Want to Find your Mate? Bible Study - Bethany K. Scanlon
2014-10-02

I love romance! And so does God! He created romance. Marriage is a symbol of the bride of Christ and the Father's love for us. And yes, I have won in the love department. I know that true love and contentment exists without compromising moral commitments. There IS someone for everyone, so don't ever give up hope! If you are tired of being single and want to marry the person God has ordained for you, then this bible study is a perfect fit! The Lord gave me His Word to reveal His will in Your life for a REAL match made in Heaven. This book is the companion to my book *Where's My Mate?* which tells the testimony of how God brought my husband and I together. Additionally,

The Lord led me to write a devotional for which I spent time in His presence every day journaling what I believe He wants to communicate to Singles. If you have not already, commit to using *Preparing for a Mate: A Single's 40 Day Devotional* while using this bible study.

The joy of a happy marriage blessed with loving, respectful children is a dream of most men and women. Traditionally, marriage has been an exclusive bond between a man and a woman. Yet in recent years this pattern has been changing. Looking at the state of marriage today leaves no doubt that the institution is under serious attack. A crisis in child

rearing has developed in part because of the crisis in marriages. So what are the keys to a happy, successful marriage and family? -- Inside this booklet: -- Marriage and Family: The Spiritual Significance -- God's Instruction Manual for Marriage -- Dating Dos and Don'ts -- Divorce-Proof Your Marriage -- Our Children: Gifts of God in a Hostile Environment -- Bringing Up a Moral Child -- A Foretaste of Tomorrow

Loveology Bible Study Guide -

John Mark Comer 2014-02-04

In the beginning, God created Adam. Then he made Eve. And ever since we've been picking up the pieces. Loveology is a theology of love from God's point of view. The five sessions start with God's design for marriage and works backward, dealing with sexuality, romance, singleness, and what it means to be male and female. Pastor and writer John Mark Comer shares about what is right in male/female relationships—what God intended in the Garden. And about what is wrong—the fallout in a post-Eden world. The Loveology video-based Bible study (DVD/digital video sold separately) is for anyone who wants to learn what the Scriptures have to say about sexuality and relationships and for people who want to ask the why questions and get intelligent, grace-and-truth answers. As you walk through this five-week study, you will come to better understand what God fully intended back

in the garden. By comprehending the brilliance behind God's original plan for love and marriage and sex and romance—if we can redefine that fuzzy, amorphous, confusing word “love” and look at it through the lens of Jesus—your marriages and relationships will be radically altered as a result. This study guide contains video notes, individual or group reflection questions, and between session personal applications to enhance your journey through the video study. Sessions include: Love Marriage Sex Romance Singleness Designed for use with Loveology Video Study 9780310688389 (sold separately).

Simply Song of Solomon - Larry and Geri Priest 2021-01-18

The unique premise of this book is God's revelation for bonding couples through marital sex with pleasure and full satisfaction for both spouses. Isn't there more to sex? Christian couples may breeze through the Song of Solomon and be impressed with the poetry, beauty and

passion, yet never discover the hidden keys in the revelatory word of God. Many married couples will be amazed as the Song of Solomon unlocks secrets designed by God to bring the husband and wife into a fulfilling sexual union. The creator and designer of sex gives us His instructions. The authors address the worldwide problem of the unfulfilled wife and the husband's premature ejaculation. God's design eliminates such problems. This book exposes Freud's sex fraud which has perpetrated erroneous and destructive thinking on societies for years. Life brings stress, but God grieves when marital sex brings added stress to a marriage. Conversely, God designed sex to be a refreshing oasis from the drudgery and stress of life in every married couple as they fulfill the will of God for their lives. His word describes how to achieve this satisfaction without exercises, drugs or gadgets. God designed it to be a pleasure this world cannot naturally duplicate.

But... Can I Or Can't I? - H. C. Dill 2021-02-06
Few things occupy the minds of teenagers and young adults more than questions about sex, sexuality and relationships. Can I have sex with my boyfriend/girlfriend? Am I gay? Is pornography wrong if a porn star loves their job? Church leaders and youth workers often struggle to address these questions, given the complexity of Biblical interpretation and the rapidly changing nature of sexual ethics in society. The Bible studies in this booklet are not intended to provide yes/no answers to the questions young people might have, since Churches differ so widely in their theological and doctrinal standpoints. Instead, these studies are designed to act as signposts and discussion starters, helping young people and their leaders to have constructive and well-informed conversations about what the Bible says, and how we understand it. There are four studies in this book: - But... What does the Bible actually say about Sex before

Marriage? - But... What about Pornography? (And Masturbation?) - But... What about Homosexuality? - So... Can I, or Can't I? Navigating Conscience, Community and Consequences.

