The Other Man - D. Breeze 2016-01-28

Sex is not 'routine' any more. There are sex shops decorating the high-street, free porn all over the internet and lets not even get started on the new BDSM phenomenon. So when things get a little 'stale' in the bedroom, what would you do? Carlie made a suggestion; a suggestion I wanted nothing to do with at first, but she was my wife and I'd have done anything to make her happy. I went along with her plan, even though I really didn't want to. It actually worked, for a while. Until something changed. Then I wasn't

doing it for her anymore. Instead, it was all about secret liaisons, stolen moments and the thrill of getting caught. My life changed overnight and there was nothing I could do to prevent it. Lust is an unstoppable emotion when it takes hold. Rules are broken. Mistakes are made. Lives are destroyed. Be careful what you wish for, because sometimes, that wish can come true. Zachary Black was her wish. ...Until he became mine.

**Polished** - Alyssa Turner 2013-10

"It seemed like they had everything, but they

didn't have Jack." Without question Spencer Hartley burns hot for his girlfriend, Rory, but his other desires are hidden down deep. He might blow things up for a living and climb mountains for kicks, but the scariest thing in his life is the truth about his sexuality. Jack Rothman works hard and plays dirty. After long, demanding days in his family's engineering firm, he indulges in the pleasures of silk restraints and fine wine. Lots of hot meaningless sex helps him forget that he's suffocating, with no one to give him a reason to breathe. When a catastrophic accident traps Spencer in a flooded subway tunnel with Jack, they need each other to survive. But something strong stirs down there in the darkness, and it's more than their desperation to live. There's a spark between them that's impossible to ignore. Rory Campbell would love to give Spencer the one thing he doesn't have, the freedom to explore his secret desires. But how does that fit into her picture-perfect relationship? When Jack invites the couple to his

sprawling Hamptons beach house, Rory realizes that she has secret desires of her own--the kind only Jack's Dominant hand across her bare bottom can satisfy...

Boston firefighters Matt Lopez and Eugene "Johnny" Johnson have been best friends for longer than either can remember. The kind of friends who can finish each other's sentences, who always have each other's backs, who fit together like hand-and-glove, who don't keep secrets from each other... Well, maybe just one, but how is a guy supposed to admit he's into other guys when his best friend is homophobic? Besides, it's easy for Johnny to keep that particular secret from Matt when girls are just as much of a turn-on as his best friend is. Especially one girl in particular. Eden Evans. She really doesn't expect to live past her twenty-fifth birthday-not that she can admit that to anyone, since she knows darn well the reason sounds crazy-but still, burning her house down isn't the way she expected to go. Good thing Boston's finest were there to buy her a little

more time... her and her book. The List. One hundred things Eden's determined to do before she dies. With three months left and just three things still to check off, she just might make it, too. Especially when the hot firefighters who saved her bucket list from burning offer to help. They also offer her a place to stay while she figures out what to do next... and living with two men who heat her up in all sorts of unexpected ways when she's got nothing left to lose? It brings out a side of Eden that she didn't know she had. Suddenly, accepting the hand fate seems determined to deal her is the last thing she wants to do... THREE is a 112,000 word steamy, standalone MMF bisexual ménage romance with no cliffhangers, some heated discussions about camels, even more heat in the kitchen, and three people who find a way to make love work, even when the odds are stacked against them. It's intended for readers who enjoy explicit scenes of MF, MM, and MMF on the way to the kind of HEA that combines sweet with

heat... and doesn't let up until everybody is fully satisfied.

Hotter Than Ever - Elle Kennedy 2018-03-13  
Three is most definitely not a crowd... Claire McKinley has just experienced every bride's nightmare: the groom is a no-show, and now she must face five hundred guests alone. Furious and humiliated, she seeks help from the most unlikely candidate-her almost-brother-in-law, who promptly whisks her away to his apartment in San Diego, where she can recover her pride in peace and quiet. Dylan Wade is no fan of Claire's, but he can't ignore the jilted bride in her time of need. Bringing her home seems like a good idea-until he remembers his new roommate. Dylan's relationship with Aidan Rhodes is...complicated. And with Claire thrown into the mix, life becomes even more...complicated. Claire is blindsided by her attraction not only to Dylan, but also to Aidan, a man she's just met. Soon they're caught up in an all-consuming sexual storm they can't fight even

if they wanted to. But when their hearts get involved, Claire wonders if it can last, or if she's just setting herself up for more heartache.

Warning: This book is very dirty. Ménage a trois and man-on-man dirty. Graphic language and explicit sex dirty. Basically? Dirty. You've been warned.

### **Temptation's Inferno** - Kat Mizera

Two men. One threesome. Zero expectations. Jamie Teller has had a rough year. After being blackmailed by a teammate, weathering a sex scandal, and being traded to a team on the other side of the continent, he's overwhelmed and looking for a distraction. A sexy threesome with his burly roommate and his wife wasn't expected--neither is his sudden attraction to a guy. Viggo Sjoberg has been openly bisexual since he was 17, but he'd always assumed he would settle down with a woman. When he's surprised with news he has a child from a past fling, he jumps headfirst into marriage and fatherhood, but his new wife isn't what she

appeared to be. Adding to Viggo's confusion are the feelings aroused by his seemingly straight roommate, Jamie. When Jamie moves thousands of miles away, Viggo tells himself it's over. Until a life-changing event puts the two men on a collision course. Suddenly, Jamie needs Viggo—badly—and Viggo is prepared to do whatever it takes to help. Even if it means he has to give up everything he always thought he wanted.

