One Day Smarter - Emily Winter 2021-10-12
Dominate trivia night, liven up a date, and impress everyone you know with this funny, weird, smart book of little-known facts. Did you know a group of bunnies is called a fluffle? Or that the people who voiced Mickey and Minnie Mouse were married in real life? How about this one: In ancient Persia, government officials debated laws twice—once sober and once drunk? We could all use a little good news right now. Comedian and writer Emily Winter is here to tell you confidently that there is kindness, beauty, empathy, humor, resilience, wonder, silliness, cuteness, strength, hope, and joy in our world. With this book in hand, you can make yourself that much smarter while also lighting up your brain with positivity.

Queer Eye - Antoni Porowski 2018-11-15
From the Fab Five - the beloved hosts of Netflix's viral hit *Queer Eye* - comes a book, and an official guide, that is at once a behind-the-scenes exclusive, a practical guide to living and celebrating your best life, and a symbol of hope. Feeling your best is about far more than deciding what colour to paint your accent wall or how to apply nightly moisturiser. It's also about creating a life that's well-rounded, filled with humour and understanding and most importantly, that suits you. At a cultural moment when we are all craving people to admire, *Queer Eye* offers hope and acceptance. After you get to know the Fab Five, together they will guide you through five practical chapters that go beyond their designated areas of expertise (food & wine, fashion, grooming, home decor, and culture), touching on topics like wellness, entertaining, and defining your personal brand, and complete with bite-sized Hip Tips for your everyday quandaries. Above all else, *Queer Eye* aims to help you create a happy and healthy life, rooted in self-love and authenticity.

Millennial Love - Olivia Petter 2021-07-08
A 2021 'BOOK TO LOOK OUT FOR' - THE INDEPENDENT 'A mouthpiece for our anxieties and a tonic for our hearts.' Charly Cox 'Funny and honest.' Pandora Sykes 'Offers readers of all stripes and ages a great overview of relationships in the digital era'. Matt Haig

Sex and the City - Amy Sohn 2004-02-23
A fan's resource for the award-winning cable television program features information about the show's actors, producers, costume designers, and sets, and provides summaries of each season and interviews with the cast.

Warm Bodies - Isaac Marion 2012-12-25
Alienated from his fellow zombies because of his dislike of having to kill humans and his enjoyment of Sinatra music, "R" meets a living girl who sharply contrasts with his cold and dreary world and whom he resolves to protect in spite of her delicious appearance.

We Should All Be Mirandas - Chelsea Fairless 2019

"A snarky lifestyle guide inspired by the most underrated character on *Sex and the City*, from the creators of the Instagram sensation @everyoufitonSATC"--

[Social Media and Democracy](#) - Nathaniel Persily 2020-09-03

A state-of-the-art account of what we know and do not know about the effects of digital technology on democracy.

Good and Mad - Rebecca Traister 2019-09-03
Journalist Rebecca Traister's New York Times bestselling exploration of the transformative power of female anger and its ability to transcend into a political movement is "a hopeful, maddening compendium of righteous feminine anger, and the good it can do when wielded efficiently—and collectively" (*Vanity Fair*). Long before *Pantsuit Nation*, before the Women's March, and before the #MeToo movement, women's anger was not only politically catalytic—but politically problematic. The story of female fury and its cultural significance demonstrates its crucial role in women's slow rise to political power in America, as well as the ways that anger is received when it comes from women as opposed to when it comes from men. "Urgent, enlightened...realistic and compelling...Traister eloquently highlights the challenge of blaming not just forces and systems, but individuals" (*The Washington Post*). In *Good and Mad*, Traister tracks the history of female anger as political fuel—from suffragettes marching on the White House to office workers

vacating their buildings after Clarence Thomas was confirmed to the Supreme Court. Traister explores women's anger at both men and other women; anger between ideological allies and foes; the varied ways anger is received based on who's expressing it; and the way women's collective fury has become transformative political fuel. She deconstructs society's (and the media's) condemnation of female emotion (especially rage) and the impact of their resulting repercussions. Highlighting a double standard perpetuated against women by all sexes, and its disastrous, stultifying effect, *Good and Mad* is "perfectly timed and inspiring" (People, Book of the Week). This "admirably rousing narrative" (The Atlantic) offers a glimpse into the galvanizing force of women's collective anger, which, when harnessed, can change history.

