

How Hard Can Love Be

Hard to Love - Joseph Nowinski 2014-05-13
Borderline Personality Disorder (BPD) in men is often misdiagnosed and typically leads to either no treatment or the wrong treatment. This is the first book to address this under-recognized problem. It contains symptoms and causes, as well as treatment, targeted to men who suffer from BPD. Joseph Nowinski, PhD, is a clinical psychologist in private practice and the author of numerous books. His most recent books include *Saying Goodbye: A Guide to Coping with a Loved One's Terminal Illness* and *Almost Alcoholic: Is My (Or My Loved One's) Drinking a Problem?*

Am I Normal Yet? - Holly Bourne 2015-08-01
The groundbreaking and bestselling first Spinster Club novel from YA star Holly Bourne - "A brutal and brilliant takedown of how we talk about mental illness, feminism, and friendship." The Guardian All Evie wants is to be normal. And now that she's almost off her meds and at a new college where no one knows her as the-girl-who-went-nuts, there's only one thing left to tick off her list... But relationships can mess with anyone's head - something Evie's new friends Amber and Lottie know only too well. The trouble is, if Evie won't tell them her secrets, how can they stop her making a huge mistake?

Hard Love - Meredith Wild 2015
It all comes down to this... Don't miss the riveting conclusion to Blake and Erica's story by #1 New York Times bestselling Meredith Wild. "Meredith Wild is one author who pulls me in on the first page and keeps me enthralled till the last. This is one series I can't get enough of." 04Sizzling Pages Romance Reviews More in the Hacker series: HARDWIREDHARDPRESSEDHARDLINE HARD LIMIT

All About Love - bell hooks 2018-01-30
A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the

divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

It's So Hard to Love You - Bill Klatte 2007
Discusses how to live with difficult persons.

Wherever You Are My Love Will Find You - Nancy Tillman 2023-01-26

. . . I wanted you more than you'll ever know, so I sent love to follow wherever you go . . . Love is the greatest gift we have to give our children. It's the one thing they can carry with them each and every day. If love could take shape it might look something like these heartfelt words and images from the inimitable Nancy Tillman. *Wherever You Are My Love Will Find You* is a book to share with your loved ones, no matter how near or far, young or old, they are.

Hard to Love - Briallen Hopper 2019-02-05
A sharp and entertaining essay collection about the importance of multiple forms of love and friendship in a world designed for couples, from

a laser-precise new voice. Sometimes it seems like there are two American creeds, self-reliance and marriage, and neither of them is mine. I experience myself as someone formed and sustained by others' love and patience, by student loans and stipends, by the kindness of strangers. Briallen Hopper's *Hard to Love* honors the categories of loves and relationships beyond marriage, the ones that are often treated as invisible or seen as secondary--friendships, kinship with adult siblings, care teams that form in times of illness, or various alternative family formations. She also values difficult and amorphous loves like loving a challenging job or inanimate objects that can't love you back. She draws from personal experience, sharing stories about her loving but combative family, the fiercely independent Emerson scholar who pushed her away, and the friends who have become her invented or found family; pop culture touchstones like the Women's March, John Green's *The Fault in Our Stars*, and the timeless series *Cheers*; and the work of writers like Joan Didion, Gwendolyn Brooks, Flannery O'Connor, and Herman Melville (*Moby-Dick* like you've never seen it!). *Hard to Love* pays homage and attention to unlikely friends and lovers both real and fictional. It is a series of love letters to the meaningful, if underappreciated, forms of intimacy and community that are tricky, tangled, and tough, but ultimately sustaining.

What's a Girl Gotta Do? - Holly Bourne
2016-08-01

HOW TO START A FEMINIST REVOLUTION: 1. Call out anything that is unfair on one gender 2. Don't call out the same thing twice (so you can sleep and breathe) 3. Always try to keep it funny 4. Don't let anything slide. Even when you start to break... Lottie's determined to change the world with her #Vagilante vlog. Shame the trolls have other ideas...

Easy to Love You - Megan Smith 2013-07-29
Hunter finally has MacKenzie Cahill, the girl of his dreams. A horrible accident finds those dreams threatened. As their lives change, secrets begin to surface. These revelations could prove to be either the downfall of Hunter and MacKenzie or the catalyst that strengthens their bond. Hunter has painful choices to make. Will he realize what he has before it's gone? He

knows what he must do to save his future, but will he be leaving everyone else in his past? Will the bond between the two families be strong enough to keep them together?

The Way I Used to Be - Amber Smith
2022-12-29

THE TIKTOK SENSATION THAT EVERYONE IS TALKING ABOUT 'After finishing this book, my heart was pounding and I couldn't find words big enough to describe how brilliant, beautiful, and powerful it is.' L.E. Flynn, author of *All Eyes On Her* *All Eden* wants is to rewind the clock. To live that day again. She would do everything differently. Not laugh at his jokes or ignore the way he was looking at her that night. And she would definitely lock her bedroom door. But Eden can't turn back time. So she buries the truth, along with the girl she used to be. She pretends she doesn't need friends, doesn't need love, doesn't need justice. But as her world unravels, one thing becomes clear: the only person who can save Eden ... is Eden.

Wrecking Ball - P. Dangelico 2017-01-19

Best laid plans are going to get wrecked when a reclusive football star is forced to live with the snarky nanny for his six year old nephew.

