Tapping the Little Girl in Your Woman Ryan Hale 2016-10-26 Something has do be done. Too many relationships are ending in divorce and heartache. I blame the men. I blame you. Don't get mad too at me just yet, let me explain my reasoning. Men have misplaced authority over their girl(s). They no longer dominate and take the reigns. They let the girl tell them what to do, feminizing them. Most people reading this know I'm 100% right, but people reading this will still get their feeling hurt and want to immediately criticize me for this argument. Many of you reading this book intro will be secretly condemning me to hell. Others will be upset with me for telling it like it is. Come up with whatever excuse you want, women are hardwired to submit and do as they're told. They are hardwired to be little girls. Here's my peace on this matter: The cause of a woman's unhappiness is the fact that they have been socially conditioned to believe that they have power, can manage independently, etc. etc. etc. A woman who knows her place, who obeys her man, who accepts him as her dominant - the girl is always happy and contented with being a submissive little girl. On the other hand - a woman who attacks men aggressively, spouts off all this equality crap, and who refuses to submit is ALWAYS unhappy, depressed, and miserable. If you happen to be a girl reading this, I hope this helps you better understand your problems. I am a man. I dominate. It's what I'm hardwired to do. I make no appologies for it. I am who God made me. I am a man. If you want to buy into the lie that men and women are equal, God forgive you. I am here to tell you that the solution or answer to most, probably all, of your relationship issues is your unwillingness to accept this truth. If you are ready to accept this truth, this book will help you with what to do next. You see, you must learn how to train your woman to be a little girl. This isn't hard, once you know what to do. This book will provide you sound practical advice and how-to so you can transform your relationship (and/or future relationships) with girls in the future. It takes a while to regress a girl back to childhood. I tell you this so you do not give up on your quest to change her back to her normal state, the state God intended her to be. Mainly what you are doing is un-doing the harm that social conditioning has brought on her since her interactions with other feminists, educators, television, internet, etc. We call this process re-education. Your girl must be re-educated if she's to find her happy place once more. I wish you luck. You'll need it. It took me awhile, I won't lie. The journey may not seem rewarding now, but reflecting back I can tell you it was some of the happiest moments in my life - training her to obey and be a little girl. The men I have taught this knowledge to have seen the dawning of a new erra in their relationships and lives. There have been incredible breakthroughs and transformation. Let me walk you down this path. Let me help you. Let's get started. The sooner we do, the sooner you'll fall in love with the little girl that is hidden in your woman. Let's free that little girl and let her know it's okay to emerge and be excepted. Your little girl will love you so much for taking the time to put her in her place and discipline her well. Let's begin. Grab Your Copy Now

Life's Too Short to Date Men Like Me Willie Booker 2011-08-10 Every woman has either dated a jerk, or knows a friend that has dated one. But avoiding the jerks and attracting a decent man is actually a lot easier than you think. Forget watching reruns of Sex and the City or chatting with your girlfriends late at night. In this guidebook, a self-professed jerk comes straight out, speaks the truth, and systematically explains how to • spot, avoid, and say goodbye to jerks; • tell if a guy is wasting your time; • deal with players • hunt for good men (and where to hunt for them). You'll also learn how to avoid common mistakes, such as overrating initial chemistry, inadvertently hurting a man's ego, losing a good guy's interest and much more. Full of witty satire and sarcasm. Get ready to laugh out loud with this hilarious anti-game. What people had to say about this book: "Hey Willie, this is so entertaining! Ha ha you have a great sense of humor, and your statements are so true!" - Denise "We all know no one likes a tattletale. Hate the game, not the player. Every girl Tiger slept with knew he was married. Who is worse?" - Steve the player "That was such an enjoyable and enlightening read. I mean it's well written, witty, and one would think some of it is common sense, but sometimes people (i.e. me!) need common sense to slap them in the face!" - Cheryl "Willie whistle blower has a nice ring to it. You know someone's going to kick your butt one day? Good work!" - A guy Willie no longer parties with "I don't understand you. You go through university, build a promising career. Now you quit your job and write this book? Why would you tell the whole world you're an asshole?" - Willie's mom

The Driveway Rules Marc Sander 2020-01-28 The Driveway Rules is my book of memoirs. It focuses on my struggles when it comes to dating but also has fun entries about various adventures in my life. I am introspective and have learned a lot about my struggles through the years. The point of our struggles is to use them as an opportunity for growth and perhaps to help others later in life. This book is poignant, philosophical and humorous. Next to penicillin laughter is the best medicine.

