You Know, Sex - Cory

Silverberg 2022-04-12

A completely new approach to learning about puberty, sex, and gender for kids 10+. Here is the much-anticipated third book in the trilogy that started with the award-winning *What Makes a Baby* and *Sex Is a Funny Word*. In a bright graphic format featuring four dynamic middle schoolers, *You Know, Sex* grounds sex education in social justice, covering not only the big three of puberty—hormones, reproduction, and development—but also power,

pleasure, and how to be a decent human being. Centering young people's experiences of pressures and joy, risk and reward, and confusion and discovery, there are chapters on body autonomy, disclosure, stigma, harassment, pornography, trauma, masturbation, consent, boundaries and safety in our media-saturated world, puberty and reproduction that includes trans, non-binary, and intersex bodies and experience, and more. Racially and ethnically diverse, inclusive of cross-disability experience, this is a book for every kind of young person and every kind of family. *You Know, Sex* is the first thoroughly modern sex ed book for every body navigating puberty and adolescence, essential for kids, everyone who knows a kid, and anyone who has ever been a kid.
