Dyeing to Be Loved (Curl Up and Dye Mysteries, #1) - Aimee Nicole Walker 2016-11-08

Gabriel Wyatt is a big city Detective living in a small Ohio town. He expects a peaceful existence once he moves from Miami, Florida, but that's the last thing he finds. Instead, Gabe discovers murder, mayhem, and one smart-mouthed stylist he can't get out of his head. Josh "Jazz" Roman is a small-town business owner with big dreams and an attitude to match. He finds himself in the middle of a case that brings the dreamy detective to the front door of his Curl Up and Dye Salon. Josh learns that the biggest threat to him isn't a killer; it's a man who wants something from him that he vowed to never give again - his heart. Both men deny that there's something between them, even though they're drawn together like magnets. Can Gabe convince Josh to let down his guard or will Josh let past hurts destroy his chance at a happy future? Dyeing to be Loved is the first book in the Curl Up and Dye Mystery series. These books are written to be read in order. They contain sexually explicit material and are intended for adults 18 and older. \*\*Please note this book was re-edited and reformatted July 2017 to include the prequel Fatal Reaction.

**Something to Dye for (Curl Up and Dye Mysteries, #2)** - Aimee Nicole Walker 2017-01-03

A phone call in the middle of the night forces Detective Gabriel Wyatt out of his warm bed and into the frigid night to identify the body of a

murdered man whose wallet contains Gabe's business card instead of an ID. That night sets off a chain of events that chills Gabe to his bones when it appears that the killer has set his eyes on a new target - Josh Roman. Josh comes face-to-face with a painful reminder of his past just when he's ready to acknowledge that his feelings for Gabe go way beyond liking the man. How can he trust that his feelings for Gabe are right when before he'd always been so wrong? Will Josh and Gabe finally acknowledge that what they have is something to live for or will they allow danger and doubts to destroy their chance at something amazing? Something to Dye For is book 2 in the Curl Up and Dye Mysteries series. These books are written to be read in order. They contain sexually explicit material and are intended for adults 18 and older.

**Nobody's Prince Charming (Road to Blissville, #3)** - Aimee Nicole Walker 2018-03-22

Fire and ice. Oil and water. Vodka and decisions. That's what Darren McCoy and Wren Davison are: two opposites that shouldn't mix well. Dare believes in fairy tales, true love, and happily ever after. Wren believes in fast cars, freedom, and no-strings sex. What can these two men possibly have in common? A magnetic pull strong enough to obliterate logic and reason. For more than a year, Dare and Wren have worked together at the Curl Up and Dye Salon. Dare has pursued the mysterious, brooding man, and Wren has resisted his provocative charm. Then one day, something happens that allows the men to see each other in a new light. Wren learns that Dare hides a heavy heart behind his brilliant smile. Dare realizes that beneath Wren's gruff exterior beats the heart of a prince. Passions ignite once the men stop fighting their attraction, but will it be enough to overcome their differences? Is Wren the prince that Dare is looking for? Can Dare teach Wren that true love

does exist? Nobody's Prince charming is a modern-day fairy tale where some princes ride Harleys, and castle walls are built to scale. It is the third book in the Road to Blissville series but can be read as a standalone book. This book contains sexually explicit material and is intended for adults eighteen and over.

[Smoke in the Mirror \(Road to Blissville, #5\)](#) - Aimee Nicole Walker  
2018-07-12

Memphis Sullivan thought he was coming to Blissville to help his cousin out, but instead, he gained three meddling females, a tribe, and a permanent home. More than a year later, he owns a popular comic book and vinyl record store and doesn't think his life could get any better. That all changes when the star of his favorite television show and bad-boy fantasies rides into town and spices up his vanilla world. Lyric Willows' decision to visit an old friend in Blissville will change his life in ways he never dreamed possible. The paranormal investigator is immediately drawn to the mysterious disappearance of the town's founder in 1850 and rumors that his former home is haunted. More alluring to Lyric than the history of Bliss House is the immediate connection he feels to the adorably geeky owner of Vinyl and Villains, who also happens to be his friend's cousin. Lyric becomes Memphis's houseguest when he decides to stay in town to conduct a paranormal investigation. Tight spaces lead to sexy encounters, and before long, ghosts aren't the only things that go bump in the night. The more they unravel about Anthony Bliss's disappearance, the more tangled in one another they become. How is it possible for two virtual strangers to feel like they've known each other for their entire lives? Was their love written in the stars, or is it nothing more than an illusion? Smoke in the Mirror is the fifth book in the Road to Blissville series. Each book can be read as a standalone book or part of the series. This book contains sexually explicit material and is intended for adults 18 and older.

*This Time Around (Road to Blissville, #4)* - Aimee Nicole Walker  
2018-05-03

At the café Milo Miracle co-owns with his twin sister, coffee and pastries are served up along with his unique blend of sass and snark. Milo knows that small-town life often means that every day is the same as the one before, and excitement can only be found in the gossip that travels faster than the speed of light. When the dark-haired Adonis who broke his heart returns home after a twelve-year absence, Milo unhappily finds himself at the center of Blissville's favorite pastime. Andy Mason was practically a kid when he left home to pursue big-league ambitions, but the man who returns to Blissville is humbled by shattered dreams and secrets he's not ready to share with Milo. Andy's no stranger to grit and determination, and he'll need both to win back Milo's cynical heart. Strong wills clash with stubborn hearts, triggering combustible passion once Andy starts renovations at the café. Milo would like to keep Andy's hands busy doing something other than construction. Andy would like to suggest what Milo can do with his wicked tongue besides trade barbs with him. Neither man is willing to budge until they get a little shove from an outside force. Will Andy and Milo learn that trust is a two-way street, or will this time around end as disastrous as the first? This time around is a witty, sexy, and endearing love story about two men who learn how to balance push and pull, both in and out of the bedroom. It is the fourth book in the Road to Blissville series but can be read as a standalone book. This book contains sexually explicit material and is intended for adults eighteen and over.

