

El Impacto De La Paternidad Homosexual Salir Del Hoyo

Black Skin, White Masks - Frantz Fanon 2017

Black Skin, White Masks is a classic, devastating account of the dehumanising effects of colonisation experienced by black subjects living in a white world. First published in English in 1967, this book provides an unsurpassed study of the psychology of racism using scientific analysis and poetic grace. Franz Fanon identifies a devastating pathology at the heart of Western culture, a denial of difference, that persists to this day. A major influence on civil rights, anti-colonial, and black consciousness movements around the world, his writings speak to all who continue the struggle for political and cultural liberation. With an introduction by Paul Gilroy, author of *There Ain't No Black in the Union Jack*.

The Third Wave - Alvin Toffler 2022-01-04

From the author of *Future Shock*, a striking way out of today's despair . . . a bracing, optimistic look at our new potentials. The Third Wave makes startling sense of the violent changes now battering our world. Its sweeping synthesis casts fresh light on our new forms of marriage and family, on today's dramatic changes in business and economics. It explains the role of cults, the new definitions of work, play, love, and success. It points toward new forms of twenty-first-century democracy. Praise for The Third Wave "Magnificent . . . an astonishing array of information."—The Washington Post "Imperishably fresh."—Business Week "Will mesmerize readers, and rightly so."—Vogue "Alvin Toffler . . . has written another blockbuster . . . a powerful book."—The Guardian "Fresh ideas, clearly explained. . . . Toffler has proven again that he is a master."—United Press International "Toffler has imagination and an ability to think of various future possibilities by transcending prevailing values, assumptions and myths."—Associated Press "Once you have walked into his version of the future, you may decide never again to whitewash some of the built-in frailties of the real present."—Financial Post "Rich, stimulating and basically optimistic . . . will unquestionably aid many to a greater understanding of [today's] puzzling social changes."—The Globe & Mail "A detailed breathtakingly bold projection of the social changes required if we are to survive. . . . Toffler's vision of a democratic, self-sustaining utopia is a brave alternative to recent grim warnings."—Cosmopolitan

El Impacto de La Paternidad Homosexual - Dawn Stefanowicz 2012-07-18

Un relato de lo que fue crecer con un padre homosexual, con sus parejas y con una madre pasiva y siempre enferma, Dawn abre las cortinas de un hogar envuelto en el secreto, el conflicto, la confusión y el abuso.

In the Closet of the Vatican - Frederic Martel 2019-02-21

The New York Times Bestseller - Revised and Expanded "[An] earth-shaking exposé of clerical corruption" - National Catholic Reporter The arrival of Frédéric Martel's *In the Closet of the Vatican*, published worldwide in eight languages, sent shockwaves through the religious and secular world. The book's revelations of clericalism, hypocrisy, cover-ups and widespread homosexuality in the highest echelons of the Vatican provoked questions that the most senior Vatican officials--and the Pope himself--were forced to act upon; it would go on to become a New York Times bestseller. Now, almost a year after the book's first publication, Frédéric Martel reflects in a new foreword on the effect the book has had and the events that have come to light since it was first released. *In the Closet of the Vatican* describes the double lives of priests--including the cardinals living with their young "assistants" in luxurious apartments whilst professing humility and chastity--the cover-up of numerous cases of sexual abuse; sinister scheming in the Vatican; political conspiracy overseas in Argentina and Chile, and the resignation of Benedict XVI. From his unique position as a respected journalist with uninhibited access to some of the Vatican's most influential people and private spaces, Martel presents a shattering account of a system rotten to its very core.

Human Sexuality in a World of Diversity - Spencer A. Rathus 2014

Engaging students and cultivating understanding in a world of diversity. *Human Sexuality in a World of Diversity*, 9/e examines the rich diversity found in human sexuality. More significantly, the text places an emphasis on cultivating understanding in a world of increasing diversity through personal engagement.

Students are encouraged to reflect upon their own beliefs and experiences throughout the text in order to foster a more personal and impactful learning experience. The text also helps students develop their own opinions by promoting critical thinking skills, personal sexual health awareness, and responsible decision-making. MyDevelopmentLab is an integral part of the Rathus / Nevid / Fichner-Rathus program. Key learning applications include Video Series for Human Sexuality, "My Life, My Sexuality," Assessment, and Personalized Study Plan. Teaching & Learning Experience Personalize Learning - MyDevelopmentLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance. Improve Critical Thinking - Critical Thinking boxes are integrated into the margins. Boxes ask students to delve deeper into the material and reconsider their own opinions and ideas. Engage Students - The newly updated "Real Students Real Questions" feature increases students' critical thinking skills by incorporating real questions from actual college students, as posed to instructors. Explore Research - Throughout the text, "A Closer Look" boxes provide in-depth discussions of scientific techniques and skill-building exercises such as "Breast Self-Examination," "Self-Examination of the Testes," and "What to Do If You Suspect You Have Contracted an STD." Understand Sexuality - Through new and updated features like "My Life, My Sexuality," and "A World of Diversity" the authors strengthen comprehension of the material while fostering greater reflection and understanding. Support Instructors - The 9th edition is accompanied by a rich instructor support package, including new video embedded PowerPoints, a heavily updated Instructor's Manual and Test Bank that are organized according to in-text Learning Objectives for ease of use, and MyDevelopmentLab with the new Human Sexuality Video Series. 0205989322 / 9780205989324 Human Sexuality in a World of Diversity (Case) Plus NEW MyPsychLab with eText -- Access Card Package Package consists of: 0205206514 / 9780205206513 NEW MyPsychLab with Pearson eText -- Valuepack Access Card 0205909469 / 9780205909469 Human Sexuality in a World of Diversity (case)