The Game Changer Franklin Veaux 2015-09 To make an open marriage work, Franklin and Celeste knew they needed to make sure no one ever came between them. That meant no overnights, no falling in love, and either one of them could ask the other to end an outside relationship if it became too much to deal with. It worked for nearly two decades--and their relentless focus on their own relationship let them turn a blind eye to the emotional wreckage they were leaving behind.

[How to Attract Women](#) Zac Miller 2020-03-08 Can I Ask You a Question? What would life be like if you knew exactly how to attract women? If you could get the girls you've always wanted? If you could be a man women were sexually drawn to... would that change your life? Hi, my name is Zac Miller. In my many years here on earth I've had my share of experiences with women. And like most men, I wasn't born knowing what attracts women or what they want, but there came a point in my life where I was fed up and did something about it. Many men just say "women are crazy," and they leave it at that, not trying to understand them. I couldn't have that... While women are in fact crazy, I have put together a book which explains what they want, what attracts them to men, and how you can start attracting women. It's taken me many, many years, and many, many sleepless nights, but after all was said and done, I believe I have made the best book available when it comes teaching men everything it takes to successfully attract women. Here's What You'll Learn in This Book Chapter 1: Appearance - While it's been this way for many years, the advent of website profiles and dating apps has made a masculine appearance much more important for men in this day and age. Here I share with you the many ways you can appear more attractive to women, as well the ideal body type women are looking for in a man (hint: it's not abs). Chapters 2 & 3: Attractive & Unattractive Qualities - Ever notice how women are attracted to jerks and "bad boys?" It's because they display many attractive qualities women desire. In these chapters, I share with you what exactly these qualities are, while also going over attributes you need to stay away from, which push women away. Chapter 4 & 5: Talking to Women - Next, we go over how to talk to women and connect with them, in turn attracting them to you. I show you how to approach girls, get their contact information, and how to conversant with them afterwards to secure a date. I go over the number one mistake most guys make during this process, as well as the one quality that will put you above all other men when talking to women (hint: it's not a lifted truck). Chapter 6: The Date - We then go over how to handle the date. I show you exactly how to ask for the date, where to go, and what to do during the date. This includes conversation topics that release dopamine (feel good) chemicals in a woman's brain, as well as techniques you can employ during the date to keep her attention. I then go over what to do after the date to keep her interested in you for the long run to make her your girlfriend. Chapter 7: The What If's? - What if she flakes on the date? What if she says maybe? What if she starts losing interest? All these questions and more are handled in this chapter, showing you the exact techniques to employ to handle each situation, which will keep a woman interested in you. Appendix - I provide 70 opening messages, original to this book, to use when texting girls. These are unique, funny messages, which will make you stand out from other men. As a FREE bonus, only to buyers of this book, I provide you with my special report, Subconscious Attraction: 3 Techniques that Will Attract Her Subconsciously. These are perfect to use during the first date! If you want to become more successful with women and start getting the girls you've always desired, you can't risk not knowing this information. Good Trouble Joe Biel 2016-03-15 In 1996, everything about Joe Biel's life seemed like a mistake. He was 18, he lived in Cleveland, he got drunk every day, and he had mystery health problems and weird social tics. All his friends' lives were as bad or worse. To escape a nihilistic, apocalyptic worldview and to bring reading and documentation into a communal punk scene, he started assembling zines and bringing them in milk crates to underground punk shows. Eventually this became Microcosm Publishing. But Biel's head for math was stronger than his ability to relate to people, and it wasn't until he was diagnosed with Asperger's Syndrome that it all began to fall into place. This is the story of how, over 20 years, one person turned a litany of continuing mistakes and seeming wrong turns into a happy, fulfilled life and a thriving publishing business that defies all odds.

One girl would cost half of your salary and most of your time; it's obvious that to make a girl fall in love with you, you have to give her time and you have to spend money on her. For every occasion she comes across in her life you need to spend—it could be her birthday, anniversary of your relationship, Valentine's day, Women's day, etc. What is worse is that you should celebrate even her dog's birthday, her friend's birthday, etc. On her friend's birthday of course just be with her, but don't ever flirt with her best friends. But still she expects you to buy gifts for her friend on her birthday, which has to be given on behalf of you both and what not! As far as I know Rahil has been doing all of these!

