

Woman Wants Half Of Gofundme

The Story Within Us - Megan Sweeney 2012-09-11

This volume features in-depth, oral interviews with eleven incarcerated women, each of whom offers a narrative of her life and her reading experiences within prison walls. The women share powerful stories about their complex and diverse efforts to negotiate difficult relationships, exercise agency in restrictive circumstances, and find meaning and beauty in the midst of pain. Their shared emphases on abuse, poverty, addiction, and mental illness illuminate the pathways that lead many women to prison and suggest possibilities for addressing the profound social problems that fuel crime. Framing the narratives within an analytic introduction and reflective afterword, Megan

Sweeney highlights the crucial intellectual work that the incarcerated women perform despite myriad restrictions on reading and education in U.S. prisons. These women use the limited reading materials available to them as sources of guidance and support and as tools for self-reflection and self-education. Through their creative engagements with books, the women learn to reframe their own life stories, situate their experiences in relation to broader social patterns, deepen their understanding of others, experiment with new ways of being, and maintain a sense of connection with their fellow citizens on both sides of the prison fence.

Rock Stars in Disguise: The Boxed Set - Blair Babylon 2019-12-17

Rock and roll bands are pits of self-destruction, drug abuse, and insanity. And then there are the bad ones. Killer Valentine breaks all the rules: that the back-up singer is supposed to sleep with the lead singer, that roadies and musos must hate each other, that the band is the most important thing in the world and everything else comes second, even sick kids, and that second-guitar players eventually wither away and die. But Killer Valentine is different. Very different. Read about: • Rhiannon, the sassy, curvy back-up singer who goes on to forge her own career, a female protagonist you'll love! • Tryp, the drummer, who is falling into a well of despair, but a roadie with a small taste for pyromania fishes him out. This enemies to lovers story is one for the ages. • Cadell, lead guitar virtuoso, who is fighting his own addictions and his secret baby daughter's fatal illness. His secret baby is a different take on the trope that will make you ugly cry. • Peyton, the hanger-on who

should have been a concert pianist, after he ran away to follow the woman he loved but who didn't love him, and finally gets his own HEA. This second chance lovers book is a hot and steamy romp through the life of a rock and roll star. They're all rock stars in disguise, and they're finally all in one book, just for you. Includes: What A Girl Wants (Rock Stars in Disguise: Rhiannon) Somebody to Love (Rock Stars in Disguise: Tryp) The Rock Star's Secret Baby (Rock Stars in Disguise: Cadell) Santa, Baby (Rock Stars in Disguise: Peyton)

But a disastrous fundraiser for a new library in the historic Grazzini House—including the murder of the library chair and arson at the site—leaves the residents rattled and pointing fingers. [Secretarial Wars](#) - Linda Gould
2003-06

Miriam, a Washington secretary in her late twenties, recently divorced, living in a

drab apartment and stuck in a dead-end job, longs for fame, fortune and love. Her days are spent in an office cubicle, surrounded by files belonging to applicants for U. S. Peace grants, a program that sends scholars abroad to teach and disseminate American ideals^{3/4}or maybe for more dubious purposes. Miriam's two best friends at work, flower child Jocelyn and conventional Cass, harbor ambitions of their own. The three secretaries lunch together weekly at a nightclub that Jocelyn co-manages in her spare time. Her life's dream is to be reunited with a rock star who got his start there. Cass sets her sights on a local football hero, and hatches a plot to use her superior secretarial skills to ensnare him. Miriam plans to write an investigative piece about her agency for an underground newspaper editor who holds court there. The three girlfriends confront their dreams and their demons in a wild finale, a fund-raiser for a fire-breathing Mayoral

candidate. From the cubicle to the Oval Office, Secretarial Wars offers a light-hearted look at bureaucratic life in Washington, D. C.

