The Frankster & Co, Party to Go - DJ & Karaoke Frank Casto

Autumn Spring Sam Pettus 2019-12-06 This is the story of how two people bridged the age gap and found each other. Larry Watts is fifty-two. He is the senior forklift driver at Marr Freight in the flyover country city of Middleton. He has also lived the longest at the upscale Richland Townhomes apartments, in which he resides in apartment four, and which is located in one of Middleton's better suburbs. Larry has been divorced for many years, and has finally become comfortable with his single late middle-aged life. Everything seems set, and he seems to be set in his ways, until someone comes along to change all of that. Brandy Ames is a perky twenty-six. She is the recently hired receptionist at DCH Associates, PA, one of Middleton's most prestigious law firms. Brandy has become frustrated with the selfish ways of her current boyfriend, and has already decided to move out of his house. Anticipating a complete break with both her boyfriend and her recent past of troubles, she applies for and obtains a lease for apartment three at the Richland Townhomes, which is currently empty. She has no idea that her life is about to change as much as that of the new neighbor she is going to have next door. The wind of the autumn spring descends upon both Larry and Brandy when they first meet, and they are soon caught in its wonderful embrace. Both quickly discover that they have a lot in common despite their differences in age, and both quickly develop first a close friendship and then a traditional romance that follows the old-fashioned lines that Larry prefers and Brandy quickly comes to appreciate. As they come together first as friends and then as a couple, both know that their lives are never going to be the same, thanks to the blessing both have been granted by the breath of the autumn spring.

Turn Around Bright Eyes Rob Sheffield 2014-05-20 Once upon a time I was falling apart. Now I'm always falling in love. When Rob Sheffield moved to New York City in 2001, he was a young widower trying to start a new life in a new town. One night, some friends dragged him to a karaoke bar—and that night turned into many nights in many karaoke bars. Karaoke became a way to be someone else if only for the span of a three-minute song, and through the sublime ridiculousness of karaoke, Rob began to find his voice. And then the unexpected happened. A voice on the radio got Rob's attention. And the voice came attached to a woman who could name every constellation in the sky, every Depeche Mode B side, and could belt out a mean Bonnie Tyler. *Turn Around Bright Eyes* is a journey of hilarity and heartbreak with a karaoke soundtrack. It's about finding the courage to move on, clearing your throat, and letting it rip—and how songs get tangled up in our deepest emotions.

All of Me Dani Burlison 2019-09-01 With women's anger, empowerment, and the critical importance of intersectional feminism taking center stage in much of the dialogue happening in feminist spaces right now, an anthology like this has never been more important. The voices in this collection of essays and interviews offer perspectives and experiences that help women find common ground, unity, and allyship. Through personal essays and interviews about what it is like to live as a woman (cis + trans) in this modern world—with all of our love, anger, complexities, and desires for justice—*All of Me: Stories of Love, Anger, and the Female Body* includes vulnerable, painful truths and bold inspiration. This anthology is for seasoned feminists and young feminists alike—anyone looking to find inspiration in radical activism, creativity, healing, and more. This book covers

Please Sign: Your Runaway Wife Has Been Captured 06 Anthology Wan Zhen 2022-12-22 Zheng Xiaoguang was a huge fan of online games. Although she did not have much money to splash out on the games, she had a big brother to take care of her. With the help of her capable big brother, she always enjoyed herself when exploring the gaming world. One day, his big brother suddenly allied himself with another powerful and rich player Bluegreen-Clad, the gang boss of the League of Strong Families, and married her off to this Bluegreen-Clad without telling her beforehand. At first, she thought gleefully, "Well, lucky me. Bluegreen-Clad has been voted The Most Desirable Husband and Most Desirable Lover by the female players of this zone. By marrying him in the game and going around with the attractive title 'Bluegreen-Clad's wife', I'll surely court a lot of envy." Beyond her expectations, she got a lot more than that. She quickly became the target of malicious envy and the common enemy of nearly all the female players on the server Watery South. Gradually, a rumor went around. Zheng Xiaoguang was stunned and wondered, "What? It looks like that I am not a lucky heroin of a romantic story but a vicious girl who has stolen someone else's finance."