Models Mark Manson 2017-09-11 "You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving a F*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" *Sydney Morning Herald* "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" *Huffington Post*

F*CK Him! - Nice Girls Always Finish Single - a Guide for Sassy Women Who Want to Get Back in Control of Their Love Life Brian Nox 2016-10 *The MANipulator Manual: Keep Your Man Interested and Begging for More Without Playing Games* Let me start off by explaining I am in no way talking about the sexual act. F*ck him in this case is not physical, it's mental. So many women get in trouble in their love lives, and 99.9 percent of that trouble could have been avoided if they'd said, "Well, f*ck him!" a bit more often. Too many women are way too nice and compliant to their men, especially when these men don't deserve that kind of treatment. And yet, every woman I've ever met tries to not be needy or wear her heart on her sleeve. She simply wants to protect her feelings. Nevertheless, most women I've coached have had men seem very interested only to disappear suddenly. These women are left standing in the dark. Once the guy vanishes, they often find out it's easier to get the President of the United States on the phone than the man who seemingly really liked them...just not enough to stick around. This should stop. I, as a dating coach and author of books for women who want to get men, cannot take it anymore. You deserve better. This is not your fault. It's his! He needs to learn to be much more transparent and upfront. That said, we both know most men won't change. We can lead a horse to water, but we can't make it drink. Or can we? What if there was a way to change a guy's behavior? What if you could get into his head and take over the driver's wheel? What if you could make him do more of the things that you appreciate and need and less of the bad behaviors you dislike? At first, this might seem impossible. Nevertheless, I'm sure you've already met women who are good at manipulating their men. Enter the high-value woman. You know her. You've seen her. She's the woman who always has great men drooling over her. It's the woman you see getting all the attention. You often wonder, "How does she do it? What do they see in her? What does she know that I don't?" You might have even complained to your girlfriends that men just don't seem to notice what a catch you are. Your girlfriends may have even said, "He doesn't know what he's missing." What if you could make him see it? When you look at these high-value women who get their way with men, it might have surprised you that their looks don't seem to matter. The high-value woman can be great looking, average looking, or even bad looking. It doesn't matter. She knows her way around men. She knows how to mentally f*ck them. Are you ready to implement her strategies? You'll see behavior you've never seen from him. He'll start to put in an effort that makes you feel like you're a queen because to him, you are. At first, it will be strange. If you've never truly been in control of a man, it might feel like riding a horse for the first time. But soon, it will make you feel all tingly inside. I'm not kidding. There's nothing more powerful than being in a relationship with a guy and having him do exactly what you want while he thinks it was his idea. (This is important, as you'll see. He needs to think he is the one in the driver's seat, even though you actually are.) This book is not about becoming someone you're not or turning your boyfriend into a spineless manslave. It's about your empowerment, about taking back what's yours. No man should ever be able to play games with you, to take you for granted, to treat you even a tiny bit less than you deserve. By the time you've finished this book, this will all be part of your past. Are you ready? Then hit the buy button at the top of this page and start your high value woman journey right away!

How to Get a Girlfriend Jeff G Smith 2020-06-12 Sometimes men see women so difficult to get, the only reason for that is because men have not

understood them. Believe me, no woman is too hard to get, no matter how brilliant and beautiful she is, all you have to do is to just know how to play your keys well, they will be the ones to go after you. I have observed that so many guys are single today not because they don't need a girl in their life or they don't want to be in any relationship, but because they don't know how to get a girlfriend. They lack the confidence and words to use in wooing a woman they want. So many things could be the factors depriving some men getting any woman they want. These factors include: Lack of confidence, Lack of words to use, Mode of approach, When to approach her, and lots more. In this book, I have emphasize on those factors. So after reading through, you will then be a professional in getting any woman of your choice.

