Ebenezer's Grandson - Leonard Holder

2021-07-31

Faith in God demands obedience and trust. The authors of *Ebenezer's Grandson* recount how each faltering step of obedience to that which they firmly believed to be God's guidance, led them and their family slowly into situations where their only security was God Himself and the promises of His word. In writing this book Leonard Holder recognises the debt he and his wife Phyllis owe to the faith and prayers of earlier generations. Their journey of faith led them north to Yorkshire and then to German-speaking Europe, where after six years in Switzerland they moved into the Black Forest in southern Germany and established Haus Barnabas, a centre for evangelism and the encouragement of Christians. Phyllis writes that for years she had really no idea what she was suited to, but gradually began to sense that God was showing her how her particular gifts and personality could best serve Him. Eventually she realised that God had fulfilled this vision; it was Haus Barnabas. This book is a detailed account of the journey. Some of their experiences along the way they wouldn't wish on anyone, but God knew the discipline and training the couple needed and His love and faithfulness is amazing.

The Baldwin genealogy from 1500 to 1881 -

C.C. Baldwin 1881

Selina of Sussex - Leonard Holder 2014-10-28

With realistic imagination woven around true facts and through the eyes of his grandfather's grandmother, the author leads us back into Sussex country life in the nineteenth century. Selina, from the village of Ripe, marries Eli, a young farmer who receives a call to preach the Gospel of Jesus Christ. Her strong and capable support whilst bringing up fourteen children enables her husband to enlarge his farming activities whilst pursuing his life's work as preacher and Baptist pastor. Selina reveals her struggles and fears as she carries the family, the farm and in many ways her husband too.

Selina's Legacy - Leonard Holder 2020-05-31
 Shortly before her death, Selina of 'Selina of Sussex 1818-1886', hands her eldest daughter Ruth the manuscript of her writings, suggesting she might like to continue the story of the Page family into the next generation. With some trepidation Ruth takes up the challenge. Her story is a worthy successor to her mother's 'autobiography'. The reader is given fresh insight into life in rural Sussex, both from a child's point of view and then from an adult's perspective, when Ruth herself marries and moves to Patcham with Dan Holder. A lively, readable story emerges from the skilful combining of historical fact with imaginary detail drawn from extensive research into nineteenth century Sussex life and from Ruth's own account of her spiritual journey, edited by her son and published in the Gospel Standard subsequent to her death. Expressing many of her personal thoughts, feelings and spiritual concerns, Ruth reveals the way God graciously led her into a firm faith in Jesus Christ, sustained her through a period of severe depression, gave her eight children and enabled her to run a blacksmith's business during more than thirty years of widowhood. The author, Leonard Holder, is Ruth's great grandson.

Lord Mayor's Mansion House Fund of 1886 for the relief of the unemployed."--Back cover.

Morecock, Fartwell, & Hoare - Russell Ash 2009-11-10

There's a baby born every minute and each one has to be named. In this book, you'll find an insanity of nomenclature that beggars belief. Russell Ash has trawled birth, marriage, and death certificates, phone books, and censuses going back centuries to compile a compendium of breathtakingly unlikely-but-true names. Why

on earth would Mr. and Mrs. O'Shea name their son Rick? What were the Fants thinking when they named their child Elle? Or Mr. and Mrs. Royd, for that matter, when naming their daughter Emma? Or how about Everard Cock, Page Turner, or Sally Forth? In this

painstakingly researched, utterly true, riotously entertaining collection, readers will discover real-life examples of some of the most unusual, crude, and shocking names ever, presenting a laugh-out-loud overview of eccentricity through the ages.