Passion Pursuit - Linda Dillow
2013-07-22

A Bible study about sex for women? Now that's different! This new study, *Passion Pursuit: What Kind of Love Are You Making?*, lets God's Word speak about sex as being holy and erotic, blessed by God, and satisfying far beyond what the world can even imagine. Picture that as a headline on the cover of *Cosmopolitan*! By using scripture throughout the Bible, *Passion Pursuit* not only urges women to pursue passion but details how God has given them permission to do so. Though there is fun to be had along the way in this study, it hits hard on the questions women have but are hesitant to ask, like: What does God say is okay and not okay in the bedroom? I'm 54 years old; how can my husband still be attracted to me? Why did God

make men and women so different? This audaciously bold study combines the psychological expertise of Dr Juli Slattery, formerly of Focus on the Family, along with moving stories from trusted Bible teacher and best-selling author Linda Dillow. The groups who have already done this study have seen their marriages come alive, whether they've been married four months or forty years; be next! *Core Christianity* - Michael Horton
2016-04-05

What beliefs are core to the Christian faith? This book is here to help you understand the reason for your hope as a Christian so that you can see it with fresh sight and invite others into the conversation. A lot of Christians take their story—the narratives that give rise to their beliefs—for granted. They pray, go to church, perhaps even read their Bible. But they might be stuck if a stranger asked them to explain what they believe and why they believe it. Author, pastor, and theologian Mike Horton unpacks the

essential and basic beliefs that all Christians share in a way that is easy to understand and applicable to our lives today. And in a way that will make you excited to be a Christian! Core Christianity covers topics like: Jesus as both fully God and fully man. The doctrine of the Trinity. The goodness of God despite a broken world. The ways God speaks. The meaning of salvation. What is the Christian calling? Includes discussion questions for individual or group use. This introduction to the basic doctrines of Christianity is perfect for those who are new to the faith, as well as those who have an interest in deepening their understanding of what it means to be a follower of Jesus Christ.

The Bible, Sex and You - Roy Blizzard 2012-07-31

This book reveals the hidden elements of sex during the biblical period by highlighting what was once permissible but later forbidden in Christianity. Marriage, sex, birth control, abortion, divorce, homosexuality, fornication,

adultery and masturbation are each analyzed from antiquity in an attempt to reverse numerous 2,000 year old misinterpretations. The Bible properly understood could be the best sex text of modern times.

Faith Love and Sex -

Somtochukwu Ume 2012-10

This book is about the three common words we normally say, their meaning and their impacts in our daily lives. Many Christians use the word faith often but only few truly have it. This book will teach you more about faith, the application, importance and how we can apply it in our daily lives. As human beings we need faith to help us stay strong in stormy times. Another important topic discussed in this book is "love". In our world today, love is the most common word used. We use it mostly on daily basis; we understand and define it in so many ways but only few know the true meaning of it. I have seen many occasions where a guy will meet a girl for the first time and start prophesying how much love he has for the

girl. Some people believe in love at first sight, I'm not against it, I know something will get you attracted from somebody before you can make a move, but that attraction doesn't mean you love the person, is only being close with someone that you will get to develop real love. Real love develops is not based on physical attraction. Another important word discussed is sex. Nobody in this life can tell me he/she has never heard of sex. Sex is everywhere. This book will teach you some things you have to know about sex; it is not something you haven't heard of, but teachings in biblical way.

Unprotected Texts - Jennifer Wright Knust 2011-01-25
“An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar.” —Bart Ehrman, author of *Misquoting Jesus* Boston University’s cutting-edge religion scholar Jennifer Wright Knust reveals the Bible’s contradictory messages about sex in this thoughtful, riveting, and timely reexploration of the letter of the gospels. In the tradition of Bart Erhman’s *Jesus Interrupted* and John Shelby Spong’s *Sins of Scripture*, Knust’s *Unprotected Texts* liberates us from the pervasive moralizing—the fickle dos and don’ts—so often dictated by religious demagogues. Knust’s powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.

Premarital Sex in America -

Mark Regnerus 2011-01-10

The period of young adulthood, from ages 18 to 23, is popularly considered the most sexualized in life. But is it true? What do we really know about the sexual lives of young people today? Premarital Sex in America combines illuminating personal stories and comprehensive research surveys to provide the fullest portrait of heterosexuality among young adults ever produced. Mark Regnerus and Jeremy Uecker draw upon a wealth of survey data as well as scores of in-depth interviews with young adults from around the country, both in and out of college. Digging underneath stereotypes and unexamined assumptions, the authors offer compelling--and often surprising--answers to such questions as: How do the emotional aspects of sexual relations differ between young men and women? What role do political orientations play in their sexual relations? How

have online dating and social networking sites affected the relationships of emerging adults? Why are young people today waiting so much longer to marry? How prevalent are nontraditional forms of sex, and what do people think of them? To better understand what drives the sexual behaviors of emerging adults, Regnerus and Uecker pay special attention to two important concepts: sexual scripts, the unwritten and often unconscious rules that guide sexual behavior and attitudes; and sexual economics, a theory which suggests that the relative scarcity of men on college campuses contributes to the "hookup" culture by allowing men to diminish their level of commitment and thereby lower the "price" they have to "pay" for sex. For anyone wishing to understand how sexual relations between young adults have changed and are changing, Premarital Sex in America will serve as a touchstone for years to come.
