*Cinefantastique* - 1990

*I'm Special* - Ryan O'Connell 2015-06-02

NOW a NETFLIX series entitled *Special* from Executive Producer JIM PARSONS starring RYAN O'CONNELL as himself. From the beloved blogger turned voice of an online generation, an unforgettable and hilarious memoir-meets-manifesto exploring what it means to be a millennial gay man living with cerebral palsy, which VICE calls "a younger, gay version of Mary Karr's *Lit.*" People are obsessed with Ryan O'Connell's blogs. With tens of thousands reading his pieces on Thought Catalog and Vice, watching his videos on YouTube, and hanging on to each and every #dark tweet, Ryan has established himself as a unique young voice who's not afraid to dole out some real talk. He's that candid, snarky friend you consult when you fear you're spending too much time falling down virtual k-holes stalking your ex on Facebook or when you've made the all-too-common mistake of befriending a psycho while wasted at last night's party and need to find a way to get rid of them the next morning. But Ryan didn't always have the answers to these modern-day dilemmas. Growing up gay and disabled with cerebral palsy, he constantly felt like he was one step behind everybody else. Then the rude curveball known as your twenties happened and things got even more confusing. Ryan spent years as a Millennial cliché: he had dead-end internships; dabbled in unemployment; worked in his pajamas as a blogger; communicated mostly via text; looked for love online; spent hundreds on "necessary" items, like candles, while claiming to have no money; and even descended into aimless pill-popping. But through extensive trial and error, Ryan eventually figured out how to take his life from bleak to chic and began limping towards adulthood. Sharp and entertaining, *I'm Special* will educate twentysomethings (or other adolescents-at-heart) on what NOT to do if they ever want to become happy fully functioning grown-ups with

a 401k and a dog.

*Flowers in the Attic* - V.C. Andrews 2005-08-02

This is the extraordinary novel that has captured millions in its spell!

**Special Teaching in Higher Education** -

Stuart Powell 2003-12-16

Covering the Special Educational Needs and Disability Act (SENDA), this book addresses the learning needs of impaired and disabled students. It suggests effective responses for those designing and delivering the curriculum and discusses flexible teaching strategies. An essential purchase for any education professionals wanting to implement best practice when catering for those with particular needs - whether lecturers, course developers, course leaders or learning and teaching interest groups.

**Chicago Magazine's Guide to Chicago** - Allen H. Kelson 1983

*Being Heumann* - Judith Heumann 2021-05-27

A story of fighting to belong in a world that wasn't built for all of us and of one woman's activism--from the streets of Brooklyn and San Francisco to inside the halls of Washington--*Being Heumann* recounts Judy Heumann's lifelong battle to achieve respect, acceptance, and inclusion in society. Paralyzed from polio at eighteen months, Judy Heumann began her struggle for equality early in life. From fighting to attend grade school after being described as a "fire hazard" to later winning a lawsuit against the New York City school system for denying her a teacher's license, to leading the section 504 sit-in that led to the creation of the Americans with Disabilities Act, Judy's actions set a precedent that fundamentally improved rights for disabled people around the globe. Candid, intimate, and irreverent, *Judy Heumann's* memoir about resistance to exclusion invites readers to imagine and make real a world in which we all belong.

*American Education* - 1975

**The Secret Garden** - Hodgson B.F.

«Таинственный сад» – любимая классика для читателей всех возрастов, жемчужина творчества Фрэнсис Ходжсон Бернетт, роман о заново открытой радости жизни и магии силы. Мэри Леннокс, жестокое и испорченное дитя высшего света, потеряв родителей в Индии, возвращается в Англию, на воспитание к дяде-затворнику в его поместье. Однако дядя находится в постоянных отъездах, и Мэри начинает исследовать округу, в ходе чего делает много открытий, в том числе находит удивительный маленький сад, огороженный стеной, вход в который почему-то запрещен. Отыскав ключ и потайную дверцу, девочка попадает внутрь. Но чьи тайны хранит этот загадочный садик? И нужно ли знать то, что находится под запретом?.. Впрочем, это не единственный секрет в поместье...

