Weekend Between Friendship & Love | Sexy short stories to Read in Bed
Very explicit adult sex & erotica stories for men & women suitable for lovers of elegant and sexy erotic hardcore sex stories-----
'Sexy short stories to read in bed' is a tested series of erotic hardcore sex stories for women, men and couples looking for classic easy-to-read erotica and sex stories for women with very explicit sex scenes. Think about it. Don't we all need nice, steamy and sexy short stories that can be read in bed, right before sleeping to finish our day with a little bit of privacy and fun? Or even first thing in the morning to spice up your day, not to mention those long and boring commuting journeys where a little bit of sexy can... Well, you know...
'Sexy short stories to read in bed - A troubling three-way weekend between friendship and love...' is the third volume in the series. In contrast with the first two books, it is made of one single story starring three characters, Anna and her husband Jonathan, as well as Nina their cheeky and sexy friend. The story, however, is cut in several short sex & erotica stories that will make you bite your lips one after another. Perhaps even more...
The story of this volume is very easy to explain. Anna and Jonathan are a happily married couple in their late twenties. But Anna has a fantasy which does not merely involve women, it involves inviting one precise girl into her couple, for a real and long-term three-way relationship. After some online chatting and playing sessions, Nina takes a train and comes to visit Anna and Jonathan for a weekend. A very hot and steamy weekend with a little bit of taboo. As per the other book in this series, this short stories book is not about romance. My short stories always build on love, friendship and cheekiness but they go straight to the point and contain very explicit sex scenes. They are written to be read easily and rapidly, in five to ten minutes, again and again. If you are looking for a little bit of selfish sexy fun every once in a while, my book was made for you! Oh, but of course reading them out-loud is also an option if you are not alone ... Your choice! Cheekily yours... Alex.*** Warning: this story

contains threesome bisexual FFM scenes suitable for lovers of elegant and sexy erotic hardcore sex stories ***

[Blue Highlights](#) Timea Tokes 2017-02-24 A Short Erotic Story in 3,000 words. Strictly 18+! What do you do, if one day you realize that all your life you have been afraid of even the slightest change? You have never been daring, and don't have any adventures to remember on cold winter nights. Time is running out, and you need to do something radical. Something nobody would expect from you. Something totally different from what your old self would do. Because you are a different person now. Nothing can be as it was before. But what happens when your

plans are interrupted by Fate? Will you chicken out, or are you adamant to change your life for good? All it takes is a new haircut and a daring color. But is that really all? Amanda only wants to get a haircut and a daring color, but when she is taken care of by a hot hairdresser, well... Let's just say that not only her hair gets wet... o I can feel something cold pouring onto my scalp, making me jump. Philip chuckles, which makes me especially angry. But before I could voice my opinion, his strong fingers find their way into my hair, massaging my scalp gently, and I lose my train of thought. Oh, my, I never thought that washing your hair could be so erotic. I close my eyes, enjoying the way he attends to my hair, as if it was the most beautiful he has ever seen. Oh, stop it, he is just doing his job. It's not his fault that I haven't had sex in months, neither is he responsible for his looks. His hand moves downwards, massaging right behind my ears, and a drop of water travels down my spine, sending shivers through my entire body. His hands continue their sweet torture, and then suddenly it's gone. I want to moan, but thank God I remember in time that I'm in a hair salon, and that we aren't having passionate sex. Gosh, I don't even know this guy. And yet I'm having erotic thoughts about him, not to mention the fact that I'm going to leave him in charge of my hair. As if reading my thoughts, he asks suddenly, his voice a tad bit huskier than before: "So, I heard that you wanted some highlights. Let me guess the colour." What?! Is this some kind of game he plays with all of his clients? I try to nod, but doing so splashes a huge amount of water onto my shirt. Crap... He laughs at me again, making my blood boil. I try to forget the fact that not only my shirt became wet during this `incident`. His voice alone could make me cum, I'm sure of it, but I resist the urge. I'm not that desperate. And besides, I'm only here to have a haircut. "Brown." Brown? Seriously? What does he think of me? I have natural black hair, how could I have brown highlights in it? Nobody would even recognize it. Oh, so he thinks that I'm so predictable, that I would agree to get highlights, but nothing

prominent, so I could still get away with it? I clear my throat, somehow more sure than ever that I want to do this. "No. Actually, it's going to be blue. I want blue highlights." I feel proud of myself. I did it. Whether he actually colours my hair or not doesn't matter. I just wish I could see the shock on his face, but that would mean another splash of water, and I don't want that. I'm wet enough already. After a few moments of silence, he starts massaging my head again, but this time he seems to be distracted by something else, as his strokes are irregular and the motion is too slow. "Blue it is then. I guess you are less predictable than I thought." Did he just insult me? It sure sounded like that, but there was also something else in his voice. But what exactly? Suddenly his fingers graze my neck, sending another shiver along my spine. I can't believe this, is he doing it on purpose? He is clever, I must admit. His touch is so delicate, one could easily miss it. But not me. Not now, not when he has already turned me on so much. Okay, I might have been horny for a while now, but the way his fingers caress my skin don't help, either. I want to show him just how unpredictable I can be. But maybe, I want to prove it to myself, too...

