Everything Men Understand about Women - Connor Champion 2021-03-02

A landmark book that reveals everything men really know about the opposite sex. In over 100 pages, Doctor Connor Champion distills many years of research and hundreds of interviews to reveal the most comprehensive understanding of men's knowledge and understanding of the opposite sex in Everything Men Understand About Women. And were afraid to ask. Courageously candid, carefully researched and brilliantly insightful, this book spells out everything men know about such topics as: How to make friends with women How to romance women How to achieve emotional intimacy with women Making commitments to women How to satisfy a woman in bed This inspirational, instructive, illuminating book fully reveals the shocking truth and shows in full detail men's understanding of women. Please be aware that What Men Understand About Women is a novelty book which contains nothing but blank pages. This everything a man knows about a woman book is a novelty gift book with over 100 blank pages. Yes, you read that correctly - the book is completely blank. Well, apart from page numbers. So, the secret is out - this book is completely blank - it is a great gag gift which makes a really good present. This will make a funny gift for your husband, wife, boyfriend, girlfriend, co-worker; or for you to buy for yourself as a conversation piece, or simply left out for others to get a laugh from. As this book pokes fun of the hypothesis that men know nothing about women it is the perfect joke gift for either sex, of any age. You could even claim that the book is blank to make the point that both genders need to take the time to listen to each other in order to make a relationship work, or some other nonsense like that, but the real point of this book is that it makes a great gift that is always well received. The book has a dual purpose - it can ultimately be used as a notebook or useful journal. If giving as a gift, you will be pleased to know the book cover looks like it is a serious volume, and does not give the game away until it is opened. "Everything Men Understand About Women is my go to present for every birthday and anniversary, it's terrific." Buy It NOW

What Wives Wish their Husbands Knew about Sex - Richard Rupp 2007-04-01

It's an unfortunate reality that many men grow up in churches that suppress their God-given sexual urges. As a result, many Christian men, single and married, are frustrated with their love lives and their sex lives. The authors of this book claim that Christian men should be the greatest lovers in the world and then work to show men how to do it.

They help men: -learn what the Bible says about a healthy sex life - discover how to relate to women as men instead of as boys -address psychological and spiritual issues that interfere with healthy sexuality - learn specific techniques that create a strong relationship, great foreplay, and passionate sex Solidly based in Scripture and informed by the experiences of the authors, all respected sex therapists, What Wives Wish Their Husbands Knew about Sex dispels the myths that keep good Christian men from experiencing sex as God meant it to be. Perfect for any man, it is also a great book for counselors and pastors who work with men.

[What Men Won't Tell You but Women Need to Know](#) - Bob Berkowitz 2010-10-12

Bob Berkowitz is not afraid to ask frank, intimate questions. Now he gets honest answers from that most perplexing, emotionally guarded, and enigmatic of species, the American male. A veteran journalist and renowned relationship expert, he has interviewed men of all ages and backgrounds about their innermost secrets—and he reports all in this unique, no-holds-barred volume. What Men Won't Tell You but Women Need to Know is straight talk on what men say, what men mean, and what men think from America's #1 expert.

Everything Men Know about Women - Knott Mutch 1992

Men and women have been keeping company for millions of years, but what do men REALLY know about the fair sex? This groundbreaking, encyclopedic work by celebrated gender anthropologist Knott Mutch looks at the bigger picture through centuries of world history. This book doesn't dilly-dally around with theory, allegedly, as intended by its author, it tells us the cold hard facts. Yeah!

What Men Think about Sex - Mark Mason 2002

Tim and Rob are 20-something men who both fall madly in lust with an American woman who has to come to work in their office, the fabulously sexy Clare Jordan. In a drunken moment they devise an audacious race, the 'Clare Jordan Five and Three Quarter Feet Handicap Stakes'. The victor wins the right to invite her out on a date. Tim's challenge is to sleep with five different women whose name begins with the initials C, L, A, R and E. Rob has to sleep with one or more women in five different places beginning with the same initials e.g. cinema, lay-by, arboretum. As Rob outlines the rules of the race to the reader he agrees one thing: he will tell the reader everything but he won't describe the sex. The result is an often outrageous, occasionally perceptive and always hilarious novel which culminates in Rob completing the race but finding true love in the most romantic and unexpected way. Overwhelmed by the experience he breaks his own rule and describes the sex which is, of course, fantastic.