### **Sugar Daddies** - Jade West 2016-07-12

A sugar daddy website doesn't seem a sound basis for an A1 life plan, but I'm a small town girl with big dreams, and there's this one advert, this one crazy advert I can't stop thinking about... Two hot guys seeking their Little Miss Right. Someone who can entertain them, amuse them, fit in with their corporate schedule. And sex. They want sex. Lots of sex. Bonus, right? One major dose of epic win. Of course, guys like Carl and Rick have their conditions. One being that they come together, or not at all. Hell, I can

live with that. And there are no skeletons in their designer closet, none that I can find. Just two hot sugar daddies, with particular tastes, nothing to worry about. Until Carl and Rick spill the big one, the one that sends the girls running. A whole string of them before me, running to the hills without so much as a backward glance. Maybe I should run, too. Thanks but no thanks, see you around, guys, nice knowing you. But I'm already in way too deep for that.

**Mine** - Chloe Lynn Ellis 2017-09-05

Jack Kelly. Driven. Volatile. Lonely. He grew up believing that some kinds of love are just wrong... "No Kelly has ever been worth a damn in this town until me. But the money? I can't talk to it, I can't fuck it, and believe me, it's a damn cold bed partner to wake up next to." Dylan Smith. Sensual. Nurturing. Bisexual. He sees nothing wrong with enjoying the pleasures in life... "Just let yourself go. It's okay to let me love you. To let both of us love you." Cate MacMillan. Curvy. Smart. Frustrated. She's ready to shake

off her insecurities and stop denying herself... "No one else has ever made me feel like this. Wanton. Shameless. Free." Three friends who grew up together... Their childhoods were shaped by one man, their resentments fueled by two misunderstandings, and all three will be pulled back into each other's lives by a loss that affects them all. What they'll find together isn't what any of them expects... but it might be exactly what each of them needs. MINE is a 104,000 word steamy, standalone MMF bisexual menage romance with no cliffhangers. It's intended for readers who enjoy explicit scenes of MF, MM, and MMF on the way to the kind of HEA that combines sweet with heat... and doesn't let up until everybody is fully satisfied.

**The Monarch's Mate** - Miranda Bridges  
2019-11-11

My life sucks. All the other human breeders have males who are head over heels for them, but do I get that? Nope. Not even close. My alien is the future king of the Dravian race and believe me,

he acts like a royal jerk. Yeah, sure, he's hot as hell, but that is not the point. Anyway, I'm still trying to figure out how to get him to do what I want when I stumble onto plans for an assassination. I decide to get involved because if anyone is going to kill the sexy prince it's going to be me. Especially if he calls me his "namori" one more time. Whatever that means. So now I'm trying to keep us alive, but he's making everything difficult with his kisses and his... well let's just say I better keep my mind focused and my legs, er... mouth closed. House of Kaimar Series: Book 1: The Commander's Captive (Lia & Varek) Book 2: The Monarch's Mate (Morgan & Zaden) Book 3: The Bodyguard's Breeder (Eleanor & Kade) Book 4: The Legislator's Lover (Natalie & Kolton) Book 5: The Healer Hellion (Skylar & Braxton) \*It's not necessary, but highly recommended that the series be read in order.

missing the woman to complete their triangle. When newly divorced Paige Richards buys a Bed and Breakfast on Hamlet Island and employs them to help her fix the inn up, Jack and Dean are sure they've found the one they've been looking for. Despite the playful, sexy clues they drop, luscious Paige is reticent about getting involved, even when they set the stage so she can stumble on them in action. They can tell by her responses she wants to join them, but rumors travel fast on the small island, and tales of a threesome could get back to the conservative, family vacation crowd who won't patronize those with an alternative lifestyle. And the last thing they want for Paige is the B&B's rooms...and her bank account...to remain empty. But Jack and Dean will stop at nothing to prove to Paige that she can have it all...with them.

To the unassuming observer, Ben Lockwood is your typical, suburban dad. Aside from the fact

that he's only thirty-six and his daughter is a sophomore in college. He and his wife, Jessica, had their only daughter, Hailey, when they were in high school. So you can imagine the unease Ben is feeling when said daughter brings her new boyfriend home for Thanksgiving? To stay, in their house, for the whole weekend. Ryan Harper, otherwise known as The Boyfriend, is every dread Ben's ever had in his daughter dating come to fruition. There's nothing wrong with Ryan. He's polite, smart, and charming? He doesn't have any neck tattoos or facial piercings, and he drives a BMW. But still, he's dating Ben's daughter. That makes him a threat. It's in Ben's best interest to keep an eye on the kid. You know, to make sure there's no funny business going on under his roof. Unfortunately for him, the tension in the house is less about Ryan being his daughter's boyfriend, and more about him being a strangely intriguing human. And soon enough, Ben can't tell if he's watching Ryan to protect his daughter's innocence, or obliterate

his own. It seems like the boring married-guy image isn't going to hold up for long. Not after this bizarre, life-changing weekend. What are these new, strange feelings and desires? Where did they come from? And why do they have to center around what belongs to his daughter? Ben and Ryan's situation couldn't get much more complicated. Until Jessica steps into the mix. An unexpected push is all it took for their lives to change forever.

When her friend falls prey to the slavers, FBI victim specialist Gabrielle volunteers to be bait in a club not yet hit: the Shadowlands. She finds that being a bratty sub comes naturally,

She'd expected punishment, even humiliation, but she sure never expected to fall in love with a damned lawyer. Courtesy of a prima donna ex-wife, Marcus loathes disobedient submissives. another guy for a threesome. Alexander believes in monogamy, and he's never been good at sharing his things. It doesn't help that Christian rubs him the wrong way from the beginning. But what starts as animosity turns into something else. Something unexpected and very wrong. He was never supposed to touch Christian. He was never supposed to feel possessive of the guy. And he most definitely wasn't supposed to want Christian more than he wants his girlfriend. It's a recipe for disaster.