Charlotte Walsh Likes To Win - Jo Piazza 2021-03-16

From bestselling author Jo Piazza comes one of People's "Best Summer Books," a "comically accurate" (New York Post) novel about what happens when a woman wants it all—political power, marriage, and happiness. Charlotte Walsh is running for Senate in the most important race in the country during a midterm election that will decide the balance of power in Congress. Reeling from a presidential election that shocked and divided the country and inspired to make a difference, she's left her high-powered job in Silicon Valley

and returned, with her husband and three young daughters, to her downtrodden Pennsylvania hometown to run for office in the Rust Belt state. Once the campaign gets underway, Charlotte is blindsided by just how dirty her opponent is willing to fight, how harshly she is judged by the press and her peers, and how exhausting it becomes to navigate a marriage with an increasingly ambivalent and often resentful husband. When the opposition uncovers a secret that could threaten not just her campaign but everything Charlotte holds dear, she must decide just how badly she wants to win and at what cost. "The essential political novel for the 2018 midterms" (Salon), *Charlotte Walsh Likes to Win* is an insightful portrait of what it takes for a woman to run for national office in America today. In a dramatic political moment like no other with more women running for office than ever before, this searing, suspenseful story of political ambition, marriage, class,

They've got chemistry. But he's her brother's worst enemy—and arresting officer. For Officer Dare Barron, there's only one good thing about bad-boy Brian McKnight getting thrown in the drunk tank again. Being there when Brian's sister, Liza, strides into the precinct on those long, delectable legs to bail her brother out. It's not just the old building's failing air conditioning making Dare sweat. Liza is a contradiction of proper lady and sexy siren who's riveted Dare's attention since high school. She's always been oblivious, which is a good thing because she's way out of his league. Plus, she's got a huge blind spot where her brother's concerned, and Dare knows what's hiding in that void she refuses to see. When one of those secrets threatens

Liza's safety, Dare doesn't hesitate to appoint himself her protector. Close proximity awakens Liza's desire for the sexy cop and fuels the sizzling heat between them, but the bad blood between their families could ruin any chance for love. Note: *Karma* is book five of *Serendipity* series by NYT bestselling author Carly Phillips. Contains a by-the-book cop with some hot off-shift fantasies about the girl of his dreams, and a woman who doesn't quite mind being looked at like she's a hot fudge sundae.

The Perfect Date Collection 3, Books 7-9 - Donna McDonald
2020-12-04

They're older. They're wiser. So why aren't they finding Mr. Right? The feisty heroines of The Perfect Date series are seasoned about life and romance, but not necessarily wiser about love. The stories in this collection are romantic comedies with attitude. Book 7 - Never Look Back Her real life is no fairy tale and she's no Cinderella. After what her ex-husband did to her, heiress Henna Colombo is a man-hater, not a dater. And the thing she hates most of all is the fairytale of falling in love. Why do her father and her new wicked stepmother insist she keeps looking for her prince? She's fine being single. As far as Henna's concerned, the love god can take his diaper-wrapped butt and arrows elsewhere. Cupid can also shove those arrows where the sun doesn't shine if he thinks for one second that someone like Vassal Milano is her

perfect man. Book 8 - Never Ever Been Better The last thing Iris needs is a man with his head in the clouds. Most days Iris can't believe that she actually left her home and country for a smooth-talking jerk who tossed her into the street first chance he got. A woman has to view that sort of thing as life lesson. Her mum raised her to be a survivor, and that includes understanding her worst enemy is herself when it comes to good-looking men. Book 9 - Never Too Old To Date Her business is wildly successful, but the rest of her life is just wild. Sixty may be the new forty, but not for the Honorable Eleanor J. Skyler. She's retiring from the law firm she spent her entire career building. What's wrong with wanting to wear yoga clothes every day and go zip-lining whenever the adventurous mood strikes? Nothing, that's what. She's got no time for dating and drama. She certainly has no time to deal with her senior law partner, Andrew Carson, who has for reasons she can't fathom,

decided she's his perfect woman. Why is Andrew suddenly looking at her legs and telling her she's beautiful? He's barely over fifty. He has the tiny sports car. Why can't Andrew chase a twenty-year-old like every other man having a mid-life crisis?
