Deadly Finish - John Francome 2010-10-14

A day at the races ends in murder... Deadly Finish is another brilliant racing thriller from 'the natural successor to Dick Francis' (Irish Times), John Francome. The perfect read for fans of Felix Francis' Pulse and Triple Crown. 'The book moves at a relaxed pace but the tension continues to mount until the surprising conclusion. Good characters, good plot and well worth reading' - West Australian It's summer, Royal Ascot, and life is good for young trainer Simon Waterford. He has inherited his father's top-class yard, his brilliant two-year-old has just won the Coventry Stakes and he is soon to marry his beautiful half-Brazilian girlfriend. But Mariana has a secret which would wreck her hopes of marriage - and which Simon's uncle Geoff has found out. And he has threatened to tell Simon. On their way back from the races, two rough-looking young men pass lewd comments about Mariana. There's not much of a brawl - it's over too quickly and is hardly even-handed - but it leaves Mariana in a sea of blood tending to Simon's wounded face, while Geoff lies dead on the floor. It's a tragedy, of course, but Mariana

can't help but feel relieved. Her secret is safe, for now... What readers are saying about Deadly Finish: 'John Francome's weaving of the various plot-lines was superb' 'Another first class book from Francome' 'Believable characters and great storyline had me on the edge of my seat from beginning to end'

Breaking Away - Juliana Haygert 2020-08-03

All Beatriz "Bia" Fernandes wants is to prove herself—to her family and friends—though it's hard to prove anything with an overbearing father and three famous polo-playing older brothers. After her acceptance into college results in a heated family argument, the Brazilian girl leaves everything behind to find her own American dream. College life away from home is perfect until the people she believes to be her friends turn on her. With lies and rumors threatening to suffocate her, Bia turns to her only freedom. Riding. But one thing gets in the way of her escape. Garrett Blackwell and his bad cowboy attitude. Working at the ranch is his obligation, bugging Bia is his newfound hobby. His thick skin and easy grin don't hide what Bia already knows—this misunderstood and lonely cowboy fights his own demons. Brushing horses' coats and mucking out stalls shouldn't be this sexy, and it isn't long before he becomes a part of her distraction. However, escaping won't solve her problems, and it's up to Bia to break down the fences around her and prove her strength—not to her family and friends, but to herself ... and for Garrett. Because standing on her own doesn't have to mean standing alone. Author's note: this book contains scenes of mild bullying, strong language, sex scenes, and a HEA. The Breaking Series: Breaking Free (Book 1) Breaking Away (Book 2) Breaking Through (Book 3) Breaking Down (Book 4) *All books are standalone and can be read out of order.

Oxford Anthology of the Brazilian Short Story - K. David Jackson
Professor in the Department of Spanish and Portuguese Yale University

2006-08-03

The Oxford Anthology of the Brazilian Short Story contains a selection of short stories by the best-known authors in Brazilian literature from the late nineteenth century to the present. With few exceptions, these stories have appeared in English translation, although widely separated in time and often published in obscure journals. Here they are united in a coherent edition representing Brazil's modern, vibrant literature and culture. J.M. Machado de Assis, who first perfected the genre, wrote at least sixty stories considered to be masterpieces of world literature. Ten of his stories are included here, and are accompanied by strong and diverse representations of the contemporary story in Brazil, featuring nine stories by Clarice Lispector and seven by Joao Guimaraes Rosa. The remaining 34 authors include Mario de Andrade, Graciliano Ramos, Osman Lins, Dalton Trevisan, and other major names whose stories in translation exhibit profound artistry. The anthology is divided into four major periods, "Tropical Belle-Epoque," "Modernism," "Modernism at Mid-Century," and "Contemporary Views." There is a general introduction to Brazilian literary culture and introductions to each of the four sections, with descriptions of the authors and a general bibliography on Brazil and Brazilian literature in English. It includes stories of innovation (Mario de Andrade), psychological suspense (Graciliano Ramos), satire and perversion (Dalton Trevisan), altered realities and perceptions (Murilo Rubiao), repression and sexuality (Hilda Hilst, Autran Dourado), myth (Nelida Pinon), urban life (Lygia Fagundes Telles, Rubem Fonescal), the oral tale (Jorge Amado, Rachel de Queiroz) and other overarching themes and issues of Brazilian culture. The anthology concludes with a haunting story set in the opera theater in Manaus by one of Brazil's most recently successful writers, Milton Hatoum.

But as they become swept up in the colorful madness of Carnival, their expatriate dreams quickly begin to disintegrate, and secrets from their past begin to resurface. Now, so far away from home and in a foreign land, they have become strangers to one another and have to find themselves once again. Sophisticated and expertly crafted, *Away from Home* is an engrossing read about rediscovering one's identity in unfamiliar cities and circumstances.

One Hundred Years after Tomorrow - Darlene J. Sadlier 1992-02-22

"Appearing for the first time in English, these stories express the anguish and courage of women from their different classes and regions as they recognize their common restlessness and forge a new consciousness." -- Booklist "... provocative... Although not all the pieces are outwardly political, there is a political edge to the book; the tone of the stories is bleak as they tell of Brazilian women's struggles with government, society, men and their own private demons. Sadlier's able translations retain a distinctive voice and style for each writer." -- Publishers Weekly "Sadlier... has done a service to students of Comparative Literature and Women's Studies as well as to general readers who sincerely want to know what literature of quality is being written in that all-too-rarely studied Portuguese language of Brazil." -- Revista de Estudios Hispánicos "The pieces... convey... the evolution in the consciousness of the writers, their sense of themselves, and their place in society as well

as the changes affecting Brazil's political climate and society at large during this century." -- Review of Contemporary Fiction "A superb addition to the increasing number of anthologies dedicated to Brazilian literature." -- Choice "A must for any modern literary collection." -- WLW Journal Women writers have revolutionized Brazilian literature, and this impressive collection will provide English readers with a window on this revolution. These twenty previously untranslated selections by some of Brazil's most important writers illustrate the remarkable power of women's voices and the important contributions they have made to twentieth-century literature.

Brazilian Women Speak - Daphne Patai 1988

Three Women - Mrs. Nathaniel Conklin 1893

The Girl in the Photograph - Lygia Fagundes Telles 2012-09-18

Complex and hauntingly beautiful, Lygia Fagundes Telles's most acclaimed novel is a journey into the inner lives of three young women, each revealing her secrets and loves, each awaiting a destiny tied to the colorful and violent world of modern Brazil. Sensual and wealthy Lorena dreams of a tryst with a married man. Unhappy Lia burns with a frantic desire to free her imprisoned fiancé. Glamorous Ana Clara, unable to escape her past, falls toward a tragedy of drugs and obsession. Intimate and unforgettable, *The Girl in the Photograph* creates an extraordinary picture of the wonder and the darkness that come to possess a woman's mind, and stands as one of the greatest novels to come out of Brazil in the late twentieth century.