15 XXX Stories B. Prendergast 2010-12-29 Leave this book on your coffee table and I guarantee your girlfriend will blush!

Typically, erotica is aligned with the spirit of romance novels—dramatic and emotional with watered-down descriptions of sex. However, in the tradition of erotica written by men, such as the Marquis de Sade, this book contains more mechanical, visual descriptions of sex with less melodrama. Author Prendergast reveals erotic thoughts and dreams within the most random characters—a single mother, a priest, a French art historian, a goth teenager, an exotic voodoo-practicing duchess, an uptight English barrister, and a sassy black nurse. All of these combine to make for an enjoyable, genuine read with subtle humor and fun, sexy encounters. In the opening story, “Birth of a Slut,” Prendergast begins hard and bold with a group of basketball players pulling a double train on two hot, fit college girls. One is a sweet, loyal “good girl” whose man has recently cheated on her, while the other is an inimitable slut, the amazing, sexually-insatiable Katie who is both disarmingly charming and shamelessly promiscuous. Read only this first story, wanker, and you will be hooked.

The Cambridge Guide to Women's Writing in English Lorna Sage 1999-09-30 This Guide aims to consolidate and epitomise the re-reading of women's writing that has gone on in the last

twenty-five years. This is an opportunity for stock-taking - a timely project, when so much writing has been rediscovered, reclaimed and republished. There are entries on writers, on individual texts, and on general terms, genres and movements, all printed in a single alphabetical sequence. The earliest written documents in medieval English (the visionary writings of Julian of Norwich and Margery Kempe) are covered in an historical - and geographical - sweep that takes us up to the present day. The book reflects the spread of literacy, the history of colonisation and the development of post-colonial cultures using and changing the English language. The entries are written by contributors from all the countries covered. The result is a work of reference with a unique feeling for the vitality, wealth and diversity of women's writing.

Memory of Desire (Sexy Stories Collection Volume 28) Jules Munsen 2014-04-01 Memory of Desire is the first short story collection by the erotic author team of Jules Munsen and Blanca Cranston. This collection includes twelve tantalizing tales of fantasy and women's erotica. Featuring eleven M/F stories and one tale of multiple partners, Memory of Desire will have you recalling all of your fondest erotic moments. In the two-part story "Officially an Adult", follow one young woman's dream of seducing her long-time crush; become caught up in the seductive mystery of "The Bouquet at Nine"; and enjoy the passion of Cullon and Cindy as they finally give in to their erotic urges. Jules Munsen and Blanca Cranston successfully weave together these enticing images and stories that will make your imagination run wild! Burning Desire This is a story of what you could say is a typical nymphomaniac. Tammy started to explore her body sexually at the tender age of 11 and it never stopped. However,

she is not able to get all the pleasure she needs to sate her carnal desire. Officially An Adult Part 1 -2 Two years ago, Alex rejected Emily, but today, she's not giving him the option. She is ready to show the man of her dreams that she can be her own cake and have him eat it, too. The Bouquet At 9 Sandra is confused. Every night when she comes home, there are roses waiting for her. She doesn't know who they're from and she is intrigued. There was never a name on the card accompanying them. Just a line in praise for her body parts, different one each time and signed off as 'love'. That Girl On The Stairs Darcy is an aspiring model who takes an interview in a mostly abandoned building. What starts out as a seemingly innocent job interview turns into a sexual encounter with strangers that Darcy fantasized about. Without You Liz and Mike have only been together for a short while. From the moment they met, they were immediately compatible. Now, they have to be separated for the first time since they got together. The wait is unbearable for both of them. The Triple Trouble Gigolo Jacob has an insatiable appetite for sex. Once he realizes that he's scheduled three of his hottest clients all for the same time, he figures that he's more than capable of keeping them all happy. Love Of A Shadow Written in first person, Love Of A Shadow describes a particularly juicy love scene, start to finish, between a man and a woman. The woman, however, is a mystery, as she seems to appear out of nowhere to seduce the guy and take him for all that he has to offer. Dear Diary Cullon has had a thing for his friend's sister Cindy for a long time. He's always considered her off limits. One night, Cullon at John's house, Cullon couldn't resist taking a peek in her room. The sight of her using a vibrator on herself while moaning Cullon's name was all the proof he needed to know that she thought of him as more than just a friend. Love Bite Just as I finished drying myself after being caught in the rain, the door bell rang. Standing there was the man I'd been secretly in love with for the past four years, bearing an enormous bunch of roses and a confession. Memory Of A Night

