goal.”—David Perlmutter, MD, author of *Grain Brain* As women approach menopause, many start to experience the physical and emotional indignities of hormonal fluctuation: metabolic stall and weight gain, hot flashes and night sweats, insomnia, memory loss or brain fog, irritability, low libido, and painful sex. Too often, doctors tell us that these discomforts are to be expected and that we will have to wait them out during “the change”; some of us even agree to be unnecessarily medicated. But Dr. Anna Cabeca’s research and experience with thousands of her patients show that there is a fast-acting and nonpharmaceutical way to dramatically and permanently alleviate these symptoms. The Hormone Fix introduces Dr. Cabeca’s unique Keto-Green protocol, a plan that pairs the hallmarks of ketogenic (low-carb/high fat) eating with diet and lifestyle changes that bring the body’s cellular pH to a healthy alkaline level. The proven result: balanced cortisol and reduced output of insulin,

the hormones most responsible for belly fat and weight gain, plus an increase in oxytocin, the “love and happiness” hormone. Whether you are perimenopausal, menopausal, or postmenopausal, The Hormone Fix offers an easy-to-follow program, including • a 10-day quick-start detox diet to jump-start weight loss and reduce symptoms immediately • daily meal plans and weekly shopping lists to take the guesswork out of a month’s worth of Keto-Green eating • 65 delicious and easy-to-make recipes for breakfast, lunch, dinner, smoothies, and soups • detailed information on vitamin and mineral supplementation that optimizes hormone balance • simple self-assessments and recommended optional lab testing for a better understanding of your hormonal status • tested and trusted stress-reduction and oxytocin-amplifying advice and techniques With The Hormone Fix you can expect to trim down, tap into new and unexpected energy levels, enhance intimacy, and completely revitalize your life!

Adrianna Rossi is no stranger to the rigorous demands required of her body. Years of pain and determination make her one of the best. Olympic

glory is the ultimate goal, and she'll do anything to achieve it. Perfection, precision, and dedication are required of his athletes. When two time Olympian Konstantin Kournakova is persuaded into training the young hopeful, he immediately regrets it. She doesn't come close to his high standards. As the relentless pursuit of her dream keeps her striving, a passion is ignited within him. Kova's power and domination, coupled with Adrianna's fierce tenacity, reveal there is more for her body to learn. Every interaction can be misconstrued, but there's no mistaking the darkening of his gaze, the lingering of his touch, or the illicit image of his bare skin pressed against hers. Integrity is on the line. One toe off the beam and their forbidden desires could ruin everything they've worked for, throwing it all off balance.

A top, workaholic lawyer. An independent, ambitious marketing executive. Neither was looking for anything more than a hook-up, so what happens when a hook-up leaves them hooked - on each other? Jackson Callaghan leads his family's London law firm by example: work hard then work harder. Surrounded by his six siblings he's never needed the commitment of a relationship and is more than happy with his poker nights, occasional one night stands and owning the roads on his Harley until he meets Vanessa Moore. Vanessa has no interest in anything other than growing her marketing company and breaking all ties from her ex. The contract to rebrand Callaghan Green is her chance to showcase her talents, not end up in Jackson Callaghan's bed, on his kitchen work top and his sofa, amongst other places. He's rearranging her world and she's not sure she doesn't like it. But can two independent, ambitious workaholics ever manage to work things out for each other, and with something

possibly more important at stake: their hearts? Engagement Rate is the first in the Callaghan Green series. Each book is a standalone and can be read separately from the others.

When it comes to cheating, a lot of the attention is focused on cheaters—their unmet needs or their challenges with monogamy. But Tracy Schorn (aka Chump Lady) lampoons such blameshifting and puts the focus squarely on the-cheated-upon (chumps) and their needs. Combining solid advice that champions self-respect, along with hilarious cartoons satirizing the pomposity of cheaters, Leave a Cheater, Gain a Life offers a fresh voice for chumps who want (and need) a new message

This book delves into problem solving, one of the core components of dialectical behavior therapy (DBT). The authors are leading DBT trainers who elucidate the therapy's principles of behavior change and use case examples to illustrate their effective application. Particular attention is given to common pitfalls that therapists encounter in analyzing target behaviors--for example, a suicide attempt or an episode of bingeing and purging--and selecting and implementing appropriate solutions. he shares his expertise, illuminating the ways in which men can move beyond their usual feeble efforts to smooth things over. Disposable Women and Other Myths of Global Capitalism - Melissa Wright 2013-01-11
Everyday, around the world, women who work in the Third World factories of global firms face the idea that they are disposable. Melissa W. Wright explains how this notion proliferates, both within and beyond factory walls, through the telling of a simple story: the myth of the disposable Third World woman. This myth explains how young women workers around the world eventually turn into living forms of waste. Disposable Women and Other Myths of Global Capitalism follows this myth inside the global factories and

surrounding cities in northern Mexico and in southern China, illustrating the crucial role the tale plays in maintaining not just the constant flow of global capital, but the present regime of transnational capitalism. The author also investigates how women challenge the story and its meaning for workers in global firms. These innovative responses illustrate how a politics for confronting global capitalism must include the many creative ways that working people resist its dehumanizing effects.
