tools, and inspiring stories, Deeper Dating will guide you on a journey to find the love—and personal fulfillment—you long for. Lose weight. Be confident. Keep your partner guessing. At the end of the day, this soulless approach to dating doesn't lead to love but to insecurity and desperation. In Deeper Dating, Ken Page presents a new path to love. Out of his decades of work as a psychotherapist and his own personal struggle to find love, Page teaches that the greatest magnet for real love lies in our "Core Gifts"—the places of our deepest sensitivity, longing, and passion. Deeper Dating guides us to discover our own Core Gifts and empowers us to express them with courage, generosity, and discrimination in our dating life. When we do this, something miraculous happens: we begin to attract people who love us for who we are, we become more self-assured and emotionally available, and we lose our taste for relationships that chip away at our self-esteem. Without losing a pound, changing our hairstyle, or buying a single new accessory, we find healthy love moving closer . . . Deeper Dating integrates the best of human intimacy theory with timeless spiritual truths and translates them into a practical, step-by-step process.

**The Mastery of Self** don Miguel Ruiz 2016-05-23 Renowned Toltec wisdom teacher don Miguel Ruiz Jr. reveals how the tools of awareness, understanding, and unconditional love can free your authentic self. The Toltecs were an ancient civilization that predated the Aztecs. They believed that life as we perceive it is a dream. We each live in our own personal dream, and our collective dreams come together to shape the “Dream of the Planet.” But problems arise when we forget that the dream is just that—a dream, and not a fixed reality. *The Mastery of Self* takes the Toltec philosophy of the “Dream of the Planet” and the personal dream and explains how we can: Wake up from our illusions Liberate ourselves from the inhibiting stories we all tell ourselves Live as our true, authentic, loving selves Once released, we can live our authentic lives not only in solitude and meditation but anywhere—at the grocery store, stuck in traffic, and so forth—and in any situation or scenario that might confront us. Each chapter includes rituals, meditations, and other practices to manifest Toltec wisdom in our lives.

*The Circle of Fire* Don Miguel Ruiz 2013-08-09 In *The Circle of Fire* (formerly published as *Prayers: A Communion With Our Creator*) Ruiz inspires us to enter into a new and loving relationship with ourselves, with our fellow humans, and with all of creation. Through a selection of beautiful essays, prayers, and guided meditations, Ruiz prepares our minds for a new way of seeing life, and opens our hearts to find our way back to our birthright: heaven on earth. The result is a life lived in joy, harmony, and contentment. In my teachings, “The Circle of Fire” ceremony celebrates the most important day of our lives: the day when we merge with the fire of our spirit, and return to our own divinity. This is the day when we recover the awareness of what we really are, and make the choice to live in communion with that force of creation we call “Life” or “God.” From that day forward, we live with unconditional love in our hearts for ourselves, for

life, for everything in creation. This book, first published in 2001 as "Prayers: A Communion with Our Creator," will remind you of what you really are. It has always been my favorite book, and now in honor of my favorite prayer, it has been appropriately renamed "The Circle of Fire." -- don Miguel Ruiz

**The Mastery of Love: a Practical Guide to the Art of Relationship: a Toltec Wisdom Book by Don Miguel Ruiz**

Don Ruiz 2018-07 In *The Mastery of Love*, don Miguel Ruiz illuminates the fear-based beliefs and assumptions that undermine love and lead to suffering and drama in our relationships. Using insightful stories to bring his message to life, Ruiz shows us how to heal our emotional wounds, recover the freedom and joy that are our birthright, and restore the spirit of playfulness that is vital to loving relationships. *The Mastery of Love* includes: \* Why "domestication" and the "image of perfection" lead to self-rejection \* The war of control that slowly destroys most relationships \* Why we hunt for love in others, and how to capture the love inside us \* How to finally accept and forgive ourselves and others "Happiness can only come from inside of you and is the result of your love. When you are aware that no one else can make you happy, and that happiness is the result of your love, this becomes the greatest mastery of the Toltec: the Mastery of Love." - don Miguel Ruiz

