The Book of the Penis - Maggie Paley 2000-06-20

"Should be required reading for anyone who has a penis, wants a penis, or loves someone who has or wants a penis . . . titillating and informative."—Dan Savage, New York Times bestselling author The almighty penis (a.k.a. dick, schlong, pecker, rod, tool, Johnson, etc.) has long been a major object of adoration, revulsion, ridicule, amazement, joy, pride, and even frustration. But does anyone fully understand the penis? Novelist, playwright, and journalist Maggie Paley immersed herself in the obsessive world of this most forthright of organs, looking for answers high and low. She pored over scholarly volumes, anthropology texts, and sex-shop glossies; interviewed sex workers, transsexuals, and phallus connoisseurs of all stripes; attended male strip shows and a Hindu lingam ceremony; visited web sites where men share masturbation techniques; and even searched out the current location of Napoleon's penis. And, yes, she objectively addresses the big question: "Does size matter?" Along the way, we encounter deliciously entertaining and highly informative chapters on penis worship, fellatio, and men who are famous for their dicks, as well as the penis in art, fashion, literature, films, and much more. In this "clever and hilarious" book—delightfully illustrated by Sergio Ruzzier—"Paley humanizes the penis by

exposing the pervasive social and cultural baggage associated with it . . . Damn good" (Bust). "[Paley] hits the subject on the head."—Playboy "Spirited, filled with fact and some fancy, emphasizing the penis's power to drive male behavior but designed to make both women and men more comfortable with the dreaded word—and perhaps even the actuality—penis."—Kirkus Reviews

Chelsea Chelsea Bang Bang - Chelsea Handler 2010-04-01

In these personal essays, the hilarious comedian and Chelsea Lately host reflects on family, love life, and the absurdities of adulthood with "cheeky candor" and signature wit (Philadelphia Inquirer). Life doesn't get more hilarious than when Chelsea Handler takes aim with her irreverent wit. Who else would send all-staff emails to smoke out the dumbest people on her show? Now, in this new collection of original essays, the #1 bestselling author of *Are You There, Vodka? It's Me, Chelsea* delivers one laugh-out-loud moment after another as she sets her sights on the ridiculous side of childhood, adulthood, and daughterhood. Family moments are fair game, whether it's writing a report on Reaganomics to earn a Cabbage Patch doll, or teaching her father social graces by ordering him to stay indoors. It's open season on her love life, from playing a prank on her boyfriend (using a ravioli, a fake autopsy, and the Santa Monica pier) to adopting a dog so she can snuggle with someone who doesn't talk. And everyone better duck for cover when her beach vacation turns into matchmaking gone wild. Outrageously funny and deliciously wicked,

*Downloaded from
legacy.opendemocracy.net on 2020-08-05
by guest*

Chelsea Chelsea Bang Bang is good good good good! Chelsea Handler on . . . Being unpopular: "My parents couldn't have been more unreasonable when it came to fads or clothes that weren't purchased at a pharmacy." Living with her boyfriend: "He's similar to a large toddler, the only difference being he doesn't cry when he wakes up." Appreciating her brother: "He's a certified public accountant, and I have a real life." Arm-wrestling a maid of honor: "It wasn't her strength that intimidated me. It was the starry way her eyes focused on me, like Mike Tyson getting ready to feed."

Spinegrinder - Clive Davies 2015-03-06

First came video and more recently high definition home entertainment, through to the internet with its streaming videos and not strictly legal peer-to-peer capabilities. With so many sources available, today's fan of horror and exploitation movies isn't necessarily educated on paths well-trodden — Universal classics, 1950s monster movies, Hammer — as once they were. They may not even be born and bred on DAWN OF THE DEAD. In fact, anyone with a bit of technical savvy (quickly becoming second nature for the born-clicking generation) may be viewing MYSTICS IN BALI and S.S. EXPERIMENT CAMP long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento. In this world, H.G. Lewis, so-called "godfather of gore," carries the same stripes as Alfred Hitchcock, "master of suspense." SPINEGRINDER is one man's ambitious, exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema, of a sort that most critics won't care to write about. One opinion; 8,000 reviews (or thereabouts).