**A Little Life** - Hanya Yanagihara 2016

Moving to New York to pursue creative ambitions, four former classmates share decades marked by love, loss, addiction, and haunting elements from a brutal childhood.

**The Black Tower** - P.D. James 2012-04-17

Just recovered from a grave illness, Commander Adam Dalgliesh is called to the bedside of an elderly priest. When Dalgliesh arrives, Father Baddeley is dead. Is it merely his own brush with mortality that causes Dalgliesh to sense the shadow of death about to fall once more?

"Splendid, macabre," wrote the London Sunday Telegraph. "The Black Tower is a masterpiece," the London Sunday Times concurred.

**Excerpta Medica** - 1990

*Disabling Imagery and the Media* - Colin Barnes  
1992-01-01

**My Body Politic** - Simi Linton 2015-01-13

"I read My Body Politic with admiration, sometimes for the pain that all but wept on the page, again for sheer exuberant friendships, for self-discovery, political imagination, and pluck. . . . Wonderful! In a dark time, a gift of hope. - Daniel Berrigan, S.J. "The struggles, joys, and political awakening of a firecracker of a narrator. . . . Linton has succeeded in creating a life both rich and enviable. With her crackle, irreverence, and intelligence, it's clear that the

author would never be willing to settle. . . .

Wholly enjoyable." -Kirkus Reviews "Linton is a passionate guide to a world many outsiders, and even insiders, find difficult to navigate. . . . In this volume, she recounts her personal odyssey, from flower child . . . to disability-rights/human rights activist." -Publishers Weekly "Witty, original, and political without being politically correct, introducing us to a cast of funny, brave, remarkable characters (including the professional dancer with one leg) who have changed the way that 'walkies' understand disability. By the time Linton tells you about the first time she was dancing in her wheelchair, you will feel like dancing, too." ---Carol Tavis, author of *Anger: The Misunderstood Emotion* "This astonishing book has perfect pitch. It is filled with wit and passion. Linton shows us how she learned to 'absorb disability,' and to pilot a new and interesting body. With verve and wonder, she discovers her body's pleasures, hungers, surprises, hurts, strengths, limits, and uses." -Rosemarie Garland-Thomson, author of *Extraordinary Bodies: Figuring Physical Disability in American Culture and Literature* "An extraordinarily readable account of life in the fast lane... a brilliant autobiography and a great read." -Sander L. Gilman, author of *Fat Boys: A Slim Book While hitchhiking from Boston to Washington, D.C., in 1971 to protest the war in Vietnam, Simi Linton was involved in a car accident that paralyzed her legs and took the lives of her young husband and her best friend. Her memoir begins with her struggle to regain physical and emotional strength and to resume her life in the world. Then Linton takes us on the road she traveled (with stops in Berkeley, Paris, Havana) and back to her home in Manhattan, as she learns what it means to be a disabled person in America. Linton eventually completed a Ph.D., remarried, and began teaching at Hunter College. Along the way she became deeply committed to the disability rights movement and to the people she joined forces with. The stories in My Body Politic are populated with richly drawn portraits of Linton's disabled comrades, people of conviction and lusty exuberance who dance, play-and organize--with passion and commitment. My Body Politic begins in the midst of the turmoil over Vietnam and concludes with a meditation on the U.S.*

involvement in the current war in Iraq and the war's wounded veterans. While a memoir of the author's gradual political awakening, *My Body Politic* is filled with adventure, celebration, and rock and roll-Salvador Dali, James Brown, and Jimi Hendrix all make cameo appearances. Linton weaves a tale that shows disability to be an ordinary part of the twists and turns of life and, simultaneously, a unique vantage point on the world.