*The Fifth Agreement* Don Miguel Ruiz 2010-01-18 In *The Four Agreements*, a New York Times bestseller for over 7 years, Ruiz revealed how the process of our education, or "domestication," can make us forget the wisdom we were born with. Throughout our lives, we make many agreements that go against ourselves and create needless suffering. The Four Agreements help us to break these self-limiting agreements and replace them with

agreements that bring us personal freedom, happiness, and love. In *The Fifth Agreement*, don Miguel Ruiz joins his son don Jose Ruiz to offer a fresh perspective on *The Four Agreements*, and a powerful new agreement for transforming our lives into our personal heaven. *The Fifth Agreement* takes us to a deeper level of awareness of the power of the Self, and returns us to the authenticity we were born with. In this compelling sequel to the book that has changed the lives of millions of people around the world, we are reminded of the greatest gift we can give ourselves: the freedom to be who we really are.

**Wisdom of the Shamans** don Jose Ruiz 2018-05-02 For generation after generation, Toltec shamans have passed down their wisdom through teaching stories. The purpose of these stories is to implant a seed of knowledge in the mind of the listener, where it can ultimately sprout and blossom into a new and better way of life. In *The Wisdom of the Shamans: What the Ancient Masters Can Teach Us About Love and Life*, Toltec shaman and master storyteller don Jose Ruiz shares some of the most popular stories from his family's oral tradition and offers corresponding lessons that illustrate the larger ideas within each story. Ruiz begins by explaining that contrary to the stereotypical image of "witch doctor," the ancient shamans were men and women who fulfilled several roles within their communities: philosopher, spiritual guide, medical doctor, psychologist, and friend. According to Ruiz, their teachings are not primitive or reserved for a chosen few initiates but are instead a powerful series of lessons on love and life that are available to us all. To that aim, he has included exercises, meditations, and shamanic rituals to help you experience the personal transformation these stories offer. The shamans taught that the truth you seek is inside of you. Let these stories, lessons, and tools be your guide to finding the innate wisdom that lives within.

**The Subtle Art of Not Giving a F\*ck** Mark Manson 2016-09-13 #1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F\*\*k positivity," Mark Manson says. "Let's be honest, shit is f\*\*ked and we have to live with it." In his wildly

popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. *The Subtle Art of Not Giving a F\*\*k* is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f\*\*k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F\*\*k* is a refreshing slap for a generation to help them lead contented, grounded lives.

*Desolation Canyon* P. J. Tracy 2022-01-18 P.J. Tracy "seems to have found her literary sweet spot" (New York Times Book Review) with her dazzling new series, and in *Desolation Canyon*, fans get a deeper look into the complex characters who call Los Angeles home. LAPD Detective Margaret Nolan is struggling to move forward after the death of her brother in Afghanistan and taking a life in the line of duty. Her stoic parents offer little support - they refuse to address anything difficult, and she's afraid their relationship is eroding beyond the point of recovery.

The days off are the hardest, because they give Margaret time to think. A moment of weakness leads to cocktails with a colleague—an attraction she knows could be dangerous—at the luxurious Hotel Bel-Air bar. A stroll through the grounds leads to a grim discovery beneath the surface of Swan Lake: the body of a successful attorney who made his fortune in international trade. It initially appears to be death by misadventure, but the case is anything but straightforward. As a series of shocking revelations emerge, Nolan finds herself confronting a sinister cabal that just might destroy her and everyone she loves.

*The Five Levels of Attachment* Don Miguel Ruiz, Jr 2013-02-04

The Five Levels of Attachment picks up from where Don Miguel Ruiz, Jr's father's book, The Four Agreements, left off. Building on the principles found in his father's international bestseller (2.5 million copies sold in the US), Don Miguel explores the ways in which we attach ourselves inappropriately to beliefs and the world. This is ancient wisdom for finding your true self. Ruiz explores the five levels of attachment that cause suffering in our lives. The five levels are: • Authentic Self • Preference • Identification • Internalization • Fanaticism Accessible and practical, The Five Levels of Attachment invites us to look at our own lives and see how an unhealthy level of attachment can keep us trapped in a psychological and spiritual fog. He then teaches us to reclaim our true freedom by cultivating awareness, detaching, and discover our true selves.

