Position of the Day: Expert Edition - Nerve.com 2007-10-04

We've given half a million very satisfied customers four years to master the positions in the first two Position of the Day collections. Time to up the ante. For this expert edition, the inventive (and apparently fearless) minds at Nerve.com have conceived 365 sexual entwinedments that defy gravity, flexibility, and, let's face it, logic. Wheelbarrows, banisters, logs, birdbaths, skateboards, a trapeze, and pretty much any prop you can imagine take on new meaning when put to use by two (or three or ten) illustrated figures. Readers will be thrilled to find so many new ways to interact with their partners. Get ready for memorable, if nearly impossible, sex for every day of the year. We say, game on!

Nerve - Nerve.com Editors 2008-12-03

Way back in the early days of the Internet, Nerve.com challenged the best writers and photographers of the generation to create work that was explicit in both senses of the word: honest and sexy. Now, ten years later, Nerve.com is renowned for its bold and intelligent publishing on sex. This stunning retrospective celebrates Nerve's impact on popular culture with its stimulating essays, interviews, fiction, and photography. Encased in an electric vinyl case, the book is provocative all the way through with seductive photographs and contributions from celebrated writers such as Jonathan Lethem, Chuck Palahniuk, and Em & Lo on topics ranging from monogamy, to hand jobs, to the best (and worst) sex of a lifetime.

Inside the Inferno - Damian Asher 2017-05-02

"On May 1, one of the worst natural disasters in Canada's history struck Fort McMurray. What began as a small, remote forest quickly became a nightmare for the 90,000 residents of the city. A perfect combination of weather, geography, and circumstance had created a wildfire that was more dangerous than anyone could have imagined. As winds drove the flames towards Fort McMurray, the entire city population was ordered to evacuate. When the fire leapt across the river and started to devour everything in its path, the only people left to face it were the firefighters and support crew tasked with protecting the city. Born and raised in Fort McMurray, Damian Asher was a fifteen year veteran of the city's fire department. When the order went out for all firefighters to report for duty, Damian stopped work on his family's house—which he was building by hand—sent his wife and children out of town, and answered the call. For thirteen straight days, Damian and his crew were on the frontlines of the fire, battling the blaze wherever it encroached upon the city. As homes burned and embers rained down around them, Damian and the rest of the Brotherhood barely slept, rushing from hotspot to hotspot as they struggled to contain the fire. Aid poured in from around the world and the country watched in hope and fear, wondering what was happening on the streets of Fort McMurray. Finally, after weeks of fighting a wildfire that appeared insatiable, the Brotherhood managed to regain control of the city. But the fire had more than left its mark - billions of dollars of damage, exhausted emergency workers, and a scattered citizenry were left in its wake. When Damian's family returned to their home, they found that it and all of their possessions had been burned to the ground. It seemed as though things would never be the same. And yet, as the smoke dissipated and the city reunited, there was hope that life would resume in Fort McMurray."--

The Kama Sutra of Vatsyayana - Vatsyayana 2021-08-29

The Kama Sutra of Vatsyayana Vatsyayana - The Kama Sutra of Vatsyayana by Richard Francis Burton is an edition of the ancient Indian text on sexuality and emotional needs. Vatsyayana was an ancient Indian philosopher who lived during the second or third century. Although it is often thought of as a sex manual, it is much more, with guides on living well, the nature of love, and finding a partner. Indeed, Vatsyayana says himself: 'This work is not to be used merely as an instrument for satisfying our desires'. Burton did not in fact translate the Kama Sutra - it was translated by the Indian scholar Bhagwan Lal Indraji. It was edited by Burton to suit prevailing British attitudes to sex, but was still banned in England and the United States until 1962. Other criticisms levelled at Burton's translation is that instead of using English words for the sex organs, he uses the words 'lingam' and 'yoni', despite those words not appearing in the original work. This was seen as an attempt to distance them and make them 'other', rather than about English people's sexual organs. He also removes the agency of women, and where in the original, women's words are direct quotes, in the Burton translation, women's words are removed and put into the passive state (i.e., A woman saying 'Stop!' becomes 'She continually utters words expressive of prohibition'). Despite all this, it has been such an influential translation that even modern editions in the Hindi language are re-translations of the Burton version. The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vaatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses.

"Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life.

Position of the Day Playbook - Nerve.com 2004-12-30

A position a day keeps the love doctor away A follow-up to the wildly successful Position of the Day from the editors of Nerve.com: yes, yes, YES! It seems that readers do, in fact, want to have sex every day of the year. Picking up where its outrageously successful predecessor, um, got off is Position of the Day Playbook, featuring 366 erotic couplings packed into one chunky, inspiring, and hilarious compendium. Following the publication of Position of the Day, Nerve was bombarded with reader comments: Do any of the positions work better with equipment say, a six-pack and a helmet? And, hey, do I still need to go to the gym if I'm regularly having sex upside down with my head on a chair and my feet wrapped around my lover's neck? Nerve has tried to address these concerns and others in this latest edition. A team of nimble, limber, and extremely attractive volunteers selflessly ventured to the laboratory for months of research and the results of those experiments are now available! • Each sexual position comes with an estimated caloric expenditure (for each person involved), a list of possible side effects (leg cramp, lawsuit), and equipment recommendations (hanging bar, stethoscope, cowboy hat) • Includes a follow-up section for comments and rating boxes for the reader to fill out • Nerve.com has been publishing provocative essays and photography, stimulating reporting, and side-splitting commentary on a daily basis since 1997. Described by Entertainment Weekly as "Playboy's body with the New Yorker's brain," Nerve has won numerous awards, including a Forbes "Best of the Web" selection in 2004 This book is a fun way to keep things exciting and put the spice and adventure back into your relationship. With 366 positions of varying degrees of difficulty for every day of the year — including leap year! • Great bachelorette and Valentine's Day gift • All at once informational and humorous • Publisher's note: Should parties find themselves stuck in one of the positions, they are advised to contact 911 immediately and neither Chronicle Books nor Nerve directly

The Unwanted Wife - Natasha Anders 2014

Delicate, titian-haired Theresa Noble has met her father's associates in the past, but the gorgeous, Italian-born Sandro De Lucci leaves her speechless. Eighteen months into their marriage, however, Sandro has turned to ice. Desperate to escape a relationship that has proven to be as stubbornly passionate as it is cold and hateful, Theresa summons up the courage to ask for a divorce. But before he'll grant her request, Sandro demands something from Theresa: a son. The stalemate sickens her. Never mind that Sandro has yet to introduce Theresa to the large family that means so much to him. Or that Theresa overhears her husband on the phone with a mystery woman. Most damning is that Theresa senses, in Sandro's treatment of her, the behind-the-scenes machinations of Jackson Noble, her cruel father. From the depths of her anxiety, Theresa must seek an empowering truth about the husband who calls her, with such cold affection, his cara, his beloved.