The Rational Male - Rollo Tomassi 2017-07-25 Building once more on the core works of The Rational Male by Rollo Tomassi, Positive Masculinity is the newest supplemental reading in the series designed to give men, not a prescription, but actionable information to build better lives for themselves based on realistic and objective intersexual dynamics between men and women. Rational and pragmatic, the book outlines four key themes: Red Pill Parenting, The Feminine Nature, Social Imperatives and Positive Masculinity. Free of the pop-psychology pablum about parenting today, Red Pill Parenting is primarily aimed at the fathers (and fathers-to-be) who wanted more in depth information about raising their sons and daughters in a Red Pill aware context. While not an instruction manual, it will give men some insight into how to develop a parenting style based on Red Pill principles as well as what they can expect their kids to encounter from a feminine-primary social order determined to 'educate' them. The Feminine Nature is a collection of essays, revised and curated, that specifically address the most predictable aspects of the female psyche. It outlines and explores both the evolutionary and socialized reasons for women's most common behaviors and their motives, and how men can build this awareness into a more efficient way of interacting with them. Social Imperatives details how the female psyche extrapolates into western (and westernizing) cultural narratives, social dictates and legal and political legislation. This is the Feminine Imperative writ large and this section explores how feminism, women's sexual strategy and primary life goals have molded our society into what we take for granted today. Also detailed is the 'women's empowerment' narrative, and the rise of a blank-slate egalitarian equalism masking as a form of female supremacism that has fundamentally altered western cultures. The last section, Positive Masculinity, is comprised of essays, reformed and expanded upon, that will give men a better idea of how to define masculinity for themselves from a conventional and rational perspective. In an era when popular culture seeks to dismiss, ridicule, shame and obscure masculinity, this section and this book is intended to raise men's awareness of how fluid redefinitions of masculinity have been deliberately used to disempower and feminize men by a feminine-primary social order. This book is the third in of series complements to The Rational Male, the fifteen-year core writing of author/blogger Rollo Tomassi from therationalmale.com. Rollo Tomassi is one of the most prominent voices in the globally growing, male-focused online consortium known as the "Manosphere" as well as one of the 'Godfathers' of intersexual Red Pill awareness.

The Outsiders S. E. Hinton 2012-05-15 Over 50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on "greasers" like Ponyboy. At least he knows what to expect—until the night someone takes things too far. The Outsiders is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. From Date to Bed Mateo Lambert 2018-02-08 I always wanted to be successful among women, to flirt with beauties, cheerfully and easy to become acquainted, and generally feel myself a worthy man. I'm sure this is a normal desire, inherent in all men. While studying at a prestigious university, I played hockey, and I had a favorite girl with whom I felt well, and whom planned to marry. However, life made its own adjustments to my script. At the moment when I thought everything was fine, my girlfriend cheated on me and we parted ways. I was injured, my hockey player career went to the bottom, and in a deep depression, I was expelled from university. It was after painful betrayal that I realized I had been cowering in my comfort zone for a long time. I had not developed myself as a man. I caught myself at the terrible thought that I absolutely did not understand women. I did not know how to become acquainted with them or interact. For me, it was a challenge to squeeze out, "Hello." Not to mention dating and seduction. For a long time, I felt absolutely apathy and did not know what to do. When I had to choose whether to become a slave of chance and circumstance or become master of my own destiny and repair the situation at the root, I got down to business. I have been going out on the streets, in parks, and cafes to meet girls for 4-5 hours. I received a lot of refusals, but the inner conviction that there was nowhere to fall further, and the desire to prove I'm worth something as a man helped me withstand a period of stress, awkward situations, and hundreds of "No." A few years later, dating became quite a natural process for me., I better understood women and had success in seduction. Further, I honed the skill of meeting women to the worked-out actions that were given easily, as soon as I understood the female psychology and the main question of "what do they want?." This realization brought me to a completely new level, and I began to enjoy the process of dating, communication, and seduction of beautiful women. Parallel to my successes in communication with women, developing self-confidence, leadership, and charisma, I launched a number of businesses and reached a state where I could devote most of my time to self-development, hobbies, and travel. Many friends began to ask me for advice and for help in dealing with women. Helping them, I realized I like to share experiences with men whose emotions are so familiar to me, so I decided to share key insights and practical advice in my books. In this book, I formulate four key stages that inevitably lead you to seduce women, namely: -an acquaintance; -a date; -rapprochement; -going to your place. I try to present the most useful beliefs and psychological tricks to understand how best to invite a girl to a date, where to go, what to talk about, how to behave, at what moment to reapproach, and how to correctly and confidently take her home for a mind-blowing night. I'm sure, after reading, you'll understand how much simpler it is than it seems. Applying my advice and principles, you'll seduce a lot of beauties that you are worthy of. You are worth it, buddy!