Prayers Miguel Ruiz 2001 Draws on the four guided principles for life transformation presented in The Four Agreements in an inspirational collection of the author's favorite prayers, meditations, and reflections on topics such as wisdom, healing, courage, love, integrity, forgiveness, freedom, truth, and happiness. **The Four Agreements Toltec Wisdom Collection** Don Miguel Ruiz 2008-08-13 A three volume set identifies four self-limiting beliefs that impede one's experience of freedom, true happiness, and love; looks at the fear-based assumptions that undermine love; and urges readers to restore joy in living by not believing in lies.

The Three Questions Don Miguel Ruiz 2018-06-26 The beloved spiritual teacher builds on the message of his enduring New York Times and international bestseller The Four Agreements with this profound guide that takes us deeper into the tradition of Toltec wisdom, helping us find and use the hidden power within us to achieve our fullest lives. In The Four Agreements, Don Miguel Ruiz introduced seekers on the path to enlightenment to the

tenets of Mesoamerican spiritual culture—the ancient Toltec. Now, he takes us deeper into Native American practice, and asks us to consider essential questions that drive our lives and govern our spiritual power. Three eternal questions can help us into our power and use it judiciously: Who am I? What is real? How do I express love? At each stage in our lives, we must ask these simple yet deeply profound questions. Finding the answers will open the door to the next stage in our development, and eventually lead us to our complete, truest selves. But as Don Miguel Ruiz makes clear, we suffer if we do not ask these questions—or if we fail to pay attention to their answers—because we either never act on our power or use it destructively. Only when power is anchored in our identity and in reality will it be able to be in synch with the universe—and be of true benefit to ourselves and to others. The three questions provide a practical framework that allows readers to engage with Ruiz’s transformative message and act as a vehicle for overcoming fear and anxiety and discovering peace of mind. An essential guide for all travelers pursuing self-knowledge, understanding, and acceptance, *The Three Questions* is the next step in our unique spiritual metamorphosis.

**The Master and His Emissary** Iain McGilchrist 2019-03-26 A new edition of the bestselling classic - published with a special introduction to mark its 10th anniversary This pioneering account sets out to understand the structure of the human brain - the place where mind meets matter. Until recently, the left hemisphere of our brain has been seen as the ‘rational’ side, the superior partner to the right. But is this distinction true? Drawing on a vast body of experimental research, Iain McGilchrist argues while our left brain makes for a wonderful servant, it is a very poor master. As he shows, it is the right side which is the more reliable and insightful. Without it, our world would be mechanistic - stripped of depth, colour and value.

*The Voice of Knowledge* Don Miguel Ruiz 2010-02-01 In *The Voice of Knowledge*, Miguel Ruiz reminds us of a profound and simple truth: The only way to end our emotional suffering and restore our joy in living is to stop believing in lies — mainly about ourselves. Based on ancient Toltec wisdom, this breakthrough book shows us how to recover our faith in the truth and return to our own common sense. Ruiz changes the way we perceive ourselves, and the way we perceive other people. Then he opens the door to a reality that we once perceived when we were one and two years old — a reality of truth, love, and joy. “We are born in truth, but we grow up believing in lies. . . . One of the biggest lies in the story of humanity is the lie of our imperfection.” — don Miguel Ruiz • From the international bestselling author of *The Four Agreements* • A *New York Times* bestseller • Over 300,000 copies sold in the U.S.

**The Seven Habits of Highly Effective People** Stephen R. Covey 1997 A revolutionary guidebook to achieving peace of mind by seeking the roots of human behavior in character and by learning principles rather than just practices. Covey's method is a pathway to wisdom and power.

**The Actor** Don Miguel Ruiz 2021-03-16 Master the art of life and

happiness and learn how to live authentically with The Actor, the first of four transformative courses by Don Miguel Ruiz and Barbara Emrys.