**The Cinema of Isolation** - Martin F. Norden 1994

Filmmakers have often encouraged us to regard people with physical disabilities in terms of pity, awe, humor, or fear as "Others" who somehow deserve to be isolated from the rest of society. In this first history of the portrayal of physical disability in the movies, Martin Norden examines hundreds of Hollywood movies (and notable international ones), finds their place within mainstream society, and uncovers the movie industry's practices for maintaining the status quo keeping people with disabilities dependent and "in their place." Norden offers a dazzling array of physically disabled characters who embody or break out of the stereotypes that have both influenced and been symptomatic of society's fluctuating relationship with its physically disabled minority. He shows us "sweet innocents" like Tiny Tim, "obsessive avengers" like Quasimodo, variations on the disabled veteran, and many others. He observes the arrival of a new set of stereotypes tied to the growth of science and technology in the 1970s and 1980s, and underscores movies like *My Left Foot* and *The Waterdance* that display a newfound sensitivity. Norden's in-depth knowledge of disability history makes for a particularly intelligent and sensitive approach to this long-overlooked issue in media studies.

**Indie TV** - James Lyons 2023-03-27

This edited collection is the first book to offer a wide-ranging examination of the interface between American independent film and a converged television landscape that consists of terrestrial broadcasters, cable networks and streaming providers, in which independent film and television intersect in complex, multifaceted and creative ways. The book covers the long history of continuities and connections between the two sectors, as seen in the activities of PBS,

HBO or Sundance. It considers the movement of filmmakers between indie film and TV such as Steven Soderbergh, Rian Johnson, the Duplass brothers, Joe Swanberg, Lynn Shelton and Gregg Araki; details the confluence of aesthetic and thematic elements seen in shows such as *Girls*, *Breaking Bad*, *Master of None*, or *Glow*; points to a shared interest in regional sensibilities evident in shows like *One Mississippi* or *Fargo*; and makes the case for documentaries and web series as significant entities in this domain. Collectively, the book builds a compelling picture of indie TV as a significant feature of US screen entertainment in the 21st Century. This interdisciplinary landmark volume will be a go-to reference for students and scholars of Television Studies, Film Studies and Media Studies.

**Say What You Will** - Cammie McGovern 2014-06-03

"A unique and unforgettable love." —Teen Vogue  
John Green's *The Fault in Our Stars* meets Rainbow Rowell's *Eleanor & Park* in this beautifully written, incredibly honest, and emotionally poignant novel. Cammie McGovern's insightful young adult debut is a heartfelt and heartbreaking story about how we can all feel lost until we find someone who loves us because of our faults, not in spite of them. Born with cerebral palsy, Amy can't walk without a walker, talk without a voice box, or even fully control her facial expressions. Plagued by obsessive-compulsive disorder, Matthew is consumed with repeated thoughts, neurotic rituals, and crippling fear. Both in desperate need of someone to help them reach out to the world, Amy and Matthew are more alike than either ever realized. When Amy decides to hire student aides to help her in her senior year at Coral Hills High School, these two teens are thrust into each other's lives. As they begin to spend time with each other, what started as a blossoming friendship eventually grows into something neither expected.

**Transfeminist Perspectives in and beyond Transgender and Gender Studies** - Finn Enke 2012-05-04

Lambda Literary Award for Best Book in Transgender Nonfiction, 2013 If feminist studies and transgender studies are so intimately connected, why are they not more deeply integrated? Offering multidisciplinary models for

this assimilation, the vibrant essays in *Transfeminist Perspectives in and beyond Transgender and Gender Studies* suggest timely and necessary changes for institutions of higher learning. Responding to the more visible presence of transgender persons as well as gender theories, the contributing essayists focus on how gender is practiced in academia, health care, social services, and even national border patrols. Working from the premise that transgender is both material and cultural, the contributors address such aspects of the university as administration, sports, curriculum, pedagogy, and the appropriate location for transgender studies. Combining feminist theory, transgender studies, and activism centered on social diversity and justice, these essays examine how institutions as lived contexts shape everyday life.

*Sexual Assault and Child Sexual Abuse* - Linda

Webster 1989

Includes "approximately 2,700 local agencies/organizations, and 100 national organizations ... concerned with sexual assault and child sexual abuse." Main section contains agency profiles, geographically arranged. Entries give such information as type of agency, clients and services, and languages used. Miscellaneous appendixes.

*The Stages of Age* - Anne Davis Basting 1998

A first-of-its-kind study that explores the intersections of performance and aging. Playwright and scholar Anne Davis Basting explores both aging actors and aging AS acting in a cross-section of American theatrical representations that hope to catalyze shifts in our understanding of age. Illustrations.
