Things Will Get as Good as You Can Stand - Laura Doyle  
2004-04-06

Why do the things you want elude you? Intimacy. Validation. Romance. Nice things. More time. Most women wish for these every day. In *Things Will Get as Good as You Can Stand*, bestselling author Laura Doyle says that all of these things are available to us, but receiving them makes women feel uncomfortable. We turn away praise at work, help with the house, an expression of admiration so that we appear to be in control. The result is a Superwoman Syndrome: we

are overworked and exhausted -- and we feel alone. In *Things Will Get as Good as You Can Stand*, Doyle provides steps for overcoming the Superwoman Syndrome and explains why: If you act like you don't deserve something, everyone else will agree. Saying what you want makes you more beautiful. Grateful women have better romantic relationships. You should let a man support you. You have to be vulnerable to get emotional help. With her trademark practical approach, Doyle explains why it is "better to receive than to give." She guides you to accepting what you are offered with ease and kindness, which is the expressway to having what you want.

Waltman 2002

The latest from PUSH: a startling first novel about guy friendship, difficult choices, and life in the middle of nowhere. This startling debut novel is about both the velocity and the inertia of being a teenage boy in America. It's about Gary, who drives around aimlessly with his best friend Wilson in a stolen car, looking for something to do but only finding trouble or boredom. It's about Gary's attempts to be a good boyfriend and a good son, even though his girlfriend is on to his issues and his dad has a tornado temper. It's about living in a town that you've known your whole life but doesn't know you at all. It's about looking for escape, and the price you sometimes have to pay to get free.

### **Never Date Your Best Friend**

- Jules Barnard 2015-04-20

I'm stuck in the friend zone with the hottest guy I've ever known. Oh, and he's my best friend. Zach pushes me away the moment sparks fly, and sparks have been flying since the day we met. For some

aggravating reason, he's intentionally keeping me at a distance. The way I see it, I have two options. I can leave town and make a fresh start or I can show Zach how right we are for each other. Only one of those options has the potential to ruin the best friendship I've ever had. But I'm considering risking it all for love. A RITA-nominated, sexy, friends-to-lovers romance. Grab it now! -- EXCERPT -- "Nessa." His voice is a strangled growl. "This shouldn't be a big deal. You said you're not attracted to me," I remind him. "I didn't say that." "You said there's nothing to worry about, and that I should make myself comfortable." "I didn't think you were gonna skinny-dip."

Aiden, trying to finish his law degree and figure out his life path, faces the same demand from his own father. As he and Helena grapple with their unwanted betrothal, a torrid romance begins to kindle between them—one every bit as complex and fragile as a castle made of sand.

Gods & Monsters - Saffron A. Kent 2021-02-04

He was an artist. She was his muse. To everyone in town, Abel Adams was the devil's spawn, a boy who never should have been born. A monster. To twelve-year-old Evie Hart, he was just a boy with golden hair, soft t-shirts and a camera. A boy who loved taking her picture and sneaking her chocolates before dinner. A boy who made her feel special.

Despite her family's warnings, she loved him in secret for six years. They met in empty classrooms and kissed in darkened church closets. Until they couldn't. Until the time came to choose between love and family, and Evie chose Abel. Because their love was worth the risk. Their love was the stuff of legend. But the thing about legends is that they are cautionary tales. They are made of choices and mistakes. And for Abel and Evie, the artist and the muse, those mistakes come in the form of lights, camera, sex. Forbidden Romance, Friends to lovers

Romance, Angsty Romance, Coming of Age Romance, Bad Boy Romance, Good Girl Bad Boy Romance.

make some difficult choices, but she runs into one of her old friends, and soon the four are reunited. Lolly, warm as ever, is a successful physiotherapist, married with kids. Yet smart, strong Amanda, who cherishes her teenage daughter, is alone and seemingly stuck in a dead-end job. And creative Jess is so much quieter than Emily remembers. The bond is still there, and Emily realises their friendship might keep her together, but there are reasons why the women fell out of touch. Secrets that have lain dormant for decades start to surface, and then one of the women discovers a betrayal so big, it could turn each of their lives upside down. It's always those we're closest to who have the power to tear us apart. Can friendship give Emily and her friends the strength to survive a devastating shock, or are some things unforgivable? One summer. Persistent doubts. Endless possibilities. A summer at one of the poshest riding camps in the province. A hundred horses. Rolling hills ribboned with hacking trails and cross-country jumps. It could be perfect. Unless you're Lacey Strickland, and you're leaving Salem, Meg, and Jared behind on the island. The only thing that isn't hard to leave is Lacey's memory of her first kiss, delivered in a spring-scented hayfield, which sizzled, then fizzled into nothing at all. The other thing making camp less-than-perfect for Lacey? She's not a cosseted camper, but a staff member - teaching riding lessons from sun-up to sun-down. In Meg's first letter to Lacey, she writes, "I bet anything there's at least one amazing horse waiting for you there. And maybe a new great - if not best - friend." Is Meg

