pantheon, the ancient language of astrology, and shamanic practices to promote a new way to interpret and work with natal charts. Revealing the cross-cultural mythology and astrological significance of the individual Egyptian gods and goddesses, the authors link each of the 12 zodiac signs and 11 celestial bodies of Western astrology with its Egyptian ancestor, introducing new significance to their positions and interactions in a horoscope. For example, Leo is linked with Anubis and Taurus with Hathor. Venus is associated with the goddess Isis and Jupiter with Horus. Each chapter includes sacred invocations and shamanic rituals to invite the wisdom of each Egyptian deity into your life--such as calling on Sekhmet for action or Thoth for clarity. With sample interpretations of the charts of Barack Obama and Gloria Steinem, this book provides a practical framework for accessing the wisdom of ancient Egypt and offers astrological and shamanic tools for spiritual guidance and the coming shift in planetary consciousness.

Reality Of A Fantasy Called Love Rudra Dave 2022-04-15 In the fast paced world we live in, forming and sustaining relationships is difficult. During the COVID-19 Pandemic, there has been a 35% spike in divorce cases all over the world due to the lock down. Having a blissful romance is not an easy task these days. Love has become text messages and phone calls. Love has become Instagram posts, Snapchat and staring at a screen. Love has become more about hook ups and swiping right and left on dating apps instead of having an emotional depth and commitment in relationships. Love these days has become crawling back to a person who has hurt, manipulated and lied to you. People are so empty and lonely that they mistake mere attention for love and eventually get their heart broken. Love and heartbreak have become interchangeable words. Many people are scared to fall in love. Why? What are the issues? How to prevent and successfully deal with major conflicts in your relationship? These are some of the questions which this book will answer and will be a one stop solution to most of your relationship and personal conflicts and dilemmas. There are numerous

books and movies about love but the reality today is completely different. Love is twisted, complicated and unpredictable but is also ecstatic, heavenly and satisfying. It all depends on how one handles it. Most people commit grave errors in handling love, resulting in failed relationships, heartbreaks, depression and worse. Why does this happen? This is because people are either "unaware" or they are habituated to falling in love with "fantasies" and their notions of love and relationships are far away from reality.

Muhurta scriptures of the same. In Ramayan, marriage of Rama, Bharata, Lakshmana and Shatrughna has been described elaborately. But, in this great epic also Horoscope matching has not been mentioned. Likewise, in Mahabharata, too, it has not been cited. Therefore, it can be said that Horoscope matching in Astrology was not in practice a few centuries ago. But, the community accepted and made it an indispensable part keeping its usefulness in view. Different systems of Horoscope matching are in practice in different parts of India. In North India, Ashtakuta matching is in practice whereas in South Dasakuta matching is in fashion. But Ashtakuta matching is in vogue in most part of India. This is why the All India Federation of Astrologers' Societies has accepted and prescribed this system of Ashtakuta matching for the courses of its students. The book has been written keeping in view the courses introduced by the All India Federation of Astrologers' Societies, Delhi. The students are advised to study "Kundali Milana-Sukhi Dampatya Jeevana Ka Adhar" because prediction of a happy married life cannot be made by Ashtakuta matching only. This shows only the amity, love and mutual understanding between the two. But to determine the age, health and ups and downs in life of the couple some other aspects such as Period-sub-period, Dosha Samya etc. are also essential to be analyzed. An analysis of long conjugal life is essential for its stability. So, apart from Ashtakuta matching, we should keep in view other aspects also. To know all this, "Kundali Milan - Sukhi Dampatya Jeevana Ka Adhara" is prescribed.