Roger Ebert's Movie Yearbook 2005 - Roger Ebert 2004

Containing reviews written from January 2002 to mid-June 2004, including the films "Seabiscuit, The Passion of the Christ," and "Finding Nemo," the best (and the worst) films of this period undergo Ebert's trademark scrutiny. It also contains the year's interviews and essays, as well as highlights from Ebert's film festival coverage from Cannes.

Resisting Fate: A Holiday Romantic Comedy (Happy Endings Book Club, Book 7) - Kylie Gilmore 2018-03-06

Is fate playing matchmaker? Missy Higgins isn't looking for a man, yet everywhere she turns, sexy Ben Wright pops up. A harmless flirtation, nothing more, until Ben wanders into the Christmas craft bazaar just as her horrible ex appears. It's Ben to the rescue as her fake boyfriend with a scorching kiss that leaves her breathless and weak in the knees. Mind. Blown. (Though she insists it's a onetime thing). But when Ben shows up just as she's getting fired and offers her a holiday job she desperately needs, she has to wonder if fate might be telling her something. Like screw professional boundaries, give in to uncontrollable lust, and let a man into her heart. How can she resist fate when Ben is irresistible?

Memoirs of an Icelandic Bookworm - Jóna E. Hammer 2006-07-18

Memoirs of an Icelandic Bookworm is only partly a memoir. More than half the volume consists of Icelandic folktales, many of which have never been translated into English before. These tales are uniquely presented here as part of a fabric of life extending from a long-ago past through times affected by the Second World War and to the present. The book is a first-hand and humorous account of Icelandic culture and an Icelandic childhood. In the memoir-sections, the bookworm of the title is growing up in a small town in Northern Iceland; her emerging world-view is expanded by family-influences or challenged by sojourns into Icelandic and international literature. Her family is memorably represented, for example by her grandmother, the robust Stefana, who speaks in verse and learns to dance rockn roll, and the white-haired patriarch Jn, who steps in to save the family home from burning and introduces his great-granddaughter to an ancient feminist folktale. The memoirs mostly describe the 1940s and 50s, but the author is constantly looking back, beyond her own memories and even the memories of her great-parents, toward an older culture, preserved in the folktales and exerting its influence through the centuries to touch her own childhood. On occasion, the authors cultural associations reach even further back, to the times of the Icelandic sagas; at other times, with periodic returns to her current vantage point in the 21st century, she touches down in the more recent past for a humorous look at Laxness or

legacy.opendemocracy.net on 2020-08-05
by guest

up-to-date cultural developments. As a writer of memoirs, the author makes two general observations. The first one is that children should be introduced to imaginative literature as early as possible. Although this is not a new idea, it is illustrated here with an example of highly auspicious conditions: the bookworm and her peers grow up in a cultural climate where literature and poetry are integrated into daily life. The authors second observation is that a small and seemingly insular society may actually contain a great deal of cultural and literary sophistication, as she shows in her descriptions of daily small-town life in Northern Iceland. The sixty-some folktales which occupy the larger part of the book are introduced as flashbacks to earlier times. Reflecting the national past and narrated by long departed country-people, the folktales run through the bookworms own present and link her living family to long-ago forebears. The human characters in these colorful tales are just like the narrators themselves: farmers and their wives, serving maids, clergymen, bishops, or hired hands: a familiar mixture in any farming society. The non-humans are a sinister lot, ranging from The Evil One himself through ghosts and ogres with whom ordinary folk must struggle as best they can. In addition, the ever-present elves are a law unto themselves: loyal as friends but lethal as foes. Being an Icelander and thus receptive to mysticism, the bookworm has ample contact with the supernatural, partly through the folktales but also as elements of daily life. Real people gifted with second sight are still commonplace in the girls own times; in fact, her family owes its very existence to the advice of such a seer. In addition, the bookworms world teems with an international cast of fictional and fantastic characters. Dickenss Mr. Bumble, Anna of Green Gables, Alice in Wonderland, a nameless drunken fisherman (courtesy of Halldr Kiljan Laxness), and the Hunchback of Notre Dame, among others, make cameo appearances next to child-stealing elf-women, man-devouring giantesses, and a dreaded ghost-monster called Thorgeirs Bull. The first folktale, a horrific account of a legendary sorcerer, is presented by itself both as a preview of the dark supernatural mysteries in store for the reader and as a preview of the fascination and excitement such