Training Your Girlfriend to Submit and Obey Ryan Hale 2016-10-17 Making a girlfriend obey has several benefits. Training her can be a long road when your desired outcome is the perfect girl who does as she's told, who worships you with all of her love, and who would never cheat on you or think of doing anything that displeases you. Please don't think this book is a book for misogynistic male archetypes who seek only to control their universe and who have mommy issues. This book is for the 'real' man who knows his place, his girlfriend's place, and who wants the world to be playground. A true man showers his girlfriend with love when she obeys and submits to him and punishes her when she disobeys and gets out of line. There has to be law and order in every relationship. There has to be someone who is in control, who has the upper-hand, and, let me suggest, if it's not you (the man in the relationship), then it is probably her. You must learn to dominate and this means teaching her to submit. If you don't, you'll never have a truly satisfying relationship that is tighter than glue. This book is going to teach you techniques for making her obey and submit to you. It is going to provide you with a lot of sound practical advice and help you along this wonderful journey of training her to obey and submit. I want you to get excited, because a girl who obeys and does as she's told is a happy girl, one who loves you, one who truly cares about you and your happiness. This is what makes her happiest. If you have gone through a lot of relationships, had little luck with girls, then this book will be eye-opening and refreshing for you because you'll finally learn what you've been doing wrong and how to correct it. You will be correcting yourself by learning how to correct her. A girl who obeys you and who is submissive is the perfect girlfriend, isn't she (?), since a girl who doesn't is bitchy and controlling and constantly a problem for you. I welcome you. But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of Making Marriage Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.

The Noble Art of Seducing Women - My Foolproof Guide to Pulling Any Woman You Want Kezia Noble 2012-02-23 Have you ever dreamt of becoming an infallible seducer of women? This book tells you everything you need to know, courtesy of the world's only major female PUA (pick-up artist), Kezia Noble! Unknown until a couple of years ago, Kezia was approached by the organisers to attend a PUA class meeting. She gave it to the other attendees straight, not caring if she offended anyone; the men took it on the chin and took her constructive criticisms on board. Within days and weeks they were trying out her suggested techniques and starting to become more successful with women. Kezia returned to the PUA classes and started to make a name for herself. Kezia Noble is the first woman to offer the aspiring pick-up artist advice on how to attract women from a woman's point of view. She now runs many classes and a workshop, and even produces corporate videos on the chemistry of attracting women. Now, in answer to requests from her students, Kezia has written a book on the 15 steps to becoming a master seducer - which will also prove an invaluable aid to men who cannot afford her classes, who work too far away or don't have enough time. The Noble Art of Seducing Women is the first and only sure-fire pick-up guide to be written by a woman. It has the potential to transform a lonely man into someone who need never be single again . . . unless, of course, he wants to be. Kezia Noble works with her students instead of belittling them. As a sensitive and intelligent young woman, she is becoming known as the best PUA in the business...

Medical Heroes and Heretics Wayne Martin 1977 Orthodox science -- particularly in the medical profession -- has for centuries resisted change. It traces back at least as far as Socrates who was done to death for corrupting youth with his innovative ideas. In recent times, practically all the great advances in medicine have been made against a powerfully entrenched orthodoxy. Wayne Martin's book is about some of the men involved -- then and now: Oliver Wendell Holmes, Sr., who made physicians wash their hands; Louis Pasteur, who postulated the connection between bacteria and certain diseases; Frederick Banting, who discovered insulin; Jonas Salk, who solved the mystery of polio, to mention but a few. These men all braved the wrath of the medical establishment of their day. Heretics they were, but Heroes they became. Similarly, today a group of brave pioneers are fighting the same fight. They are, says the author, the heroes of tomorrow: Ernst Krebs, Jr., Evan Shute, Dean Burk, Denis Burkitt, Virginia Livingston and a dozen others, all of whose careers and findings are described here by a man who has pursued his topic for the past ten years.

Divorced Girl Smiling Jackie Pilosoph 2013-11-23 Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. Divorced Girl Smiling is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the

specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
