Marry Me, Ms. Stranger Srinithya Srinivasan 2020-12-02 "Meeting someone and marrying them are two vastly different things," I said to him quietly, crossing my arms, "What exactly is your plan?" "I'm planning to get married. To you!" He said, looking straight into my eyes. "That was selective hearing on your part, sir." I said, "I won't marry you." His jaw gritted so hard I thought his teeth might shatter. His voice came out in a growl. "Why are you trying so hard not to like me? It's a pretty good deal." "It's a crappy deal wrapped up in stupidity. I would rather have all my teeth pulled out using pliers without anesthesia than marry a stranger," I replied. "There is no going back, Ms. Iyengar. The sooner you accept it's better for everyone," He snapped back, his voice cutting. "What part of 'no' don't you understand? The 'n' or the 'o'? I don't want to marry you," I shouted. "You will accept. You will say 'Yes' to this marriage." He enunciated each word slowly as if he was biting them off with his teeth. Who is this stranger who wants to marry Janani? Will she say yes or no? Or will she finally take control of her life, or is there something much larger at play here? So many questions jam together in her brain; Janani didn't know which to ask first. But she had to make a decision, quick.

**Lady Bird & The Fox** Kim Kelly 2021-10-12 No conviction, no reward. It's 1868 and the gold rush is spreading across the wild west of New South Wales, bringing with it a new breed of colonial rogue - bushrangers. A world far removed from hardworking farm girl, Annie Bird, and her sleepy village on the outskirts of Sydney. But when a cruel stroke of fortune sees Annie orphaned and outcast, she is forced to head for the goldfields in search of her grandfather, a legendary tracker. Determined and dangerously naive, she sets off with little but a swag full of hope - and is promptly robbed of it on the road. Her cries for help attract another sort of rogue: Jem Fox, the waster son of a wealthy silversmith, who's already in trouble with the law - up to his neatly trimmed eyebrows in gambling debts. And now he does something much worse. He 'borrows' a horse and rides after the thieves, throwing Annie over the saddle as he goes. What follows is a breakneck gallop through the Australian bush, a tale of mistaken identity and blind bigotry, of two headstrong opposites tossed together by fate, their lives entwined by a quest to get back home - and the irresistible forces of love. 'Kim Kelly seems to understand the sounds and scents of the country' - The West Australian 'colourful, evocative and energetic' - Sydney Morning Herald 'impressive research' - Daily Telegraph 'Why can't more people write like this?' - The Age

**Inspirational Stories from the Pulpit** Rev. Wesley Moss 2022-08-01 The collection of inspirational stories, food for thought, famous quotes, and humor is the result of more than ten years as senior pastor of Friendship Baptist Church, Memphis, Tennessee, and more than thirty-eight years of preaching and teaching. It is my hope that clergy and professional speakers as well as ordinary individuals will become better communicators in any setting using this easy to read and absorb material. It is also my hope that this collection will mentally stimulate the reader to do or feel something, especially to do something creative and spontaneous. Quoting from Mother Theresa: "The greatest disease in the West today is not TB or Leprosy, it

is being unwanted, unloved, and uncared-for. We can cure physical diseases with medicine, but the only cure for loneliness, despair, and hopelessness is love. There are many in the world who are dying for a little love. The poverty in the West is a different kind of poverty . . . it is not only the poverty of loneliness but also of spirituality. There's a hunger for love, as there is a hunger for God." (Mother Theresa, A Simple Path: Mother Theresa) In most of the inspirational stories, you will be able to experience God's love for humankind and His love for you, and at the same time demonstrate your love for God through your love for neighbor as suggested by Mother Teresa's quote. Even though I'm very acquainted with the section on humor, I find myself laughing out loud each time I revisit this section. If you are an introvert (quiet or your attention is mainly on yourself), this humor will make you an extrovert (active and expressive) and the life of any gathering, because almost everyone loves humor. Make this book a treasured addition to your library and one you will gladly recommend to others. It is my fervent prayer that through this effort I am leaving the wood pile a little higher than I found it. Jesus loves you and so do I! Reverend Wesley Louis Moss, at eighty-one years young, is Associate Minister of Mt. Tabor Baptist Church in Columbus, Georgia. Reverend Ken Jelks is senior pastor.

**The King's Bought Bride** Jennifer Lewis 2016-11-21 A convenient bride... Royal heir Darias Leone needs a wife to claim his crown. He doesn't want to get stuck with the kind of snooty princess his mother has in mind, so he makes a business arrangement with the pretty young assistant at his New York art gallery. Emma Ricci thinks the idea is crazy, but the money Darias is offering will allow her to put her brother through drug rehab. Surely she can survive one year as a fake royal wife to save what's left of her family? After one year Emma and Darias can divorce and go their separate ways...unless something goes wrong with their plan. With a sizzling attraction, two unsolved murders, a mysterious secret society, and the constant forced proximity of a marriage under the eyes of the entire palace...almost anything could go wrong. EXCERPT: Darias watched her, dark eyes gleaming. She wondered if he intended to say something for any potential eavesdroppers. "I love you," perhaps. What else would real newlyweds whisper as they lay in bed together on their wedding night? Sometimes it was hard to remember this was all fake. There was something magical about being folded into the bosom of this big family, when she was still reeling from the loss of her mom. "You're a very special woman." His voice

was low enough to be almost a conspiratorial whisper but probably loud enough to be picked up by recording equipment. Was he truly saying this to her, or was it for the benefit of snoopers? "Thanks." Did it really matter whether he meant it or not? He was paying her handsomely to be here, and she needed to do her job. It would get easier over time, wouldn't it?

**Getting Married** Bernard Shaw 2013-05-15 There is no subject on which more dangerous nonsense is talked and thought than marriage. If the mischief stopped at talking and thinking it would be bad enough; but it goes further, into disastrous anarchical action. Because our marriage law is inhuman and unreasonable to the point of downright abomination, the bolder and more rebellious spirits form illicit unions, defiantly sending cards round to their friends announcing what they have done. Young women come to me and ask me whether I think they ought to consent to marry the man they have decided to live with; and they are perplexed and astonished when I, who am supposed (heaven knows why!) to have the most advanced views attainable on the subject, urge them on no account to compromise themselves without the security of an authentic wedding ring. They cite the example of George Eliot, who formed an illicit union with Lewes. They quote a saying attributed to Nietzsche, that a married

philosopher is ridiculous, though the men of their choice are not philosophers. When they finally give up the idea of reforming our marriage institutions by private enterprise and personal righteousness, and consent to be led to the Registry or even to the altar, they insist on first arriving at an explicit understanding that both parties are to be perfectly free to sip every flower and change every hour, as their fancy may dictate, in spite of the legal bond. I do not observe that their unions prove less monogamic than other people's: rather the contrary, in fact; consequently, I do not know whether they make less fuss than ordinary people when either party claims the benefit of the treaty; but the existence of the treaty shews the same anarchical notion that the law can be set aside by any two private persons by the simple process of promising one another to ignore it.
