kindergarten, first grade, and other separations. Now younger children can get in on Mama Raccoon's secret and find comfort in *A Kissing Hand for Chester Raccoon*, a board-book adaptation of the original picture book. Chester could feel his mother's kiss leap straight into his heart. "With a Kissing Hand," said Chester's mom, "We'll never be apart." "Just press your hand upon your cheek and feel that loving glow. It's Mommy saying, 'I love you,' wherever you may go." *The Kissing Hand* has become a children's classic that has touched the lives of millions of children and their parents. *A Kissing Hand for Chester Raccoon* conveys the heart of the story in rhyming verse, perfect for read-aloud and easy for even the little ones to remember and recite. With illustrations by Barbara Gibson that capture the warmth and beauty of the original artwork, toddlers now share in the benefits from Mrs. Raccoon's secret for making a child feel safe and secure.

Birthday Letters - Ted Hughes 2009-12-03

Ted Hughes's *Birthday Letters* are addressed, with just two exceptions, to Sylvia Plath, the American poet to whom he was married. They were written over a period of more than twenty-five years, the first a few years after her suicide in 1963, and represent Ted Hughes's only account of his relationship with Plath and of the psychological drama that led both to the writing of her greatest poems and to her death. The book became an instant bestseller on its publication in 1998 and won the Forward Prize for Poetry in the same year. 'To read [*Birthday Letters*] is to experience the psychic equivalent of "the bends". It takes you down to levels of pressure where the undertruths of sadness and endurance leave you gasping.' Seamus Heaney 'Even if it were possible to set aside its biographical value . . . its linguistic, technical and imaginative feats would guarantee its future. Hughes is one of the most important poets of the century and this is his greatest book.' Andrew Motion

Otto the Owl Who Loved Poetry - Vern Kousky
2015-02-24

An owl with an unusual passion learns to shine in this fresh, funny debut picture book introducing a poetry-loving owl whom kids will cheer for. Otto loves poetry—Keats, Rossetti, Dickinson, even T. S. Eliot. He prefers reading to roosting and reciting to hunting. Ordinarily, this wouldn't be a problem. But, you see, Otto is an owl. When the other owls begin to make fun of Otto, he embarks on a difficult journey, finding along the way both his inner poet and a community that accepts him for who he is. Celebrating courage and the importance of sticking with your passion, and incorporating an engaging mix of original and famous poems, Vern Kousky has created an enchanting and inviting world—a forest filled with the sounds of poetry.

Blood, Bread, and Poetry: Selected Prose

1979-1985 - Adrienne Rich 1994-07-17

That Adrienne Rich is not only a major American poet but an incisive, compelling prose writer is made clear once again by this collection, in which she continues to explore the social and political context of her life and art. Examining the connections between history and the imagination, ethics and action, she explores the possible meanings of being white, female, lesbian, Jewish, and a United States citizen, both at this particular time and through the lens of the past.

I See You, Sad Bear - Vern Kousky 2023-07-25

A poetic and comforting story that explores emotional literacy and friendship, perfect for fans of *The Rabbit Listened* and *Be Kind*. Sad Bear, why are you so sad? As we follow Sad Bear through a gloomy day, we can only guess at why he's so blue. Did you drop your ice cream on the ground? Was it your birthday and did all your friends forget? Or maybe there is no reason at

all. You are just simply sad. Soon a friend arrives and tries his best to cheer up Sad Bear. But the truth is, everyone gets sad, and sometimes all we need is a friend by our side. For readers big and small, this moving and gentle tale takes on big concepts like sadness and empathy, helping young readers learn that offering comfort can mean lending a hand or an ear, or simply just being there.

Lawrence - Vern Kousky 2020-01-21

In this funny, charming, and oh-so-relatable picture book, meet a young bunny named Lawrence who is determined to decide what he wears--or doesn't wear. Ever since he was a tiny bunny, Lawrence's mother has dressed him up in all the most fashionable clothes--the brightest colors and the most interesting styles. Lawrence wears homemade sweater suits. And inflatable helium balloon pants. The only problem? Lawrence hates wearing clothes and longs to hop naked through the fields--just like all the other bunnies. So Lawrence comes up with an

ingenious plan to turn the tables on his mother. Ultimately, the mother-son duo devise a way to put their considerable creative talents to use, in a way that makes both of them happy. In this picture book that's perfect for Easter and year round, kids will laugh out loud at (and understand!) Lawrence's quest for independence, just as parents will identify with how hard it is to let go of your one-and-only special bunny....

the year--this book about having confidence in yourself is sure to be a huge comfort.