Beyond the Fairy Tale (Simply Put) - Nancy Hamilton 2003-05

SPIN - 1997-08

From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks. New York Magazine - 1982-02-15

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

He's Just Not That Into You - Greg Behrendt 2009-01-06

Based on an episode of "Sex and the City," offers a lighthearted, no-nonsense look at dead-end relationships, providing advice for letting go and moving on.

Binge TV - Emil Steiner 2023-03-24

For the first 70 years of television, broadcasters dictated the terms of the viewing experience, deciding not only when but how much of a program an audience could watch. Binge-watching destroyed that model by placing control of the experience in the hands of the viewer. In this book, media scholar Emil Steiner chronicles the technological and cultural struggle between broadcasters and viewers, which reached a climax in the early 2010s with the emergence of streaming video platforms. Through extensive interviews and archival research, this groundbreaking project traces the history of binge-watching from its idiot box roots to the new normal of Peak TV. Along the way, Steiner exposes the news campaigns waged by

disruptive technology companies that exploited a long-simmering, revolutionary narrative of viewer empowerment to take over the broadcast industry. Binge-watching, an individual's act of gaining control and losing control through the remote control, exposed a debate that had been raging since the first TV set was turned on--one that asks, "Who controls the story?"

No Sex in the City - Randa Abdel-Fattah
2013-07-01

It is a truth universally acknowledged . . . Esma is a modern Muslim woman with an age-old dilemma. She is well-educated, well-travelled and has excellent taste in music, but the hunt for Mr Right leads her to a number of Mr Wrongs. Together with wild-haired Ruby, principled Lisa, and drop-dead gorgeous Nirvana, Esma forms the No Sex in the City Club. Her quest for The One (or Mr Almost-Perfect) was never going to be easy, but soon enough it takes an unexpected and thrilling detour. 'Filled with humour and honesty, Randa has lifted the veil on arranged marriages and Muslim society, and proves that finding The One isn't easy for anyone, regardless of religion.' Kate Forster, author of *The Perfect Location* 'An enjoyable and unusual book about finding love down the arranged marriage route. Funny, wise and moving, it is also a tribute to the fabulous power of female friendship.' Jaishree Misra, author of *Secrets and Lies* and *Secrets and Sins* 'A lot of fun ... there's a great deal of enjoyment to be had reading this tale!' Shelina Janmohamed

Life, Love, and Lupus - Stevie Beth 2011-09-09

When Mary discovered the pain she was experiencing doing every-day things at school and at home was due to a disease called lupus, she was determined not to let it affect her life. What she didnt know at the time was that the physical challenges of lupus would pale in comparison to the emotional challenges she would face when she fell in love with two very different men and found that neither of them felt quite the same way about her. Never one to give up in the face of any obstacle, Mary began her long-term endeavor to change their minds. *Life, Love, and Lupus* is the story of Mary's battle to overcome unrequited love and go after what she most desires, whatever the consequences and regardless of the limitations. Through narrative description, journal entries and email

exchanges, the reader is taken along on an intimate journey with the sharp-witted Mary as she follows her hopes and dreams and finds out that sometimes you have to learn to love yourself first.