The Virtues of the Solitary Bird - Juan Goytisolo 1991

For Goytisolo, great writers are 'solitary birds' whose voice is an enchanting cry that pierces time. On his hospital bed, the persecuted narrator identifies with St John of the Cross, himself forced by the Inquisition to swallow his *Treatise on the Qualities of the Solitary Bird*. Through the scintillating successions of visions, soliloquies and ecstatic chants he converses with the banished saints. The agencies of repression have changed but, as in the past, a hideous revenge will be wrought on the heretic whose work is seen to be as deadly a contamination as AIDS. Four hundred years ago, St John creatively ransacked in his writing the cultures of Christianity, biblical Judaism and Muslim mysticism. Juan Goytisolo now pays rich homage, with atonal dissonance and constant invention.

The Purple Land - William Henry Hudson 2010-07-01

Travel with dashing protagonist Richard Lamb as he explores the then-largely untraveled vistas of South America. Although he was a product of the period of British imperialism, author William Henry Hudson paints an unusually sympathetic and sensitive portrait of the inhabitants of Uruguay and nearby regions. This masterwork of colonial-era literature is a fascinating read for fans of the action-adventure genre.

The Girl with the Dragon Tattoo - Stieg Larsson 2010-01-05

"The Girl with the Dragon Tattoo is a striking novel. Just when I was thinking there wasn't anything new on the horizon, along comes Stieg Larsson with this wonderfully unique story. I was completely absorbed." —Michael Connelly "I doubt you will read a better book this year." —Val McDermid Forty years ago, Harriet Vanger disappeared off the secluded island owned and inhabited by the powerful Vanger family. There was no corpse, no witnesses, no evidence. But her uncle, Henrik, is convinced that she was murdered by someone from her own deeply dysfunctional family. Disgraced journalist Mikael Blomkvist is hired to investigate, but he quickly finds himself in over his head. He hires a competent assistant: the gifted and

conscience-free computer specialist Lisbeth Salander, and the two unravel a dark and appalling family history. But the Vangers are a secretive clan, and Blomkvist and Salander are about to find out just how far they are prepared to go to protect themselves.

The Gutenberg Galaxy - Marshall McLuhan 1962-01-01

Since its first appearance in 1962, the impact of *The Gutenberg Galaxy* has been felt around the world. It gave us the concept of the global village; that phrase has now been translated, along with the rest of the book, into twelve languages, from Japanese to Serbo-Croat. It helped establish Marshall McLuhan as the original 'media guru.' More than 200,000 copies are in print. The reissue of this landmark book reflects the continuing importance of McLuhan's work for contemporary readers.

An Apartment on Uranus - Paul B. Preciado 2020-01-28

A "dissident of the gender-sex binary system" reflects on gender transitioning and political and cultural transitions in technoscientific capitalism. Uranus, the frozen giant, is the coldest planet in the solar system as well as a deity in Greek mythology. It is also the inspiration for uranism, a concept coined by the writer Karl Heinrich Ulrich in 1864 to define the "third sex" and the rights of those who "love differently." Following Ulrich, Paul B. Preciado dreams of an apartment on Uranus where he might live beyond existing power, gender and racial strictures invented by modernity. "My trans condition is a new form of uranism," he writes. "I am not a man. I am not a woman. I am not heterosexual. I am not homosexual. I am not bisexual. I am a dissident of the gender-sex binary system. I am the multiplicity of the cosmos trapped in a binary political and epistemological system, shouting in front of you. I am a uranist confined inside the limits of technoscientific capitalism." This book recounts Preciado's transformation from Beatriz into Paul B., but it is not only an account of gender transitioning. Preciado also considers political, cultural, and sexual transition, reflecting on issues that range from the rise of neo-fascism in Europe to the technological appropriation of the uterus, from the harassment of trans children to the role museums might play in the cultural revolution to come. *An Apartment on Uranus* is a bold, transgressive, and necessary book.

Eichmann in Jerusalem - Hannah Arendt 1992

The Parental Alienation Syndrome - Richard A. Gardner 1998

Nederlandse term is: ouderverstotingssyndroom.

The Transformation of Intimacy - Anthony Giddens 2013-04-23

The sexual revolution: an evocative term, but what meaning can be given to it today? How does 'sexuality' come into being and what connections does it have with the changes that have affected personal life on a more general plane? In answering these questions, Anthony Giddens disputes many of the dominant interpretations of the role of sexuality in modern culture. The emergence of what the author calls plastic sexuality - sexuality freed from its intrinsic relation to reproduction - is analysed in terms of the long-term development of the modern social order and social influences of the last few decades. Giddens argues that the transformation of intimacy, in which women have played the major part, holds out the possibility of a radical democratization of the personal sphere. This book will appeal to a large general audience as well as being essential reading for students and professionals.