Cowboy Poetry - Hal Cannon 1985

This collection of poems was chosen from among 10, 000 gathered from cowboy reciters, ranch poets and from a library of over 200 published works of cowboy verse. One third of the poems are classics that have proven their vitality by having lived in the hearts and minds of cowboys and ranchers for decades. The remaining two-thirds are new, created within the last few years.

"Most cowboy poems speak of real events and people, from bucking horses and cagey cows to old Stetson hats and long winter travels. Although they focus on the ordinary stuff of life, their truths . . . seem no less eternal than those penned by William Shakespeare. Some cowboy poems are bust-a-gut funny; a few are downright dirty . . . most carry an honest, primitive power."

The Blue Songbird - Vern Kousky 2017-04-04
A little blue songbird longs to sing like her sisters. But whenever she tries, she cannot get the tune right. Her mother encourages her to leave home and find a song that only she can sing. With courage and tenacity, she travels the world, seeking advice from a crane, an owl, and a mean-looking crow, and other birds, hoping they will lead her to her special song. ABRACADABRA - Thaddeus Hutyra 2016-11-29
The Poetry Universe is a forum for poets and writers on Facebook, created in 2014. Members include experienced poets and beginning poets stepping into the poetry community. Our authors span the globe, and some poems are translated into English to reach a wider audience. My goal, as the forum's founder, was to create a group whose spirit consists of total writing freedom and the widespread wings of the universe of thought. We are all trying to advance our poetic skills, visiting the furthest dimensions of Earth and the universe with our poetic pen, the starship doing wonders. Freedom and the wings of the universe, its unfathomable tides, its

enchanting veils, whether of time or love or anything else, are number one in what is guiding this group. The spirit of the Poetry Universe forum is aptly represented in its member's entries. Poems are written across a broad range of subjects as well as in various styles of prose, and originate from all around the world. One aspect of the forum is our "challenges", which have become very popular. After several challenges specifically designed to create poetry for young readers, we devised the idea of publishing books of children's poems that would also delight parents. And thus, "Chimes And Rhymes For Grownups" was the first book with fairy tales born and now follows another one with as enchanting fairy tales and many more drawings that can attract children's creativity. Let's give it a warm applause: welcome, dear "Abracadabra"! Our poetry book is rich both in excellent poems and enthralling illustrations that children of all ages will adore. We sincerely hope you enjoy this book as much as we have

Milo Is Missing Something - Vern Kousky
2021-05-25

In this rhythmic, lively read-aloud for the youngest children, a little octopus named Milo is searching the ocean for something he's missing. What could it be? The ocean world is strange and new. The coral reefs so colorful. The deep sea caves are dark and cozy. So what is Milo missing? Come along with Milo, a small yellow octopus, as he hatches from his egg and begins to explore the vast ocean. He's sure he's missing something, but he can't quite figure out what it could be. And so he sets off on an ocean adventure, swimming way down deep to explore sunken shipwrecks and traveling from shore to shore, befriending polar bears and jellyfish along the way. Eventually, Milo is too tired to search any longer and falls asleep on the ocean floor. Young ocean fans will love this simple aquatic mystery and delight in the big reveal of what he's been missing--his family!

Harold Loves His Woolly Hat - Vern Kousky
2018-12-11

An Indie Next List Pick! "All libraries should make space on their shelves for Harold."--School Library Journal (starred review) In this sweet picture book that celebrates selflessness and the joy of helping others, a little bear named Harold loses his beloved woolly hat--only to discover that others need it more. What makes a bear special? For Harold, it is his beloved striped woolly hat. He wears it when he sleeps, when he goes to school, and even when he takes his monthly bath. But when a crow whisks the hat off his head and high up into a nest, Harold doesn't feel so special anymore. He tries everything to get it back--offering the crow blueberries, worms, and even shiny objects--but alas, the crow will not budge. Turns out that the hat has a new special purpose: keeping three baby crows warm. This heartwarming picture book features an irresistible bear and gently reinforces the notion that it doesn't matter what
