Uncle Dan's Dirty Jokes for Filthy Folks - Mad Comedy 2020-06-23

Every family has a dirty uncle. In my family, it was Uncle Dan. Pour a couple beers in him, and he'd start telling inappropriate jokes in front of the whole disapproving family. "A girl only has one heart, so playing with her heart is wrong," Uncle Dan advised. "Play with her boobs instead -- she's got two of those." "I'm feeling a bit depressed today: I just noticed I've got a gray pubic hair," he said. "I didn't freak out too much when I found it, but the people in the elevator with me looked horrified." Uncle Dan shook his head sadly and said, "Some people say there are no rules when it comes to love. Unfortunately for me, the judge disagreed." "They say one in every four men is gay, so there must be one in my group of friends," Uncle Dan said as he swigged his beer. "I hope it's Michael - he's super cute." "My girlfriend recently became a world-famous porn star," Uncle Dan said proudly. "She's gonna be really angry when she finds out." "How many perverts does it take to screw in a light bulb?" Uncle Dan asked my young cousin, who looked up, confused. "Only one," he said, "but it takes two paramedics to get it back out." This book contains years of Uncle Dan's cringey, pervy, inappropriate jokes that ruined many family

Thanksgivings, birthday parties, summer barbecues, and Christmases. Don't say you weren't warned!

Barber Shop Adult Jokes and Value-Laden

Quotes - Dr. Floyd E. McDowell Sr. 2016-06-16

On the importance of adult jokes and laughter: Some dictionary definitions of laughter are as follows: the general word for the sounds or exhalation made in expressing mirth, amusement, etc. and to feel or express joyousness. I started collecting these adult jokes, brief bits of humor, and one-liners over seventy years ago while serving as a young enlisted man and officer in World War II and the Korean Conflict. As a young serviceman, I started collecting them as a hobby when I observed the one sure way to relieve the anxiety and tension of young men who didn't know if they'd be here tomorrow, or if so in one piece, was to hear and respond to a good adult joke. Later in graduate school, during a course in the Vanderbilt University School of Medicine, I learned that laughter is one of the healthiest things you can do for your body. After sharing this adult humor with a large number of family members and friends and receiving a resounding positive response from these recipients, I was motivated to write this book with the belief it would provide many healthy smiles and laughs to a much larger audience of adults. I have thoroughly discovered this book's subtitle, Laughter Is the Best Medicine, is indeed the most valid one that could be used. Dr. Floyd E. McDowell Sr.