Love in America - Francesca M. Cancian 1990-08-31

In the last twenty-five years, Americans have gained considerable freedom in their personal lives. Relationships are now more flexible, and self-development has become a primary goal for both men and women. Most scholars have criticized this trend to greater freedom, arguing that it undermines family bonds and promotes selfishness and extreme independence, Francesca Cancian is more optimistic. In this book she shows that many American couples succeed in combining self-development with commitment, and that interdependence, not independence, is their ideal. In interdependent relationships, love and self-development do not conflict, but reinforce each other. *Love in America* compares 'traditional' forms of marriage with these newer forms of close relationships. Starting with the nineteenth century, Cancian shows how gender roles became polarized, with love, which was identified with emotional expression, no practical help, being the responsibility of women, while self-development was regarded as a masculine concern. These traditional images of love and relationships are still held by many Americans today, even though, as Cancian points out, this can lead to marital conflict and individual stress and illness. By contrast,

new images of love, emphasizing self-development for men and women and flexible, androgynous roles, began to emerge around 1900, accelerating in the 1960s. She concludes that this trend to self-development and androgyny will continue, but that whether it will lead to more interdependent relationships, or to more independence and isolation, depends partly on economic and political changes in the wider society. The evidence for Cancian's argument comes from sociological, historical, and psychological sources. Her book will interest readers in these disciplines, as well as appeal to a wide general audience.

El Beso de la Mujer Arana - Manuel Puig 2017-08-07

Two prisoners, Luis Molina and Valentin Arregui, share a cell in a Buenos Aires prison. Molina is in jail for "corruption of a minor," while Valentin is a political prisoner who is part of a revolutionary group. The two men, opposites in every way, form an intimate bond in their cell, and their relationship changes both of them in profound ways.

Out from Under - Dawn Stefanowicz 2014-04-01

A woman who grew up with a same-sex-attracted father beginning in 1960's Toronto shares her very personal story to benefit other children who have endured a similar household, and ensure policies protect the best interests of children. Revealing, yet not disregarding a standard of good taste, *Out From Under* is a gripping read about one child's traumatic eyewitness accounts in the home and subcultures and her desperate emotions, nightmares, and sexual confusion as she struggles with the impact of homosexuality. See how she confronts the forbidden darkness of sexual activities, gets out from under the foreboding weight of family secrets, and finds a future filled with surprising hope, happiness, and healing.

S=EX2 - Pere Estupinyà 2016-08-25

You have in your hands the most rigorous, complete and readable book ever written about the fascinating science of human sexuality. This book goes beyond the well-worn sexual education advice and the usual evolutionist psychology. After *The Brain Snatcher*, Pere Estupinyà comes back with the first popular science book on sex aimed at a wide audience. While there are some tips for the more adventurous, there is also a wealth of new information to be discovered. Distancing himself from the many books on advice or techniques, Estupinyà brings sex to another dimension by combining popular beliefs and science. Do you want proof that our decision-making in the "heat of the moment" is less rational than we think? Did you know that mind and vagina each go their own way? Are you interested in learning about the effects of yoga on sexual pleasure? Did you know about the attempts in the 60s to "cure" homosexuals with electric shock therapy, the chemical analysis of female ejaculation, or the fundamental relationship between the sympathetic and parasympathetic nervous system? The author has spoken directly with asexual and intersexual individuals, fetishists, multi-orgasmic women, women who never have orgasms through penetration, and men who have no refractory period. He has also participated in sadomasochistic events; learned tantric techniques with a couple of coaches, spoken with porn performers at Barcelona's Bagdad, and attended workshops in which a woman teaches how to have orgasms with your mind and breathing. The result is an incredible miscellany of information that appeals to both the scientific community and the curious.

Our Kind - Marvin Harris 1990-09-26

Writing with the same wit, humor, and style of his earlier bestsellers, noted anthropologist Marvin Harris traces our roots and views our destiny.

Of Woman Born: Motherhood as Experience and Institution - Adrienne Rich 2021-04-27

The pathbreaking investigation into motherhood and womanhood from an influential and enduring feminist voice, now for a new generation. In *Of Woman Born*, originally published in 1976, influential poet and feminist Adrienne Rich examines the patriarchic systems and political institutions that define motherhood. Exploring her own experience—as a woman, a poet, a feminist, and a mother—she finds the act of mothering to be both determined by and distinct from the institution of motherhood as it is imposed on all women everywhere. A "powerful blend of research, theory, and self-reflection" (Sandra M. Gilbert, *Paris Review*), *Of Woman Born* revolutionized how women thought about motherhood and their own liberation. With a stirring new foreword from National Book Critics Circle Award-winning writer Eula Biss, the book resounds with as much wisdom and insight today as when it was first written.

Body Language - Allan Pease 2014-02-01

What people say is often very different from what they think or feel. Body language by Allan Pease is just what you require to know those feelings which people often try to hide.