**On That Day** - V. M. Jenkins

2022-08-01

From public school to homeschool, here's Haven! Haven Jennings is the center of this lighthearted (sometimes laugh out loud) comedy. She is quick-witted, somewhat humorous, and a little bit worldly as she spent a good majority of her growing up years in the "dark side of education," as her homeschool friends would laughingly describe the public-school system. Haven attends an early morning Bible study with her mother and gifted brother Delbert. While Delbert is in the study to become biblically knowledgeable, Haven is in it

for the social aspects. And what a social time she has as the Bible study is made up of supremely unique and awkward characters that are perfecting their craft in the art of socializing with other teens. One teen in particular, named Aaron, is new to the study. Haven happens to notice that not only is he nice looking, but he knows Haven's favorite TV family, the Duggars, of which Haven happens to be a fan of epic proportions. Because Haven wants so badly to know about these people, she believes that she can conjure up a friendship that is perfectly within appropriate boundaries with Aaron, as she finds out in the meantime that Aaron happens to be in a courtship with a girl back in his home town. Things become sticky when Haven, who has other guy friends within the Bible study, finds it difficult to have a friendship with Aaron. Something just isn't right about their relationship. In the end, Haven learns that blessing follows obedience, and obedience, while not always

the easiest or plainest choice to make, definitely reaps its own rewards. Haven is hoping for the reward of meeting the famous family, and just maybe, she will, as the Lord only knows what is planned to happen On That Day.

*Why Did I Come into This Room?* - Joan Lunden 2020-03-10

Why Did I Come into This Room? is a funny "What to Expect When You're Expecting" for the aging woman. "I'm too old for Snapchat, but too young for Life Alert." In her most candid and revealing book yet, acclaimed broadcast journalist and Baby Boomer Joan Lunden delves into the various phases of aging that leave many feeling uncomfortable, confused, and on edge. In her hilarious book, Lunden takes the dull and depressing out of

aging, replacing it with wit and humor. After all, laughing is better than crying—unless it makes you pee! Whether you're in your 40s, 50s, 60s, or more, this book is full of helpful information to embrace—or at least prepare for—the inevitable. Funny, captivating, and raw, no topic is off limits. Lunden goes where others fear to tread, openly talking about wrinkles and age spots (which Lunden insists are sunspots), expanding waistlines (no, you didn't shrink your jeans), diminished energy (my get-up-and-go got up and went), weak pelvic floors (yes, we're talking about leaking), hot flashes (they suck), disrupted sleep (the morning host is an expert on lack of sleep), changes in sex drive (oh yeah, she goes there), ageism (it exists and it pisses us off), and yes, the real reasons we suddenly find ourselves always searching for those car keys! Through her poignant and often laugh out loud funny personal experiences, Lunden candidly shares her anxieties and breakthroughs and how she's

coping with the realities of aging. She's talking about the good, the bad and the ugly, elevating the conversation on topics often considered "taboo." *Why Did I Come into This Room?* also explores the science of aging, including how it impacts the body and brain, while dispelling myths and revealing useful options to stave off the aging process as long as possible. Even more importantly, Lunden goes beyond the physical aspects of aging by closely examining the mental and emotional minefields that come with our advancing years. As she explores the value of asking ourselves important questions including, "Am I still relevant?", "Do I have meaningful friendships?", and "Am I leaving an impactful legacy?" Lunden also examines the freedom in "letting go," the importance of managing stress, and how joy and a sense of purpose all play an impactful role in slowing the aging process. In a society where youth is revered and aging feared, *Why Did I Come into*

## Things To Say To Your Best Friend To Make Her Happy

This Room? is the long-awaited tell-it-like-it-is guide for women of all ages. As Lunden says, "Aging ain't for sissies...you

better be prepared."