Love Her Wild - Atticus 2017-07-11

The first collection of poetry by the New York Times bestselling author of *The Dark Between Stars*. *Love Her Wild* is a collection of new and beloved poems from the poet Atticus, who has captured the hearts and minds of hundreds of thousands of avid followers on his Instagram account @atticuspoetry, including superstars like Karlie Kloss and Shay Mitchell. Dubbed the "#1 poet to follow" by Teen Vogue and "the world's most tattoo-able" poet by *Galore* magazine, in *Love Her Wild*, Atticus captures what is both raw and relatable about the smallest and the grandest moments in life: the first glimpse of a new love in Paris, skinny dipping on a summer's night, the irrepressible exuberance of the female spirit, or drinking whiskey in the desert watching the rising sun. With honesty, poignancy, and romantic flare Atticus distills the most exhilarating highs and the heartbreaking lows of life and love into a few short lines, ensuring that his words will become etched in your mind—and will awaken your sense of adventure.

It Ends with Us - Colleen Hoover 2020-07-28

Downloaded from
legacy.opendemocracy.net on 2020-10-10
by guest

In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

Love You Hard - Abby Maslin 2019-03-12

Abby Maslin shares an inspiring story of resilience and commitment in a deeply affecting new memoir. After her husband suffered a traumatic brain injury, the couple worked together as he recovered—and they learned to love again. When Abby Maslin’s husband, TC, didn’t make it home on August 18, 2012, she knew something was terribly wrong. Her fears were confirmed when she learned that her husband had been beaten by three men and left for dead mere blocks from home, all for his cell phone and debit card. The days and months that followed were a grueling test of faith. As TC recovered from a severe traumatic brain injury that left him unable to speak and walk, Abby faced the challenge of caring for—and loving—a husband who now resembled a stranger. Love

You Hard is the raw, unflinchingly honest story of a young love left broken, and the resilience required to mend a life and remake a marriage. Told from the caregiver’s perspective, this book is a daring exploration of true love: what it means to love beyond language, beyond abilities, and into the place that reveals who we really are. At the heart of Abby and TC’s unique and captivating story are the universal truths that bind us all. This is a tale of living and loving wholeheartedly, learning to heal after profound grief, and choosing joy in the wake of tragedy.

The Love Hypothesis - Ali Hazelwood
2021-09-14

The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman’s carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn’t believe in lasting romantic relationships—but her best friend does, and that’s what got her into this situation.

Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor—and well-known ass. Which is why Olive is positively floored when Stanford’s reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive’s career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

Love Hard - Jason Wren 2021-03-17

Most of us have a fundamental misunderstanding of love. We think it is about us. We believe it is about how someone or something makes us feel. When something or someone fails to give us the positive feeling we want, we move on and look for something else.

Downloaded from
legacy.opendemocracy.net on 2020-10-10
by guest

This type of love requires little effort. By making it about us, and how we feel, we miss the many opportunities presented to us every day to have lasting and meaningful impact. To truly love is hard. It is not a feeling, but an action. It requires us to be intentional and outwardly focused on others rather than internally focused on our own feelings. When we love hard, our lives have real, meaningful, lasting, positive impact on the world around us. In *Love Hard*, Jason Wren uses stories from his and others' lives to show how all of us can learn to love hard and, thus, have significant and lasting impact.

...And a Happy New Year? - Holly Bourne
2016-11-01

Same bench. Same view. Same girls. And yet totally different girls. Evie, Amber and Lottie are having a New Year party to remember! For the first time since leaving college, all three girls are back together. It's time for fun and flirting, snogs and shots. (And not tears and tantrums or horrible secrets.) Because everything's going right for these girls - Spinster Club for ever! Right?

How hard can love be? - Holly Bourne
2016-02-01

All Amber wants is a little bit of love. Her mum has never been the caring type, even before she moved to America. But Amber's hoping that spending the summer with her can change all that. And then there's Prom King Kyle, the serial heartbreaker. Can Amber really be falling for him? Even with best friends Evie and Lottie's advice, there's no escaping the fact: love is hard.
Hard Love - Ellen Wittlinger 2012-06-19

With keen insight into teenage life, Ellen Wittlinger delivers a story of adolescence that is fierce and funny -- and ultimately transforming -- even as it explores the pain of growing up. Since his parents' divorce, John's mother hasn't touched him, her new fiancé wants them to move away, and his father would rather be anywhere than at Friday night dinner with his son. It's no wonder John writes articles like "Interview with the Stepfather" and "Memoirs from Hell." The only release he finds is in homemade zines like the amazing *Escape Velocity* by Marisol, a self-proclaimed "Puerto Rican Cuban Yankee Lesbian." Hanging around the Boston Tower Records for the new issue of *Escape Velocity*, John meets Marisol and a hard love is born. While at first their friendship is based on zines, dysfunctional families, and dreams of escape, soon both John and Marisol begin to shed their protective shells. Unfortunately, John mistakes this growing intimacy for love, and a disastrous date to his junior prom leaves that friendship in ruins. Desperately hoping to fix things, John convinces Marisol to come with him to a zine conference on Cape Cod. On the sandy beaches by the Bluefish Wharf Inn, John realizes just how hard love can be.

So Easy to Love So Hard to Lose - JanGen Press 2011-06-06

This Ebook release of "So Easy to Love, So Hard to Lose" asks the reader to consider difficult questions and provides a new look at pet loss grief. The objective is not to further academia's understanding of the experience, but to provide help for grieving pet owners.