High School - Sara Quin 2020-10-06

NEW YORK TIMES AND NATIONAL BESTSELLER First loves, first songs, and the drugs and reckless high school exploits that fueled them—meet music icons Tegan and Sara as you've never known them before in this intimate and raw account of their formative years. *High School* is the revelatory and unique coming-of-age story of Sara and Tegan Quin, identical twins from Calgary, Alberta, growing up in the height of grunge and rave culture in the '90s, well before they became the celebrated musicians and global LGBTQ icons we know today. While grappling with their identity and sexuality, often alone, they also faced academic meltdown, their parents' divorce, and the looming pressure of what might come after high school. Written in alternating chapters from both Tegan's point of view and Sara's, the book is a raw account of the drugs, alcohol, love, music, and friendships they explored in their formative years. A transcendent story of first loves and first songs, it captures the tangle of discordant and parallel memories of two sisters who grew up in distinct ways even as they lived just down the hall from one another. This is the origin story of Tegan and Sara.

What Remains - Carole Radziwill 2007-06-05

The author traces her life and marriage to Anthony Radziwill, President Kennedy's nephew, in an account that describes her work as a journalist, her friendship with JFK, Jr., and his

wife, and her husband's struggle with terminal cancer.

Leggy Blonde - Aviva Drescher 2014-02-25
The breakout star of *The Real Housewives of New York City* shares the story of her life in candid detail, from her upbringing by an influential money manager and the farm accident that resulted in her amputation to her prestigious education and marriage to investment banker Reid Drescher. 100,000 first printing.

How To Get Into the Twin Palms - Karolina Waclawiak 2012-07-10

"Waclawiak's novel reinvents the immigration story. *How to Get Into the Twin Palms* movingly portrays a protagonist intent on both creating and destroying herself, on burning brightly even as she goes up in smoke." -New York Times Book Review Editors' Choice "The novel is beautifully written and so suffused with loneliness it makes you ache. Not only is *How to Get into the Twin Palms* about the overwhelming state that is displacement, it's about what happens when loneliness becomes unbearable. Waclawiak writes through these tensions so elegantly, so tenderly, that *How to Get Into the Twin Palms* is, by far, one of my favorite books this year." -The Rumpus "Masked by scenes of schmancy nightlife is a story about an immigrant wanting to belong. Barely getting by in LA on bingo-calling, Anya reinvents herself. With hair dye and a push-up bra, she tries to gain entry into the Twin Palms nightclub." -Marie Claire "A taut debut... [that] strikes with the creeping suddenness of a brush fire." -Publishers Weekly (*starred*) *How to Get Into the Twin Palms* is the story of Anya, a young woman living alone in a Russian neighborhood in Los Angeles, who struggles to retain her parents' Polish culture while trying to assimilate into her newly adopted community. Anya stalks the nearby Twin Palms nightclub, the pinnacle of exclusivity in the Russian community. Desperate not only to gain entrance into the club but to belong there, Anya begins a perilous pursuit for Lev, a Russian gangster who frequents the seemingly impenetrable world of the Twin Palms. Karolina Waclawiak received her MFA in Fiction from Columbia University. She is Deputy Editor of *The Believer* and lives and writes in Brooklyn.