Multiple Modernities Michelle Sharp 2017-07-14 This collection of essays confirms Carmen de Burgos's pivotal place in Spanish feminist history by bringing together eminent international scholars who offer new readings of Burgos's work. It includes the analyses of a number of lesser-known texts, both fictional and non-fictional, which give us a more comprehensive examination of Burgos's multipronged feminist approach. Burgos's works, especially her essays, are essential feminist reading and complement other European and North American traditions. Gaining familiarity with the breadth and depth of her work serves not only to provide an understanding of Spanish firstwave feminism, but also enriches our appreciation of cultural studies, gender studies, subaltern studies and travel literature. Looking at

the entirety of her life and work, and the wide-ranging contributions in this volume, it is evident that Burgos embodied the tensions between tradition and modernity, depicting multiple representations of womanhood. Encouraging women to take ownership of their personal fashion, the design of their homes and the decorum of their families were steps towards recognizing a female population that was cognizant of its own desires.

Hausfrau Jill Alexander Essbaum 2015-03-17 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE, THE HUFFINGTON POST, AND SHELF AWARENESS • “In *Hausfrau*, Anna Karenina goes *Fifty Shades* with a side of *Madame Bovary*.”—Time “A debut novel about Anna, a bored housewife who, like her Tolstoyan namesake, throws herself into a psychosexual journey of self-discovery and tragedy.”—O: The Oprah Magazine “Sexy and insightful, this gorgeously written novel opens a window into one woman’s desperate soul.”—People Anna was a good wife, mostly. For readers of *The Girl on the Train* and *The Woman Upstairs* comes a striking debut novel of marriage, fidelity, sex, and morality, featuring a fascinating heroine who struggles to live a life with meaning. Anna Benz, an American in her late thirties, lives with her Swiss husband, Bruno—a banker—and their three young children in a postcard-perfect suburb of Zürich. Though she leads a comfortable, well-appointed life, Anna is falling apart inside. Adrift and increasingly unable to connect with the emotionally unavailable Bruno or even with her own thoughts and feelings, Anna tries to rouse herself with new experiences: German language classes, Jungian analysis, and a series of sexual affairs she enters with an ease that surprises even her. But Anna can’t easily extract herself from these affairs. When she wants to end them, she finds it’s difficult. Tensions escalate, and her lies start to spin out of control. Having crossed a moral threshold, Anna will discover where a woman goes when there is no going back. Intimate, intense, and written with the precision of a Swiss

Army knife, Jill Alexander Essbaum's debut novel is an unforgettable story of marriage, fidelity, sex, morality, and most especially self. Navigating the lines between lust and love, guilt and shame, excuses and reasons, Anna Benz is an electrifying heroine whose passions and choices readers will debate with recognition and fury. Her story reveals, with honesty and great beauty, how we create ourselves and how we lose ourselves and the sometimes disastrous choices we make to find ourselves. Praise for Hausfrau "Elegant . . . There is much to admire in Essbaum's intricately constructed, meticulously composed novel, including its virtuosic intercutting of past and present."—Chicago Tribune "For a first novelist, Essbaum is extraordinary because she is a poet. Her language is meticulous and resonant and daring."—NPR's Weekend Edition "We're in literary territory as familiar as Anna's name, but Essbaum makes it fresh with sharp prose and psychological insight."—San Francisco Chronicle "This marvelously quiet book is psychologically complex and deeply intimate. . . . One of the smartest novels in recent memory."—The Dallas Morning News "Essbaum's poignant, shocking debut novel rivets."—Us Weekly "A powerful, lyrical novel . . . Hausfrau boasts taut pacing and melodrama, but also a fully realized heroine as love-hateable as Emma Bovary."—The Huffington Post "Imagine Tom Perrotta's American nowheresvilles swapped out for a tidy Zürich suburb, sprinkled liberally with sharp riffs on Swiss-German grammar and European hypocrisy."—New York Endless erotic stories Mat Marlin Grand Savings Collection. A work full of erotic stories, passionate encounters, lustful adventures, embraces, loves; forbidden tales where sex is the protagonist, everything is part of an exciting game and everyone seeks and finds the pleasure they desire; you will never get tired of reading this book, over 1,000 pages that are by your side and will not give you peace, your mind will be ready to seize any possibility.