BECKONED, Part 3: From Los Angeles with Love Aviva Vaughn 2017-08-15 And then there were three... Fire and ice have nothing on Angela Holguín and Soren Lund who first met as MBA students in exciting Barcelona. But their timing was off, until Destiny put them back in the same city: London; and their passion ignited. But will their fledgling romance stand a chance against the forces of Time and Space with Soren in Barcelona and Angela in Los Angeles? And a new threat also looms on the horizon: a mysterious and handsome entrepreneur interested in Angela's new business ...or is he? Angela beckons Soren to spend the holidays with her in Los Angeles, but when he makes her a beguiling offer, their relationship will be put to the test. **BECKONED**: slow burn, second chance romance inspired by food, travel, and Jane Austen. Over 300 reviews with 4.4+star average! Part 3 of a complete 6-part series. "It has been so long since I have read a series that has kept my interest like this one! I literally couldn't wait to jump into part 3 of this series and again as with the first two books I wasn't disappointed! I just can't help but be swept up in the relationship between Angela and Soren! I really am drawn to them. Again the author did a fabulous job with the writing in this book and I really do love her writing style - I honestly feel like I am on the journey with these characters through the author's fabulous descriptive writing! I am so excited to read part 4!" -Katie, 5-star review "Aviva Vaughn just keeps bringing it. Another book in the Beckoned series that I could not put down. The way Ms. Vaughn writes, always is so descriptive and makes you feel like you are right there with the characters. She keeps you on your toes with all the twists and turns. You keep reading because you want to see what is going to happen next. I cannot wait to read Part 4 in the series." -Dori from Florida, 5-star review "Something I've always admired about books is that when you find a well written series each book may even be better than the last, unlike motion pictures where the second rarely adds up. This is just one of the many reasons I've always favored a good book over a movie. My point is that I feel this way about Aviva Vaughn's Beckoned series. I was completely drawn into Angela and Soren's story in book one, book two blew my mind and yet somehow even after following their story a third time, I NEED to know more." -Felicia, 5-star review "This lady has completely captured me with this series, at first I was intrigued to see how a American author would write about the UK and she definitely did it justice. I really feel that

Aviva characters really pull you into the story and plays wonders with your imagination not many authors can really do that for me I've only got a hand full I will read hundreds of times over and over and she has definitely gone on that list for myself." -Claire, 5-star review "The whole story/series has been fascinating and captivating- but this book takes it to a whole new level. Ms. Vaughn has upped the ante, so to speak, and produced a story that I devoured in matter of hours. I couldn't put it down and HAD to find out what was happening. The books just seem to get better and better.... And the love triangle of sorts/the 'threat,' and the emotional rollercoaster that this story took me on had me sooooo conflicted. I am now really anxious about the next book, and to find out how the story will end. Thank you, Ms. Vaughn!" -Angela, 5-star review "Woah part three! This series just keeps getting better! I read this one in just a few hours because I could not stop reading it! After finding out this is the author's favorite book of the series, I was so excited to read this and Aviva Vaughn did NOT disappoint! This book gave me a new appreciation for California and seeing it through the eyes of someone who truly loves it is wonderful. Every time Aviva Vaughn describes a new location, I can picture it in such vivid detail. She really has a way with words! Bring on Part 4!!!" -Emily, 5-star review "I'm not even sure I'm even capable to begin to describe how much i enjoy this book (and series). Wow, it's such a roller ride! So much attention to details, scenic scenes and characters ! I can picture it all in my head and hear their voices. Phenomenal story plot, with drama, suspense, intrigue ... oh and sooo much love!! We can't all forgot that! The characters are relatable and entertaining! Such an amazing story, once you read one, you'll want to read the others ASAP!!" -Nicole, 4-star review "This series just gets better and better with each book..." -Lisette, 5-star review FROM THE AUTHOR Dearest Reader, I wrote BECKONED for many reasons, but first and foremost, I wrote it to feature the kind of people I know: diverse, smart, complicated men and women. My heroines are strong and educated, and my heroes are polite and respectful. As an avid reader, I wanted to see characters that looked like me and my friends and reflect the world I want to see. I also wanted to write a beautiful book. I consider BECKONED to be a modern story told in an old-fashion way with lots of metaphors and beautiful phrases, and where the sex is explicit but also elegant. So if you are a Word Nerd like me, then you will love BECKONED! If you choose to embark on this journey with me, you--and your taste buds--will get to visit London, Barcelona, Bath, Los Angeles, Honolulu, Costa Rica, New Zealand, and Copenhagen. It will be a fun--and delicious--ride! There are even recipes in some of the books as well as soundtracks to give you a multi-sensory experience. BECKONED is a single story in six parts and should be read in order. The intimacy is steamy, but it is sloooooow burn and is distributed throughout the books because of how the couples' relationships change and deepen. Birthing BECKONED has truly been a labor of love, and I hope you enjoy reading it as much as I enjoyed writing it! BUCKLE UP and enjoy the journey. Wishing you love and romance, ~Aviva