The Office - Andy Greene 2020-03-24

Downloaded from
legacy.opendemocracy.net on 2020-03-26
by guest

AN INSTANT NEW YORK TIMES BESTSELLER
The untold stories behind *The Office*, one of the most iconic television shows of the twenty-first century, told by its creators, writers, and actors. When did you last hang out with Jim, Pam, Dwight, Michael, and the rest of Dunder Mifflin? It might have been back in 2013, when the series finale aired . . . or it might have been last night, when you watched three episodes in a row. But either way, long after the show first aired, it's more popular than ever, and fans have only one problem—what to watch, or read, next. Fortunately, Rolling Stone writer Andy Greene has that answer. In his brand-new oral history, *The Office: The Untold Story of the Greatest Sitcom of the 2000s*, Greene will take readers behind the scenes of their favorite moments and characters. Greene gives us the true inside story behind the entire show, from its origins on the BBC through its impressive nine-season run in America, with in-depth research and exclusive interviews. Fans will get the inside scoop on key episodes from "The Dundies" to "Threat Level Midnight" and "Goodbye, Michael," including behind-the-scenes details like the battle to keep it on the air when NBC wanted to pull the plug after just six episodes and the failed attempt to bring in James Gandolfini as the new boss after Steve Carell left, spotlighting the incredible, genre-redefining show created by the family-like team, who together took a quirky British import with dicey prospects and turned it into a primetime giant with true historical and cultural significance. Hilarious, heartwarming, and revelatory, *The Office* gives fans and pop culture buffs a front-row seat to the phenomenal sequence of events that launched *The Office* into wild popularity, changing the face of television and how we all see our office lives for decades to come.

[Marriage Vacation](#) - Pauline Brooks 2018-06-05
In season four of Darren Star's hit TV Land series *Younger*, the editors at Empirical Press are shocked and deeply moved when they read *Marriage Vacation*, an autobiographical novel by the publisher's estranged wife, Pauline Turner Brooks. Knowing the book will cause a sensation, they decide they must publish it. Now you can read what the hype is about—including page 58 that had everyone buzzing (...and blushing). *Marriage Vacation* is for anyone who

has ever fantasized about what it would be like to run away from it all. By all appearances, Kate Carmichael has the perfect life: two adorable daughters, a prewar townhouse on the Upper East Side, and a husband who runs one of the most successful publishing companies in New York. But when Kate attends a wedding and reconnects with successful friends from graduate school, she suddenly sees her life in a different light: the career she didn't pursue, the dreams she's locked away, the empty veneer of her privilege. When the wedding weekend ends, instead of heading home to her husband and family, Kate gets on a plane and flies halfway around the world. She claims it's just going to be for a week—two max—just so she can clear her head and reconnect with her lost dreams. But the adventure doesn't go quite as planned. This provocative and gripping novel asks: Is a wife and mother allowed to have a midlife crisis? And, if she does, can she ever be forgiven?

PRAISE FOR *Marriage Vacation* "Marriage Vacation has everything you want in a novel: fascinating characters, drama, secrets, emotional reckonings, and far-flung adventure. If you love *Younger*, you'll love this book. If you've never watched an episode of *Younger* (you should change that), you'll still love this book. And just wait until you read page 58!" —Darren Star, creator of *Sex and The City* and *Younger*

"This brilliant romp helps us understand why Liza was so excited to discover the manuscript, how any woman could leave the dreamy Charles, and what exactly Pauline—by way of her fictional alter ego, Kate Carmichael—did on that mysterious *Marriage Vacation*. Pack this heartfelt, insightful, funny, sexy book when you take a vacation of your own." —Pamela Redmond Satran, author of *Younger*

Can You Ever Forgive Me? - Lee Israel
2018-09-18

Now a major motion picture starring Melissa McCarthy—Lee Israel's hilarious and shocking memoir of the astonishing caper she carried on for almost two years when she forged and sold more than three hundred letters by such literary notables as Dorothy Parker, Edna Ferber, Noel Coward, and many others. Before turning to her life of crime—running a one-woman forgery business out of a phone booth in a Greenwich Village bar and even dodging the FBI—Lee Israel

Downloaded from
legacy.opendemocracy.net on 2020-03-26
by guest

had a legitimate career as an author of biographies. Her first book on Tallulah Bankhead was a New York Times bestseller, and her second, on the late journalist and reporter Dorothy Kilgallen, made a splash in the headlines. But by 1990, almost broke and desperate to hang onto her Upper West Side studio, Lee made a bold and irreversible career change: inspired by a letter she'd received once from Katharine Hepburn, and armed with her considerable skills as a researcher and celebrity biographer, she began to forge letters in the voices of literary greats. Between 1990 and 1991, she wrote more than three hundred letters in the voices of, among others, Dorothy Parker, Louise Brooks, Edna Ferber, Lillian Hellman, and Noel Coward—and sold the forgeries to memorabilia and autograph dealers. “Lee Israel is deft, funny, and eminently entertaining...[in her] gentle parable about the modern culture of fame, about those who worship it, those who strive for it, and those who trade in its relics” (The Associated Press). Exquisitely written, with reproductions of her marvelous forgeries, *Can You Ever Forgive Me?* is “a slender, sordid, and pretty damned fabulous book about her misadventures” (The New York Times Book Review).