The Soul of Sex - Thomas Moore 1998

This superb new volume is addressed to everyone interested in hope, regardless of their religious or philosophical beliefs. Glenn Tinder, one of our most astute and creative thinkers, probes the failure of modern, secular hope and shows, with great sensitivity and openness, why the tenets of Christian faith offer a true and meaningful source for hope amid the widespread distress, confusion, and despondency of contemporary life. From *The Critics* Jean Bethke Elshtain Glenn Tinder argues compellingly that modern despondency flows from a collapse of unreasonable optimism about our individual and collective prospects. By contrast to despondency and brittle optimism, Tinder calls for a renewal of hope. Framed by Christian belief, Tinder's elegant essay reaches out to appeal to all men and women troubled by our current condition. A beautifully written and touching work. Michael Novak Tinder's weighty essay on the nature, spirituality, and politics of hope offers an illuminating perspective on a central pillar of civilization. Mary Ann Glendon "A pristine intellectual and spiritual achievement by one of the most penetrating thinkers. of our day" Richard John Neuhaus "With this essay Tinder once again vindicated his reputation as one of the most incisive thinkers and graceful writers working today. His is a most powerful argument that only a hope that has come to terms with all the reasons for despair can sustain us into a future that we do not and cannot control. Tinder's wisdom is in knowing that attention to first things requires facing up to last things."

American Hardcore - Steven Blush 2010-10-01
Hardcore, the hard-edged second generation of punk rock, whose peak period ranged from 1980 to 1986, has never before been captured in the way Steven Blush's authoritative, extensively illustrated oral history revisits its dynamic and sordid past. All the major hardcore scenes, particularly in Southern California, San Francisco, Washington D.C., Boston, New York City and Texas are given provocative voice through its major players, from drugged-out

Downloaded from
legacy.opendemocracy.net on 2020-08-05
by guest

suburban Metal misfits to shit-kicking skinheads to vegan anti-drug pacifists. *American Hardcore: A Tribal History* not only recapitulates an important and influential scene, its provocative sociological snapshots reveal the apocalyptic desperation of a singular time in American history. Author Steven Blush was a prime mover in the scene he writes about; in the 80s, he promoted many hardcore tours and shows, DJ an influential college radio show, and ran a record label. Later Blush published *Seconds* magazine, and wrote for *Paper*, *Spin*, *Interview*, *Village Voice*, *Details* and *High Times* magazines. The primary photographers included in this volume are Edward Colver and Karen O Sullivan. Flyers, set lists, logos, and record covers have been provided by many collectors, and the book includes an extensive discography of Hard core rock releases from 1980 to 1986.

Just Watch! - Peter Baxter 1993

Windows XP Media Center Edition 2004 PC For Dummies - Danny Briere 2003-11-24

The fun and easy way to get up and running quickly with Microsoft Windows XP Media Center Edition, the new operating system version specially outfitted for TV, DVD, video, music, and digital photo applications Media Center PCs are the first PCs to feature an easy-to-use interface and all preconfigured hardware and preloaded software needed to create a complete integrated home entertainment system Explains how to integrate a home computer network with a home theater system, control connected TVs with the Remote Control Interface, record TV programs using a TiVo-like recorder, acquire and play back music files, organize digital videos and

photos, play DVD movies, and much more Written by the authors of *Home Theater For Dummies* (0-7645-1801-1) and *Wireless Home Networking For Dummies* (0-7645-3910-8), who worked closely with Media Center Edition product management at Microsoft to complete the book.

GameAxis Unwired - 2004-08

GameAxis Unwired is a magazine dedicated to bring you the latest news, previews, reviews and events around the world and close to you. Every month rain or shine, our team of dedicated editors (and hardcore gamers!) put themselves in the line of fire to bring you news, previews and other things you will want to know.

Just Watch Me - John English 2009-10-27

This magnificent second volume, written with exclusive access to Trudeau's private papers and letters, completes what the *Globe and Mail* called "the most illuminating Trudeau portrait yet written" — sweeping us from sixties' Trudeaumania to his final days when he debated his faith. His life is one of Canada's most engrossing stories. John English reveals how for Trudeau style was as important as substance, and how the controversial public figure intertwined with the charismatic private man and committed father. He traces Trudeau's deep friendships (with women especially, many of them talented artists, like Barbra Streisand) and bitter enmities; his marriage and family tragedy. He illuminates his strengths and weaknesses — from Trudeaumania to political disenchantment, from his electrifying response to the kidnappings during the October Crisis, to his all-important patriation of the Canadian Constitution, and his evolution to influential elder statesman.
