drastically. Changing people's perceptions is precisely why we wrote this book. Our hope is that once people read this book about our lives they will see that love truly does conquer all. Society says it's OK for a much older man to date a much younger woman. Yet when it comes to a much older woman dating a much younger man the double standard is revealed. Love truly transcends all of our societal misinformation. Love does not look at age, appearances, wealth, health, or any of the other ridiculous limitations that humans have put on relationships. Love knows no boundaries. It's not limited by our finite thinking. Love is the

pure essence of two souls merging to become one. This is our story of two souls becoming one. [Everything She Ever Wanted](#) - Liz Durano

Young, Sexy, Addictive & Forbidden - Sheila Gail Holmes 2009-12

In this story the author plots a scenario of love at its best, the height of passion at its peak, pain and heartache at its worst. It's powerful, bold and provocative, and it addresses real-life issues that can sometimes confront a relationship where age and love come face to face. It's an honest look at a situation that is definitely lived but often untold because society seems to frown on older women who prefer a much younger companion. True love is not an easy find at any age, but for us middle-aged, seasoned women, keeping it is just as hard as finding it. This story is one where the readers will think they know the characters personally. It gives a bittersweet emotional depth into the

struggles of a relationship between a younger man and an older woman and how the power of love doesn't always conquer all.
