You Don't Really Know Me: Why Mothers and Daughters Fight and How Both Can Win - Terri Apter 2005-08-17

Understand what your teenage daughter really means—and learn to use your arguments to strengthen your bond with her. Mothers and teenage daughters argue more than any other child-parent pair—on average every two-and-a-half days. These quarrels, Terri Apter shows, are attempts to negotiate changes in a relationship that is valued by both mothers and daughters. A daughter often feels her mother doesn't know or understand her, and by fighting hopes to force her mother into a new awareness of who she really is, how she has changed, and what she is now capable of doing and understanding. But mothers often misinterpret their daughter's outbursts as signs of rejection, and they may pull back feeling hurt and confused. Through case studies and conversations between mothers and daughters, Apter shows mothers how to interpret the meanings behind a daughter's angry words and how to emerge from arguments with a new closeness.

Get Over Yourself! - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve

into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, Get Over Yourself! will help you get the love you've always wanted and deserve.