*Bad at Love* - Aimee Nicole Walker 2021-10-13

Bad at making decisions or bad at love? Either way, Kendall Blakemore doesn't trust his judgment. He falls too hard, too fast, and always for the wrong guy. Needing a major shakeup, Kendall moves into his own place for the first time and seizes a new career opportunity. But everything he thought he wanted turns out to be the last thing he needs. When loneliness threatens to derail Kendall's good behavior, he decides to rent

out his spare bedroom. What could go wrong? Try a tenant who's temptation incarnate. Bad at commitment or born to roam? Either way, US Deputy Marshal Kurt Dandridge feels trapped. Maybe staying in one place for too long is the source of his unhappiness, or maybe it's because he's engaged to the wrong person. Finding his fiancé in bed with another man takes care of one problem but creates another. Ridge needs a place to live. He'd leave Savannah altogether if not for his vow to apprehend an elusive fugitive. Renting a room from Kendall Blakemore seems like the perfect solution until Ridge finds himself falling for the alluring man. Would one kiss derail his course? And could he stop at just one? Hurts so good. Chemistry burns between them-hot, consuming, and impossible to ignore. And why should they? Kendall and Ridge are consenting adults who know the score. Being bad has never felt so good, but it's a slippery slope to navigate. One misstep could have disastrous consequences for both men. Bad at Love is a standalone novel within the Sinister in Savannah universe where both characters first appeared. It is not necessary to read that series first. Bad at Love is a romantic suspense that's heavier on the romance than the suspense.

*Pretty Poison (Sinister in Savannah Book 3)* - Aimee Nicole Walker  
2020-02-20

Redemption seeker. Chameleon. Damaged heart. By day, Rocky Jacobs is a private investigator. By night, he produces Sinister in Savannah, a true-crime podcast, with his two best friends. Rocky's life revolves around three principles: possessing skill is better than having luck, a man's reputation is everything, and there's no sacrifice too great for those you love. Is Tess Hamilton pretty poison or just unlucky in love? That's the question the trio of trouble will try to uncover. This investigation strikes a little too close to home for one of them. Tess, a woman accused of killing her three husbands, has been tried and convicted in the media, something Rocky knows all too well. When their investigation turns up nothing but dead ends, Rocky will keep digging. Is it because he believes in her innocence? Or does Rocky hope to find redemption for himself by achieving it for Tess? A stagnant case turns out to be the least of his problems. What happens in Vegas never truly stays stay there. For

fifteen months, Rocky has been running from a tragedy that shattered his life and countless others. The most painful casualty was the destruction of his marriage to Asher Dunleavy. When the sexy federal marshal turns up in Savannah, Rocky is reminded of his greatest love and deepest regret. Every minute spent in Asher's presence makes him yearn for the life they lost. Will Rocky drown in the sorrows of what might've been or fight for what could be? Sinister in Savannah series is a fictional podcast exploring the city's most nefarious crimes with Southern-fried snark. The books explore friendship, love, loss, and the irrepressible human spirit. Pretty Poison is book three of three. While each novel is written about a different couple, the series should be read in order due to continuing storylines. Sinister in Savannah is an LGBT romantic suspense series with mature language and sexual content intended for adults eighteen and older. Trigger warning: the main character struggles with PTSD resulting from an investigation involving a murder-suicide. While the content is not overly graphic, it could still cause emotional harm to some readers. One of Rocky's side effects is anxiety, which may trigger similar reactions in those battling the disorder. As with the murder-suicide scene, I avoided being too graphic with his attacks.

**Ground Zero: (Zero Hour Book One)** - Aimee Nicole Walker  
2019-09-18

Ground zero, noun: the center or origin of rapid, intense, or violent activity or change. Heat, humidity, and homicide are things veteran detective Sawyer Key expects to encounter on his first day with the Savannah Police Department, but the hostile reception from his new partner catches him by surprise. Sawyer isn't a stranger to heartache and recognizes that Royce Locke is a wounded man who's reeling from a devastating loss. Relentless and patient in all things, Sawyer is determined to make the new partnership work. Savannah, Georgia is known for her quirky people, oak trees draped in Spanish moss, and antebellum architecture. Beneath the Southern charm and hospitality, festering hatred and violence is soaring with the summer temperatures. Locke and Key find themselves at the epicenter when their first case involves the death of a former shock jock who appears to be the victim of vigilante justice. Opposites in nearly every way, the two detectives set aside their differences to take back their city and restore law and order. From this reluctant truce, an intense attraction grows that will either tighten or shatter their tenuous bond. Falling for his partner spells inevitable disaster, but Sawyer's always been a sucker for wounded things. Sawyer could be the key to the life Royce has always wanted, if he's brave enough to trust him. The fuse is lit, the clock is running, and

the zero hour is upon them.
