Lust for power and material wealth ignited political crisis. Chima had her husband's reproductive organ injured in the momentum, her only son died and her marriage that blossomed in the beginning suddenly collapsed. Destiny led her to become the wife of the president after the first marriage. She fought with the president when their differences metamorphosed to conflict and she won the fight. But, Karma won in the next battle against her and everyone that made their country a hot bed of crisis was swept away.

[Why Love Will Always Be a Poor Investment](#) - Kurt Armstrong 2011-01-01

"Marriage is intimate. Marriage is hard": sober thoughts for a time when movies and television tell us that love is supposed to be romantic and fun. In this eclectic blend of playful and earnest storytelling, social commentary, and fierce argument, Kurt Armstrong offers an up-close look at real-life marriage and the countless ways it differs from what the advertisers tell us it should be. With wisdom, wit, and profound honesty, he explores the aching beauty of love, the ongoing struggle to maintain vows, and the reality of death as the finishing line of covenant. "Even if love one day fills my heart full of grief," says Armstrong, "it is still the only thing worth living for." This moving, honest, heartfelt look at real-life marriage will strike a chord with single men and women, young couples, and seasoned veterans of married life.

**The Two Voices Within** - Nickolas Martin and Linda M. Martin 2015-12-21  
Ego and Spirit both speak profoundly within our

lives. Can you hear what they are saying to you? These two voices are the main energies that rise up and give shape to our thoughts, feelings, behaviors, and physical health. As we go about meeting life's challenges—such as change, adversity, stressors, conflicts, relationships, self-esteem, achievement, and our ability to experience genuine happiness—the voice of an unconscious, imbalanced ego is unfortunately the one we more often hear and heed, leading us into a lesser version of ourselves. *The Two Voices Within: Balancing the Energies of Ego and Spirit to Enhance Your Life* invites you to more clearly hear what both of these voices are saying so that you can speak with more of your true voice and recognize the One Voice of the Universe. This awakening will enable you to be the best version of yourself and optimally meet life's challenges.

My handwriting is not the only thing that suffered in the throes of my addiction, but it was a physical indication and a perfect metaphor of what my life was like. It was extremely messy and impossible to read. Impulse control was gone, and insanity had consumed my soul. The poems in this book outline the progression of one addict's recovery throughout the rehabilitation process emotionally, physically, and spiritually. My hope is that any addict or alcoholic will know that recovery is possible. There is hope for a better life.

**Hand of Friendship** - Francis Bestman Isugu B Phil 2019-12-15

"Hand of Friendship" This title reveals the real identity of love that no teacher has ever taught us! Society has never told us that Love is not just a feeling in us, but a person in us. So, when Love speaks in us, we don't listen because we feel it's

not a person speaking, instead we attribute the voice we hear to that of our mind troubling us. We do this always, because we truly don't know LOVE. Since we don't know Love as a person, we don't love well. Now, this mystery has been revealed to us; love is not just a feeling in us, love is not a theory propounded by anyone, love is not an abstract idea, love is not something we choose to give and hold back from others, love is really a Loving Person living in us. He is the Most Loving Person unknown even to us. We are friends with Love and in Love. No one has told us that love is not just a person hiding in us, but a person fully active within us, desiring us every day and everywhere; love isn't even a quiet person that we can't hear Him; Love is a vocal person always speaking with us, and love is not just anybody we should ignore, Love is our Friend. Love offers us His Hand of Friendship. This friend is our first friend who loves us even when unloved by us, He Loves When Unloved because He is always patient with us and expectant, faithful, loyal, hopeful, joyful and full of life in us always. Love is our best friend ever in love with us but unloved by us. Love is not a weak person, as some even associate weakness with love, so you must never say that love makes you weak, because love is in fact the only person who gives us the very strength we feel within us, yet we don't associate the strength we feel with Love. Love is this interior Person who gives love to us and without this Love we'll be fully weak. We have the strength of love yet we don't feel any strength in love. We know our strength yet we feel awfully weak to fall in love and don't know Love is our True Personal Strength. Love is not able to die in us for love is true life, albeit many mistakenly talk about love as dead, saying things like someone killed their love, or their love has died towards someone. Don't say Love Dies, for Love Doesn't Die, since Love is in fact the only source of Life in You and Everyone. Love is the exact opposite of everything society teaches us about love. Love is always alive; love can't die; love is the source of life itself in us and in all; without Love in us we won't even be alive to learn about love or to love life; Love has given us the life we live, yet Love is not accepted in society and society undermines love's true powers. Learn more about love in this book, love

is a mystery that has eluded the brightest minds of scholars in history, yet is self-revealed in this book by its true name that shows how Love is real, and in Love's reality love is the "Hand of Friendship". You know love is real in Hand of Friendship: love's true identity. This is the only title you know that clearly reveals Love's real identity in us and society (Cf. Book I, Chapter I, and Article I: 'Love Is Triplet'). This work comes public exactly 25 years after Ralph Martins work "The Catholic Church At The End of An Age" was published, and is titled "HAND of Friendship," to show that Jesus offers us His great Mercy at the close of an age; through which we can be reconciled as friends who once betrayed Him. He is Pure Love calling us back; He is Mercy and Love that offers us His hand of friendship. Pure Love is ever willing to accept us back as friends. There is now the urgent need for us to grab His hand to confess our betrayal, show remorse and resolve to become more reliable and better at friendship with Him than we have ever been. As such, the clarion call for us in this treatise of the real identity of Love is not to reject Pure Love's merciful HAND of Friendship but to lovingly Accept His Hand of Mercy in urgency. This urgency is echoed in the last chapter of Martin's book.

**Where Whip-Poor-Wills Call: A World War II Love Story** - Wilmer Nichols 2022-04-15

JJ Johnson was born prematurely to a poor family of sharecroppers in northeast Mississippi. He was accepted to Vanderbilt University at the age of 13 years and graduated at the age of 15. He then entered Princeton University on a full scholarship with room and board to study under Dr. Albert Einstein and graduated in 1941 with a PhD in Nuclear Physics at age 17 years. While at Princeton, JJ met and fell in love with Autumn Gamble from the consumer goods corporation, Proctor and Gamble. When World War II broke out, JJ volunteered for the U.S Navy and became a fighter pilot. After participation in four major battles on board the aircraft carriers Saratoga, Lexington, Yorktown and Enterprise, he was transferred to Los Alamos to work on the atomic bomb. In the summer of 1944, JJ returned to action aboard the Enterprise and then the new Lexington. In early 1945, he crashed at sea and after 20 days adrift, he was captured by the Japanese. After a short stint on Chichi Jima, JJ

escaped, but was recaptured and transported to Ofuna a prison near Yokosuka on mainland Japan. After supplying fake information to the prison commander about the atomic bomb, JJ was rewarded with visits and services of a beautiful Japanese girl named Asami. As the war continued, JJ and Asami fell in love. After the US dropped atomic bombs on Hiroshima and Nagasaki, the Japanese surrendered and JJ was forced to leave Asami and return to America and reunite with Autumn.

**Strong and Weak** - Andy Crouch 2016-02-11