Gossip Girl: The Manga, Vol. 1 - Cecily von Ziegesar 2011-11-07

Welcome to New York's Upper East Side, where the claws are about to come out! Blair and Serena were BFFs...until Blair discovered that her boyfriend, Nate, cheated on her with Serena! As if that wasn't enough, Serena then disappeared without a word. Now she's back and trying to make amends with Blair. Too bad Serena's former best friend has no intention of forgiving her. After seeing Serena with her new boyfriend, Dan, Blair intends to respond in kind! How far will she go to make a mess of Serena's life?

Storyteller - Donald Sturrock 2010

The authorised biography of one of the greatest storytellers of all time. "Irresistible. I thought I knew quite a lot about Roald Dahl, but now I know much much more. Donald Sturrock's book lucidly describes a complicated life and relates it to the richness of Dahl's storytelling." Quentin Blake.

Twilight - Stephenie Meyer 2009-02-26

When 17 year old Isabella Swan moves to Forks, Washington to live with her father she expects that her new life will be as dull as the town. But in spite of her awkward manner and low expectations, she finds that her new classmates are drawn to this pale, dark-haired new girl in town. But not, it seems, the Cullen family. These five adopted brothers and sisters obviously prefer their own company and will make no exception for Bella. Bella is convinced that Edward Cullen in particular hates her, but she feels a strange attraction to him, although his hostility makes her feel almost physically ill. He seems determined to push her away - until, that is, he saves her life from an out of control car. Bella will soon discover that there is a very good reason for Edward's coldness. He, and his family, are vampires - and he knows how dangerous it is for others to get too close.

The Groom Will Keep His Name - Matt Ortile 2020-06-02

A riotous collection of "witty and captivating" essays by a gay Filipino immigrant in America who is learning that everything is about sex (Bitch Magazine) -- and sex is about power. When Matt Ortile moved from Manila to Las Vegas, the locals couldn't pronounce his name. Harassed as a kid for his brown skin, accent, and femininity, he believed he could belong in America by marrying a white man and shedding his Filipino identity. This was the first myth he told himself. *The Groom Will Keep His Name* explores the various tales Ortile spun about what it means to be a Vassar Girl, an American Boy, and a Filipino immigrant in New York looking to build a home. As we meet and mate, we tell stories about ourselves, revealing not just who we are, but who we want to be. Ortile recounts the relationships and whateverships that pushed him to confront his notions of sex, power, and the model minority myth. Whether swiping on Grindr, analyzing DMs, or cruising steam rooms, Ortile brings us on his journey toward radical self-love with intelligence, wit, and his heart on his sleeve.

Anna K - Jenny Lee 2020-03-05

'This entertaining debut relocates Anna Karenina to Manhattan's Upper East Side for the Tolstoy/Gossip Girl mash-up you never knew you needed.' I Newspaper Welcome to New York's Upper East Side: where privilege, partying and

scandal rules. Anna K is the golden girl of New York high society. She's beautiful, she's kind, she's unbelievably rich, and she has the perfect boyfriend. Until she meets Alexi Vronsky. He's a notorious playboy, totally gorgeous, and he only has eyes for Anna. Despite everyone who matters in New York talking about her, Anna still just can't resist Vronsky. Even if it means her carefully crafted life could come crashing down. Perfect for fans of Crazy Rich Asians and Gossip

Girl this is an addictive and subversive reimagining of Leo Tolstoy's timeless love story Anna Karenina. "A fresh and wickedly smart take on a classic story. Anna is even more scandalously fun now, in the age of stilettos and social media, than she was in 19th century Russia. I couldn't put this one down." Katharine McGee, New York Times bestselling author of American Royals