Holding Me Together Duane Simolke 2005-08 The first edition of *Holding Me Together* received a StoneWall Society Pride in the Arts Award. Simolke's publisher, iUniverse, named it an Editor's Choice selection. This revised, second edition begins with an updated version of his multi-part essay "Reactions to Homophobia," followed by poems and short essays on a variety of topics, such as writing, AIDS, religion, violence, family, friendship, and gay relationships. It also includes several new or newly revised works. Many of the poems and essays in this collection also appeared in various magazines and newsletters. Though *Holding Me Together* focuses heavily on gay themes, it also examines universal themes and will appeal to countless readers. From "Reactions to Homophobia": Treat other people's insecurities as their weakness, not as a reason to hate yourself or remain silent. Try to inform others and get along with others, but never base self-acceptance on whether others accept you. Hateful knee-jerk phrases can stick in your mind, like a worn-out song you never liked in the first place, but you should learn to see yourself as beautiful and wonderful. If others fail to see you that way, consider it their loss.

This Restless House Zinnie Harris 2016-05-12 'Electrifying . . . This four-hour epic of ambition and power is a sinewy reworking of Aeschylus that explodes into a cacophonous climax.' GUARDIAN ***** Aeschylus' Oresteia opens with Agamemnon sacrificing his daughter to the gods; an act which sets in motion a bloody cycle of revenge and counter-revenge. When he in turn is killed at the hands of his wife Clytemnestra, their son Orestes takes up the mantle of avenging his father, continuing the bloodshed until peace is ultimately found in the rule of law. Zinnie Harris reimagines this ancient drama, using a contemporary sensibility to rework the stories, placing the women in the centre. Orestes' leading role is replaced by his sister Electra, who as a young child witnesses her father's murder and is compelled to take justice into her own hands until she too must flee the Furies. Winner: Best New Play, Critics' Awards for Theatre in Scotland This Restless House premiered at the Citizens Theatre, Glasgow, in April 2016 in a co-production with the National Theatre of Scotland.

For Life, With Love Asian Development Bank 2009-10-01 The International Organization for Migration (IOM) and the Asian Development Bank (ADB) adapted IOM's existing migrant-friendly tool called For Life, With Love---a video and life skills package on HIV prevention and safe mobility for migrant and mobile populations in the Greater Mekong Subregion---to fit the road construction setting. This customized training tool was developed and pilot-tested at an ADB-financed road project in Bolikhamxay, Lao People's Democratic Republic. A baseline assessment was conducted to

determine patterns of mobility, work conditions and lifestyles among road construction workers, managers and supervisors, truck drivers, sex workers, health-care workers, affected local communities, and other vulnerable populations in the road project area. Based on the results, a training manual was developed in tandem with the animated drama series. The training manual and animated video series make up the customized training tool which is intended for delivering HIV prevention and safe migration activities to workers in various phases of road construction, and to affected local communities and surrounding entertainment venues.

Miscellaneous Female Damhnait Doyle 2005 Through sleepless ramblings and observations from Newfoundland singer / songwriter Damhnait Doyle, these journals cover her travels from Afghanistan to Japan and all over Canada on tour both solo and with her Shayne bandmates, Kim Stockwood and Tara MacLean. Sharing insights into the highs and lows of juggling a band and a solo career, and whether she's talking about Advil or karma, bikes or Canadian troops in Kabul, Damhnait Doyle's style is engaging and uniquely personal. The title of this book was found on the door of a dressing room at the 2005 Canadian Songwriter's Hall of Fame event. The room housed Buffy Sainte-Marie, Loreena McKennitt, and many other notable female musicians, and Damhnait Doyle's initial reaction was "'Miscellaneous females' they are not." But upon reflection, she realized that, as writers, she and these other women were speaking for all women who do not have a public voice.
